"ARTICLE 1

FEDERAL TAX CONFORMITY

Section 1. Minnesota Statutes 2017 Supplement, section 270A.03, subdivision 5, is amended to read:

Subd. 5. **Debt.** (a) "Debt" means a legal obligation of a natural person to pay a fixed and certain amount of money, which equals or exceeds \$25 and which is due and payable to a claimant agency. The term includes criminal fines imposed under section 609.10 or 609.125, fines imposed for petty misdemeanors as defined in section 609.02, subdivision 4a, and restitution. A debt may arise under a contractual or statutory obligation, a court order, or other legal obligation, but need not have been reduced to judgment.

A debt includes any legal obligation of a current recipient of assistance which is based on overpayment of an assistance grant where that payment is based on a client waiver or an administrative or judicial finding of an intentional program violation; or where the debt is owed to a program wherein the debtor is not a client at the time notification is provided to initiate recovery under this chapter and the debtor is not a current recipient of food support, transitional child care, or transitional medical assistance.

(b) A debt does not include any legal obligation to pay a claimant agency for medical care, including hospitalization if the income of the debtor at the time when the medical care was rendered does not exceed the following amount:

- (1) for an unmarried debtor, an income of ~~\$12,560~~ \$13,180 or less;
- (2) for a debtor with one dependent, an income of ~~\$16,080~~ \$16,878 or less;
- (3) for a debtor with two dependents, an income of ~~\$19,020~~ \$19,959 or less;
- (4) for a debtor with three dependents, an income of ~~\$21,580~~ \$22,643 or less;
- (5) for a debtor with four dependents, an income of ~~\$22,760~~ \$23,887 or less; and
- (6) for a debtor with five or more dependents, an income of ~~\$23,730~~ \$24,900 or less.

For purposes of this paragraph, "debtor" means the individual whose income, together with the income of the individual's spouse, other than a separated spouse, brings the individual within the income provisions of this paragraph. For purposes of this paragraph, a spouse, other than a separated spouse, shall be considered a dependent.

(c) The commissioner shall adjust the income amounts in paragraph (b) by the percentage determined pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section 1(f)(3)(B) the word "2014" "2017" shall be substituted for the word "1992." ~~For 2016, the commissioner shall then determine the percent change from the 12 months ending on August 31, 2014, to the 12 months ending on August 31, 2015, and in each subsequent year, from the 12 months ending on August 31, 2014, to the 12 months ending on August 31 of the year preceding the taxable year.~~ "2016." The determination of the commissioner pursuant to this subdivision shall not be considered a "rule" and shall not be subject to the Administrative Procedure Act contained in chapter 14. The income amount as adjusted must be rounded to the nearest \$10 amount. If the amount ends in \$5, the amount is rounded up to the nearest \$10 amount.

(d) Debt also includes an agreement to pay a MinnesotaCare premium, regardless of the dollar amount of the premium authorized under section 256L.15, subdivision 1a.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2017.

Sec. 2. Minnesota Statutes 2017 Supplement, section 289A.02, subdivision 7, is amended to read:

Subd. 7. **Internal Revenue Code.** Unless specifically defined otherwise, "Internal Revenue Code" means the Internal Revenue Code of 1986, as amended through ~~December 16, 2016~~ March 31, 2018.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2017.

Sec. 3. Minnesota Statutes 2016, section 289A.08, subdivision 1, is amended to read:

Subdivision 1. **Generally; individuals.** (a) A taxpayer must file a return for each taxable year the taxpayer is required to file a return under section 6012 of the Internal Revenue Code or meets the requirements under paragraph (d) to file a return, except that:

(1) an individual who is not a Minnesota resident for any part of the year is not required to file a Minnesota income tax return if the individual's gross income derived from Minnesota sources as determined under sections 290.081, paragraph (a), and 290.17, is less than the filing requirements for a single individual who is a full year resident of Minnesota; ~~and~~

(2) an individual who is a Minnesota resident is not required to file a Minnesota income tax return if the individual's gross income derived from Minnesota sources as determined under section 290.17, less the subtractions allowed under section 290.0132, subdivisions 12 and 15, is less than the filing requirements for a single individual who is a full-year resident of Minnesota.

