The rules may include provisions for quarantine, tests, and such other measures as the board deems appropriate. Subd. 9. **Referendum revenue.** (a) The revenue authorized by section 126C.10, subdivision 1, may be increased in the amount approved by the voters of the district at a referendum called for the purpose. The referendum may be called by the board or shall be called by the board upon written petition of qualified voters of the district. The referendum must be conducted one or two calendar years before the increased levy authority, if approved, first becomes payable. Only one election to approve an increase may be held in a calendar year. Unless the referendum is conducted by mail under paragraph (g), the referendum must be held on the first Tuesday after the first Monday

in November. The ballot must state the maximum amount of the increased revenue per resident marginal cost pupil unit. The ballot may state a schedule, determined by the board, of increased revenue per resident marginal cost pupil unit that differs from year to year over the number of years for which the increased revenue is authorized or may state that the amount shall increase annually by the rate of inflation. For this purpose, the rate of inflation shall be the annual inflationary increase calculated under subdivision 2, paragraph (b). The ballot may state that existing referendum levy authority is expiring. In this case, the ballot may also compare the proposed levy authority to the existing expiring levy authority, and express the proposed increase as the amount, if any, over the expiring referendum levy authority. The ballot must designate the specific number of years, not to exceed ten, for which the referendum authorization applies. The ballot, including a ballot on the question to revoke or reduce the increased revenue amount under paragraph (c), must abbreviate the term "per resident marginal cost pupil unit" as "per pupil." The notice required under section 275.60 may be modified to read, in cases of renewing existing levies at the same amount per pupil as in the previous year:

"BY VOTING "YES" ON THIS BALLOT QUESTION, YOU MAY BE VOTING FOR A PROPERTY TAX INCREASE ARE VOTING TO EXTEND AN EXISTING PROPERTY TAX REFERENDUM THAT IS SCHEDULED TO EXPIRE."

The ballot may contain a textual portion with the information required in this subdivision and a question stating substantially the following:

"Shall the increase in the revenue proposed by (petition to) the board of, School District No. ..., be approved?"

If approved, an amount equal to the approved revenue per resident marginal cost pupil unit times the resident marginal cost pupil units for the school year beginning in the year after the levy is certified shall be authorized for certification for the number of years approved, if applicable, or until revoked or reduced by the voters of the district at a subsequent referendum.

(b) The board must prepare and deliver by first class mail at least 15 days but no more than 30 days before the day of the referendum to each taxpayer a notice of the referendum and the proposed revenue increase. The board need not mail more than one notice to any taxpayer. For the purpose of giving mailed notice under this subdivision, owners must be those shown to be owners on the records of the county auditor or, in any county where tax statements are mailed by the county treasurer, on the records of the county treasurer. Every property owner whose name does not appear on the records of the county auditor or the county treasurer is deemed to have waived this mailed notice unless the owner has requested in writing that the county auditor or county treasurer, as the case may be, include the name on the records for this purpose. The notice must project the anticipated amount of tax increase in annual dollars for typical residential homesteads, agricultural homesteads, apartments, and commercial-industrial property within the school district.

The notice for a referendum may state that an existing referendum levy is expiring and project the anticipated amount of increase over the existing referendum levy in the first year, if any, in annual dollars for typical residential homesteads, agricultural homesteads, apartments, and commercial-industrial property within the district.

The notice must include the following statement: "Passage of this referendum will result in an increase in your property taxes." However, in cases of renewing existing levies, the notice may include the following statement: "Passage of this referendum ~~may result in an increase in your~~

"Sec. 6. **[35.086] BOVINE TUBERCULOSIS MANAGEMENT ZONE; RESTRICTIONS.**

Subdivision 1. **Definitions.** (a) The definitions in this subdivision apply to this section.

(b) "Bovine tuberculosis management zone" means the area within the ten-mile radius around the five presumptive tuberculosis-positive deer sampled during the fall 2006 hunter-harvested surveillance effort.

(c) "Located within" means that the herd is kept in the area for at least a part of the year.

