Dear President Metzen:

I have vetoed and am returning Chapter 127, Senate File 463.

Under current law, the maximum fee a notary public may charge for specified services is \$1. This bill removes this cap on notary fee charges and creates a new limit that would allow a \$5 charge for each notary service. This is a 500 percent increase in the permissible fee for notary services. I would support a more reasonable fee increase, but a 500 percent increase is too large and could adversely impact businesses and individuals who require notarization of documents.

Sincerely,
Tim Pawlenty, Governor