(b) The decedent's final income tax return, and other income tax returns for prior years where the decedent had gross income in excess of the minimum amount at which an individual is required to file and did not file, must be filed by the decedent's personal representative, if any. If there is no personal representative, the return or returns must be filed by the transferees, as defined in section 270C.58, subdivision 3, who receive property of the decedent.

(c) The term "gross income," as it is used in this section, has the same meaning given it in section 290.01, subdivision 20.

(d) The commissioner of revenue shall annually determine the gross income levels at which individuals are required to file a return for each taxable year based on the amounts that may be deducted under section 290.0803 and the personal and dependent exemptions under section 290.0138.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2017.

Sec. 4. Minnesota Statutes 2016, section 289A.08, subdivision 7, is amended to read:

Subd. 7. **Composite income tax returns for nonresident partners, shareholders, and beneficiaries.** (a) The commissioner may allow a partnership with nonresident partners to file a composite return and to pay the tax on behalf of nonresident partners who have no other Minnesota source income. This composite return must include the names, addresses, Social Security numbers, income allocation, and tax liability for the nonresident partners electing to be covered by the composite return.

(b) The computation of a partner's tax liability must be determined by multiplying the income allocated to that partner by the highest rate used to determine the tax liability for individuals under section 290.06, subdivision 2c. Nonbusiness deductions, standard deductions, or personal exemptions are not allowed.

(c) The partnership must submit a request to use this composite return filing method for nonresident partners. The requesting partnership must file a composite return in the form prescribed by the commissioner of revenue. The filing of a composite return is considered a request to use the composite return filing method.

(d) The electing partner must not have any Minnesota source income other than the income from the partnership and other electing partnerships. If it is determined that the electing partner has other Minnesota source income, the inclusion of the income and tax liability for that partner under this provision will not constitute a return to satisfy the requirements of subdivision 1. The tax paid for the individual as part of the composite return is allowed as a payment of the tax by the individual on the date on which the composite return payment was made. If the electing nonresident partner has no other Minnesota source income, filing of the composite return is a return for purposes of subdivision 1.

(e) This subdivision does not negate the requirement that an individual pay estimated tax if the individual's liability would exceed the requirements set forth in section 289A.25. The individual's liability to pay estimated tax is, however, satisfied when the partnership pays composite estimated tax in the manner prescribed in section 289A.25.

(f) If an electing partner's share of the partnership's gross income from Minnesota sources is less than the filing requirements for a nonresident under this subdivision, the tax liability is zero. However, a statement showing the partner's share of gross income must be included as part of the composite return.

(g) The election provided in this subdivision is only available to a partner who has no other Minnesota source income and who is either (1) a full-year nonresident individual or (2) a trust or estate that does not claim a deduction under either section 651 or 661 of the Internal Revenue Code.

(h) A corporation defined in section 290.9725 and its nonresident shareholders may make an election under this paragraph. The provisions covering the partnership apply to the corporation and the provisions applying to the partner apply to the shareholder.

(i) Estates and trusts distributing current income only and the nonresident individual beneficiaries of the estates or trusts may make an election under this paragraph. The provisions covering the partnership apply to the estate or trust. The provisions applying to the partner apply to the beneficiary.

(j) For the purposes of this subdivision, "income" means the partner's share of federal adjusted gross income from the partnership modified by the additions provided in section 290.0131, subdivisions 8 to ~~10~~ 10 and 17, and the subtractions provided in: (1) section 290.0132, subdivision 9, to the extent the amount is assignable or allocable to Minnesota under section 290.17; and (2) section 290.0132, subdivision 14. The subtraction allowed under section 290.0132, subdivision 9, is only allowed on the composite tax computation to the extent the electing partner would have been allowed the subtraction.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2017.