Subd. 2. **Cattle herd buyout.** (a) The board shall offer a herd buyout payment to cattle owners with existing cattle that are located within the bovine tuberculosis management zone. The payment shall be \$500 per animal. By September 1, 2008, the cattle owner must accept or decline the offer for herd buyout payments under this subdivision. A cattle owner receiving payment under this section must sign a contract with the board that provides:

(1) all cattle located within the bovine tuberculosis management zone will be slaughtered by December 31, 2008;

(2) the cattle owner will not have or allow any cattle to be located within the bovine tuberculosis management zone, unless authorized by the board; and

(3) the cattle owner who violates a condition under this subdivision must repay all payments received under this section and be subject to penalties for violations under this chapter.

(b) After the effective date of this section, cattle shall not be moved into the bovine tuberculosis management zone, unless authorized by the board.

(c) Prior to making any payments under this subdivision, the board shall verify all cattle for which a contract has been signed under this subdivision have been slaughtered.

(d) In addition to the herd buyout payment under paragraph (a), a cattle owner who signs a

contract under paragraph (a) shall receive an annual payment of \$75 for each animal slaughtered. The board shall make the first annual payment by June 30, 2009, and make annual payments by June 30 each year thereafter until the area receives a bovine tuberculosis-free status and the owner is authorized by the board to have cattle located within the bovine tuberculosis management zone.

Subd. 3. **Cattle herds remaining in the zone.** The board shall conduct a risk assessment for cattle that continue to be located within the bovine tuberculosis management zone after December 31, 2008. If the board determines that cattle herds that continue to be located within the bovine tuberculosis management zone present a risk of cattle and deer interaction, the board shall require the owner of the cattle to keep all cattle in a manner that does not allow cattle and deer interface. The board may also require that any stored forage crops located within the bovine tuberculosis management zone are kept in a manner that does not allow deer access. The board shall offer cost-share assistance for fencing under subdivision 4 to a person who is required to:

- (1) keep cattle in a manner that does not allow cattle and deer interface; or
- (2) keep stored forage crops in a manner that does not allow deer access.

Subd. 4. **Cost-share assistance for fencing.** (a) The board shall provide cost-share assistance to persons for fencing cattle and stored forage crops in areas where the board determines that there is an unacceptable risk of transmitting bovine tuberculosis to deer. The cost-share payments shall be 90 percent of the cost of an approved fence up to \$75,000. The payments under this subdivision shall be on a reimbursement basis and paid by the board after the board determines that the fence is built to the specifications required by the board.

(b) The board shall establish specifications for fences that qualify for cost-share assistance under this subdivision and provide cattle owners with a list of approved fencing contractors. The fencing must be constructed and maintained by an approved fencing contractor, the landowner, or the tenant.

(c) The board shall periodically inspect fences for which cost-share assistance has been received under this subdivision. If the board determines that a fence for which cost-share assistance has been received is not being maintained or used properly, the board may:

- (1) order that the fence be repaired or used properly; or
- (2) place the herd under quarantine and require repayment to the board of any cost-share assistance received by the person.

EFFECTIVE DATE. This section is effective the day following final enactment.

(5) require a whole-herd tuberculosis test within 12 months prior to moving breeding cattle out of the zone;

(6) require annual herd inventories on all cattle, bison, goats, or farmed cervidae herds; and

(7) require that a risk assessment be performed to evaluate the interaction of free-ranging deer with cattle, bison, goats, and farmed cervidae herds and require the owner to implement the recommendations of the risk assessment.

Subd. 3. **Authority to adopt rules.** The board may adopt rules to provide for the control of tuberculosis in cattle. The rules may include provisions for quarantine, tests, and such other measures as the board deems appropriate. Federal regulations, as provided by Code of Federal Regulations, title 9, part 77, and the Bovine Tuberculosis Eradication Uniform Methods and Rules, are incorporated as part of the rules in this state.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 8. BOVINE TUBERCULOSIS CONTROL; TEMPORARY ASSESSMENT; APPROPRIATION.