Sec. 5. Minnesota Statutes 2017 Supplement, section 289A.12, subdivision 14, is amended to read:

Subd. 14. **Reporting exempt interest and exempt-interest dividends.** (a) A regulated investment company paying \$10 or more in exempt-interest dividends to an individual who is a resident of Minnesota, or any person receiving \$10 or more of exempt interest or exempt-interest dividends and paying as nominee to an individual who is a resident of Minnesota, must make a return indicating the amount of the exempt interest or exempt-interest dividends, the name, address, and Social Security number of the recipient, and any other information that the commissioner specifies. The return must be provided to the recipient by February 15 of the year following the year of the payment. The return provided to the recipient must include a clear statement, in the form prescribed by the commissioner, that the exempt interest or exempt-interest dividends must be included in the computation of Minnesota taxable income. By June 1 of each year, the payer must file a copy of the return with the commissioner.

(b) For purposes of this subdivision, the following definitions apply.

(1) "Exempt-interest dividends" mean exempt-interest dividends as defined in section 852(b)(5) of the Internal Revenue Code, but does not include the portion of exempt-interest dividends that are not required to be added to federal ~~taxable~~ adjusted gross income under section 290.0131, subdivision 2, paragraph (b).

(2) "Regulated investment company" means regulated investment company as defined in section 851(a) of the Internal Revenue Code or a fund of the regulated investment company as defined in section 851(g) of the Internal Revenue Code.

(3) "Exempt interest" means income on obligations of any state other than Minnesota, or a political or governmental subdivision, municipality, or governmental agency or instrumentality of any state other than Minnesota, and exempt from federal income taxes under the Internal Revenue Code or any other federal statute.

Minnesota family investment program grant or allowance to or on behalf of the child must not be taken into account in determining whether the child received more than half of the child's support from the taxpayer, and the provisions of section 32(b)(1)(D) of the Internal Revenue Code do not apply.

(b) If a child who has not attained the age of six years at the close of the taxable year is cared for at a licensed family day care home operated by the child's parent, the taxpayer is deemed to have paid employment-related expenses. If the child is 16 months old or younger at the close of the taxable year, the amount of expenses deemed to have been paid equals the maximum limit for one qualified individual under section 21(c) and (d) of the Internal Revenue Code. If the child is older than 16 months of age but has not attained the age of six years at the close of the taxable year, the amount of expenses deemed to have been paid equals the amount the licensee would charge for the care of a child of the same age for the same number of hours of care.

(1) has a child who has not attained the age of one year at the close of the taxable year;

(2) files a joint tax return for the taxable year; and

The earned income limitation of section 21(d) of the Internal Revenue Code shall not apply to this deemed amount. These deemed amounts apply regardless of whether any employment-related expenses have been paid.

(d) If the taxpayer is not required and does not file a federal individual income tax return for the tax year, no credit is allowed for any amount paid to any person unless:

(1) the name, address, and taxpayer identification number of the person are included on the return claiming the credit; or

(2) if the person is an organization described in section 501(c)(3) of the Internal Revenue Code and exempt from tax under section 501(a) of the Internal Revenue Code, the name and address of the person are included on the return claiming the credit.

In the case of a failure to provide the information required under the preceding sentence, the preceding sentence does not apply if it is shown that the taxpayer exercised due diligence in attempting to provide the information required.

(e) In the case of a nonresident, part-year resident, or a person who has earned income not subject to tax under this chapter including earned income excluded pursuant to section 290.0132, subdivision 10, the credit determined under section 21 of the Internal Revenue Code must be allocated based on the ratio by which the earned income of the claimant and the claimant's spouse from Minnesota sources bears to the total earned income of the claimant and the claimant's spouse.

(f) For residents of Minnesota, the subtractions for military pay under section 290.0132, subdivisions 11 and 12, are not considered "earned income not subject to tax under this chapter."

(g) For residents of Minnesota, the exclusion of combat pay under section 112 of the Internal Revenue Code is not considered "earned income not subject to tax under this chapter."

(h) For taxpayers with federal adjusted gross income in excess of ~~\$50,000~~ \$50,990, the credit is equal to the lesser of the credit otherwise calculated under this subdivision, or the amount equal to \$600 minus five percent of federal adjusted gross income in excess of ~~\$50,000~~ \$50,990 for taxpayers with one qualified individual, or \$1,200 minus five percent of federal adjusted gross income in excess of ~~\$50,000~~ \$50,990 for taxpayers with two or more qualified individuals, but in no case is the credit less than zero.

The credit is reduced by 2.01 percent of earned income or adjusted gross income, whichever is greater, in excess of ~~\$8,130~~ \$8,530, but in no case is the credit less than zero.

(c) For individuals with one qualifying child, the credit equals 9.35 percent of the first ~~\$11,120~~ \$11,670 of earned income. The credit is reduced by 6.02 percent of earned income or adjusted gross income, whichever is greater, in excess of ~~\$21,190~~ \$22,340, but in no case is the credit less than zero.

(d) For individuals with two or more qualifying children, the credit equals 11 percent of the first ~~\$18,240~~ \$19,130 of earned income. The credit is reduced by 10.82 percent of earned income or adjusted gross income, whichever is greater, in excess of ~~\$25,130~~ \$26,360, but in no case is the credit less than zero.

(e) For a part-year resident, the credit must be allocated based on the percentage calculated under section 290.06, subdivision 2c, paragraph (e).

(f) For a person who was a resident for the entire tax year and has earned income not subject to tax under this chapter, including income excluded under section 290.0132, subdivision 10, the credit must be allocated based on the ratio of federal adjusted gross income reduced by the earned income not subject to tax under this chapter over federal adjusted gross income. Sec. 55. Minnesota Statutes 2016, section 290.095, subdivision 4, is amended to read:

Subd. 4. **Computation and modifications.** The following modifications shall be made in computing a net operating loss in any taxable year and also in computing the taxable net income for any taxable year before a net operating loss deduction shall be allowed:

(a) No deduction shall be allowed for or with respect to losses connected with income producing activities if the income therefrom would not be required to be either assignable to this state or included in computing the taxpayer's taxable net income.

(b) A net operating loss deduction shall not be allowed.

(c) The amount deductible on account of losses from sales or exchanges of capital assets shall not exceed the amount includable on account of gains from sales or exchanges of capital assets.

(d) Renegotiation of profits for a prior taxable year under the renegotiation laws of the United States of America, including renegotiation of the profits with a subcontractor, shall not enter into the computation.

(e) Federal income and excess profits taxes shall not be allowed as a deduction.

(f) The 80-percent limitation under section 172(a)(2) of the Internal Revenue Code does not apply to the computations for corporate taxpayers under this section.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2017.

Sec. 56. Minnesota Statutes 2017 Supplement, section 290.17, subdivision 2, is amended to read:

Subd. 2. **Income not derived from conduct of a trade or business.** The income of a taxpayer subject to the allocation rules that is not derived from the conduct of a trade or business must be assigned in accordance with paragraphs (a) to (f):

(a)(1) Subject to paragraphs (a)(2) and (a)(3), income from wages as defined in section 3401(a) ~~and~~, (f), and (i) of the Internal Revenue Code is assigned to this state if, and to the extent that, the work of the employee is performed within it; all other income from such sources is treated as income from sources without this state.

Severance pay shall be considered income from labor or personal or professional services.

(2) In the case of an individual who is a nonresident of Minnesota and who is an athlete or entertainer, income from compensation for labor or personal services performed within this state shall be determined in the following manner:

(i) the amount of income to be assigned to Minnesota for an individual who is a nonresident salaried athletic team employee shall be determined by using a fraction in which the denominator contains the total number of days in which the individual is under a duty to perform for the employer, and the numerator is the total number of those days spent in Minnesota. For purposes of this paragraph, off-season training activities, unless conducted at the team's facilities as part of a team imposed program, are not included in the total number of duty days. Bonuses earned as a result of play during the regular season or for participation in championship, play-off, or all-star games must be allocated under the formula. Signing bonuses are not subject to allocation under the formula if they are not conditional on playing any games for the team, are payable separately from any other compensation, and are nonrefundable; and

(ii) the amount of income to be assigned to Minnesota for an individual who is a nonresident, and who is an athlete or entertainer not listed in item (i), for that person's athletic or entertainment performance in Minnesota shall be determined by assigning to this state all income from performances or athletic contests in this state.

(3) For purposes of this section, amounts received by a nonresident as "retirement income" as defined in section (b)(1) of the State Income Taxation of Pension Income Act, Public Law 104-95, are not considered income derived from carrying on a trade or business or from wages or other compensation for work an employee performed in Minnesota, and are not taxable under this chapter.

(b) Income or gains from tangible property located in this state that is not employed in the business of the recipient of the income or gains must be assigned to this state.

(c) Income or gains from intangible personal property not employed in the business of the recipient of the income or gains must be assigned to this state if the recipient of the income or gains is a resident of this state or is a resident trust or estate.

Gain on the sale of a partnership interest is allocable to this state in the ratio of the original cost of partnership tangible property in this state to the original cost of partnership tangible property everywhere, determined at the time of the sale. If more than 50 percent of the value of the partnership's assets consists of intangibles, gain or loss from the sale of the partnership interest is allocated to this state in accordance with the sales factor of the partnership for its first full tax period immediately preceding the tax period of the partnership during which the partnership interest was sold.

Gain on the sale of an interest in a single member limited liability company that is disregarded for federal income tax purposes is allocable to this state as if the single member limited liability company did not exist and the assets of the limited liability company are personally owned by the sole member.

Gain on the sale of goodwill or income from a covenant not to compete that is connected with a business operating all or partially in Minnesota is allocated to this state to the extent that the income from the business in the year preceding the year of sale was allocable to Minnesota under subdivision 3.

When an employer pays an employee for a covenant not to compete, the income allocated to this state is in the ratio of the employee's service in Minnesota in the calendar year preceding leaving the employment of the employer over the total services performed by the employee for the employer in that year.

(d) Income from winnings on a bet made by an individual while in Minnesota is assigned to this state. In this paragraph, "bet" has the meaning given in section 609.75, subdivision 2, as limited by section 609.75, subdivision 3, clauses (1), (2), and (3).

(e) All items of gross income not covered in paragraphs (a) to (d) and not part of the taxpayer's income from a trade or business shall be assigned to the taxpayer's domicile.

(f) For the purposes of this section, working as an employee shall not be considered to be conducting a trade or business.

EFFECTIVE DATE. This section is effective for wages paid after December 31, 2017.

Sec. 57. Minnesota Statutes 2016, section 290.21, subdivision 4, is amended to read:

(2)(i) the remaining 20 percent of dividends if the dividends received are the stock in an affiliated company transferred in an overall plan of reorganization and the dividend is eliminated in

consolidation under Treasury Department Regulation 1.1502-14(a), as amended through December 31, 1989;

(ii) the remaining 20 percent of dividends if the dividends are received from a corporation which is subject to tax under section 290.36 and which is a member of an affiliated group of corporations as defined by the Internal Revenue Code and the dividend is eliminated in consolidation under Treasury Department Regulation 1.1502-14(a), as amended through December 31, 1989, or is deducted under an election under section 243(b) of the Internal Revenue Code; or

(iii) the remaining 20 percent of the dividends if the dividends are received from a property and casualty insurer as defined under section 60A.60, subdivision 8, which is a member of an affiliated group of corporations as defined by the Internal Revenue Code and either: (A) the dividend is eliminated in consolidation under Treasury Regulation 1.1502-14(a), as amended through December 31, 1989; or (B) the dividend is deducted under an election under section 243(b) of the Internal Revenue Code.

(b) Seventy percent of dividends received by a corporation during the taxable year from another corporation in which the recipient owns less than 20 percent of the stock, by vote or value, not including stock described in section 1504(a)(4) of the Internal Revenue Code when the corporate stock with respect to which dividends are paid does not constitute the stock in trade of the taxpayer, or does not constitute property held by the taxpayer primarily for sale to customers in the ordinary course of the taxpayer's trade or business, or when the trade or business of the taxpayer does not consist principally of the holding of the stocks and the collection of income and gain therefrom.

(c) The dividend deduction provided in this subdivision shall be allowed only with respect to dividends that are included in a corporation's Minnesota taxable net income for the taxable year.

The dividend deduction provided in this subdivision does not apply to a dividend from a corporation which, for the taxable year of the corporation in which the distribution is made or for the next preceding taxable year of the corporation, is a corporation exempt from tax under section 501 of the Internal Revenue Code.

The dividend deduction provided in this subdivision does not apply to a dividend received from a real estate investment trust as defined in section 856 of the Internal Revenue Code.

The dividend deduction provided in this subdivision applies to the amount of regulated investment company dividends only to the extent determined under section 854(b) of the Internal Revenue Code.

The dividend deduction provided in this subdivision shall not be allowed with respect to any dividend for which a deduction is not allowed under the provisions of section 246(c) or 246A of the Internal Revenue Code.

(d) If dividends received by a corporation that does not have nexus with Minnesota under the provisions of Public Law 86-272 are included as income on the return of an affiliated corporation permitted or required to file a combined report under section 290.17, subdivision 4, or 290.34, subdivision 2, then for purposes of this subdivision the determination as to whether the trade or business of the corporation consists principally of the holding of stocks and the collection of income

and gains therefrom shall be made with reference to the trade or business of the affiliated corporation having a nexus with Minnesota.

(e) The deduction provided by this subdivision does not apply if the dividends are paid by a FSC as defined in section 922 of the Internal Revenue Code.

(f) If one or more of the members of the unitary group whose income is included on the combined report received a dividend, the deduction under this subdivision for each member of the unitary business required to file a return under this chapter is the product of: (1) 100 percent of the dividends received by members of the group; (2) the percentage allowed pursuant to paragraph (a) or (b); and (3) the percentage of the taxpayer's business income apportionable to this state for the taxable year under section 290.191 or 290.20.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2017.

Sec. 58. Minnesota Statutes 2016, section 290.34, is amended by adding a subdivision to read:

Subd. 5. Insurance companies; interest expense limitation. To be consistent with the federal treatment of the interest expense limitation under section 163(j) of the Internal Revenue Code for an affiliated group that includes an insurance company taxable under chapter 297I and exempt from taxation under section 290.05, subdivision 1, clause (c), the rules under this subdivision apply. INCOME, CORPORATE FRANCHISE, AND ESTATE TAXES

Section 1. Minnesota Statutes 2016, section 16A.152, is amended by adding a subdivision to read:

Subd. 2a. **Tax rates adjustment.** (a) The commissioner of revenue must make reductions to the individual income tax rates and the corporate franchise tax rate in section 290.06, subdivisions 1 and 2c, and the alternative minimum tax rates in sections 290.091 and 290.0921, by one-tenth of one percentage point if, on the basis of a November forecast of general fund revenues and expenditures, the commissioner of management and budget determines that the following conditions have been met:

(1) the provisions of subdivision 2, paragraph (a), clauses (1) to (4), are satisfied; and

(2) for a forecast occurring in an even-numbered year, revenues exceed expenditures, excluding any carryforward amounts, at the close of the next biennium and the subsequent biennium by an amount greater than the revenue reduction resulting from the corresponding rate cuts defined in this paragraph, as estimated by the commissioner of revenue; or

(3) for a forecast occurring in an odd-numbered year, revenues exceed expenditures, excluding any carryforward amounts, at the close of the current biennium and the subsequent biennium by an amount greater than the revenue reduction resulting from the corresponding rate cuts defined in this paragraph, as estimated by the commissioner of revenue.

(b) Rate reductions under this subdivision resulting from a November forecast in an even-numbered year are effective for all taxable years beginning with the taxable year that begins one year after January 1 of the year immediately following the forecast year.

(c) Rate reductions under this subdivision resulting from a November forecast in an odd-numbered year are effective for all taxable years beginning with the taxable year that begins on January 1 of the year immediately following the forecast year.

(d) Reductions enacted under this subdivision shall not exceed one percentage point for each rate.

(e) Rate reductions under this subdivision shall occur before calculating any transfers to the budget reserve account under subdivision 1b, paragraph (b).

(f) The commissioner of revenue shall publish the new tax rates in the State Register as soon as is practicable. After the commissioner of revenue publishes the new tax rates in the State Register, the revisor of statutes must update the tax rates in sections 290.06, subdivisions 1 and 2c, 290.091, and 290.0921, in the next edition of Minnesota Statutes.

EFFECTIVE DATE. This section is effective July 1, 2018.

Sec. 2. Minnesota Statutes 2016, section 116J.8737, subdivision 5, is amended to read:

Subd. 5. **Credit allowed.** (a)(1) A qualified investor or qualified fund is eligible for a credit equal to 25 percent of the qualified investment in a qualified small business. Investments made by a pass-through entity qualify for a credit only if the entity is a qualified fund. The commissioner must not allocate more than ~~\$15,000,000~~ \$5,000,000 in credits to qualified investors or qualified funds for taxable years beginning after December 31, ~~2013~~ 2017, and before January 1, ~~2017~~, and ~~must not allocate more than \$10,000,000 in credits to qualified investors or qualified funds for taxable years beginning after December 31, 2016, and before January 1, 2018~~ 2019; and

(2) ~~for taxable years beginning after December 31, 2014, and before January 1, 2018~~, 50 percent must be allocated to credits for qualifying investments in qualified greater Minnesota businesses and minority- or women-owned qualified small businesses in Minnesota. Any portion of a taxable year's credits that is reserved for qualifying investments in greater Minnesota businesses and minority- or women-owned qualified small businesses in Minnesota that is not allocated by September 30 of the taxable year is available for allocation to other credit applications beginning on October 1. Any portion of a taxable year's credits that is not allocated by the commissioner does not cancel and may be carried forward to subsequent taxable years until all credits have been allocated.

(b) The commissioner may not allocate more than a total maximum amount in credits for a taxable year to a qualified investor for the investor's cumulative qualified investments as an individual qualified investor and as an investor in a qualified fund; for married couples filing joint returns the maximum is \$250,000, and for all other filers the maximum is \$125,000. The commissioner may not allocate more than a total of \$1,000,000 in credits over all taxable years for qualified investments in any one qualified small business.

(c) The commissioner may not allocate a credit to a qualified investor either as an individual qualified investor or as an investor in a qualified fund if, at the time the investment is proposed:

(1) the investor is an officer or principal of the qualified small business; or

(2) the investor, either individually or in combination with one or more members of the investor's family, owns, controls, or holds the power to vote 20 percent or more of the outstanding securities of the qualified small business.

A member of the family of an individual disqualified by this paragraph is not eligible for a credit under this section. For a married couple filing a joint return, the limitations in this paragraph apply collectively to the investor and spouse. For purposes of determining the ownership interest of an investor under this paragraph, the rules under section 267(c) and 267(e) of the Internal Revenue Code apply.

(d) Applications for tax credits for 2010 must be made available on the department's Web site by ~~September 1, 2010, and the department must begin accepting applications by September 1, 2010.~~ Applications for subsequent years must be made available by November 1 of the preceding year.

(e) Qualified investors and qualified funds must apply to the commissioner for tax credits. Tax credits must be allocated to qualified investors or qualified funds in the order that the tax credit request applications are filed with the department. The commissioner must approve or reject tax credit request applications within 15 days of receiving the application. The investment specified in the application must be made within 60 days of the allocation of the credits. If the investment is not made within 60 days, the credit allocation is canceled and available for reallocation. A qualified investor or qualified fund that fails to invest as specified in the application, within 60 days of allocation of the credits, must notify the commissioner of the failure to invest within five business days of the expiration of the 60-day investment period.

(f) All tax credit request applications filed with the department on the same day must be treated as having been filed contemporaneously. If two or more qualified investors or qualified funds file tax credit request applications on the same day, and the aggregate amount of credit allocation claims exceeds the aggregate limit of credits under this section or the lesser amount of credits that remain unallocated on that day, then the credits must be allocated among the qualified investors or qualified funds who filed on that day on a pro rata basis with respect to the amounts claimed. The pro rata allocation for any one qualified investor or qualified fund is the product obtained by multiplying a fraction, the numerator of which is the amount of the credit allocation claim filed on behalf of a qualified investor and the denominator of which is the total of all credit allocation claims filed on behalf of all applicants on that day, by the amount of credits that remain unallocated on that day for the taxable year.

(g) A qualified investor or qualified fund, or a qualified small business acting on their behalf, must notify the commissioner when an investment for which credits were allocated has been made, and the taxable year in which the investment was made. A qualified fund must also provide the commissioner with a statement indicating the amount invested by each investor in the qualified fund based on each investor's share of the assets of the qualified fund at the time of the qualified investment. After receiving notification that the investment was made, the commissioner must issue credit certificates for the taxable year in which the investment was made to the qualified investor or, for an investment made by a qualified fund, to each qualified investor who is an investor in the fund. The certificate must state that the credit is subject to revocation if the qualified investor or qualified fund does not hold the investment in the qualified small business for at least three years, consisting of the calendar year in which the investment was made and the two following years. The three-year holding period does not apply if:

(1) the investment by the qualified investor or qualified fund becomes worthless before the end of the three-year period;

(2) 80 percent or more of the assets of the qualified small business is sold before the end of the three-year period;

(3) the qualified small business is sold before the end of the three-year period;

(4) the qualified small business's common stock begins trading on a public exchange before the end of the three-year period; or

(5) the qualified investor dies before the end of the three-year period.

(h) The commissioner must notify the commissioner of revenue of credit certificates issued under this section.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2017.

Sec. 12. Minnesota Statutes 2016, section 290.0921, subdivision 3, is amended to read:

Subd. 3. **Alternative minimum taxable income.** "Alternative minimum taxable income" is Minnesota net income as defined in section 290.01, subdivision 19, and includes the adjustments and tax preference items in sections 56, 57, 58, and 59(d), (e), (f), and (h) of the Internal Revenue Code. If a corporation files a separate company Minnesota tax return, the minimum tax must be computed on a separate company basis. If a corporation is part of a tax group filing a unitary return, the minimum tax must be computed on a unitary basis. The following adjustments must be made.

(1) The portion of the depreciation deduction allowed for federal income tax purposes under section 168(k) of the Internal Revenue Code that is required as an addition under section 290.0133, subdivision 11, is disallowed in determining alternative minimum taxable income.

(2) The subtraction for depreciation allowed under section 290.0134, subdivision 13, is allowed as a depreciation deduction in determining alternative minimum taxable income.

(3) The alternative tax net operating loss deduction under sections 56(a)(4) and 56(d) of the Internal Revenue Code does not apply.

(4) The special rule for certain dividends under section 56(g)(4)(C)(ii) of the Internal Revenue Code does not apply.

(5) The tax preference for depletion under section 57(a)(1) of the Internal Revenue Code does not apply.

(6) The tax preference for tax exempt interest under section 57(a)(5) of the Internal Revenue Code does not apply.

(7) The tax preference for charitable contributions of appreciated property under section 57(a)(6) of the Internal Revenue Code does not apply.

(8) For purposes of calculating the adjustment for adjusted current earnings in section 56(g) of the Internal Revenue Code, the term "alternative minimum taxable income" as it is used in section 56(g) of the Internal Revenue Code, means alternative minimum taxable income as defined in this subdivision, determined without regard to the adjustment for adjusted current earnings in section 56(g) of the Internal Revenue Code.

(9) For purposes of determining the amount of adjusted current earnings under section 56(g)(3) of the Internal Revenue Code, no adjustment shall be made under section 56(g)(4) of the Internal Revenue Code with respect to (i) the amount of foreign dividend gross-up subtracted as provided in section 290.0134, subdivision 2, or (ii) the amount of refunds of income, excise, or franchise taxes subtracted as provided in section 290.0134, subdivision 8.

(11) The subtraction for disallowed section 280E expenses of medical cannabis manufacturers allowed under section 290.0134, subdivision 17, is allowed as a deduction in determining alternative minimum taxable income.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2017.

Sec. 13. Minnesota Statutes 2017 Supplement, section 290.17, subdivision 4, is amended to read:

Subd. 4. **Unitary business principle.** (a) If a trade or business conducted wholly within this state or partly within and partly without this state is part of a unitary business, the entire income of the unitary business is subject to apportionment pursuant to section 290.191. Notwithstanding subdivision 2, paragraph (c), none of the income of a unitary business is considered to be derived from any particular source and none may be allocated to a particular place except as provided by the applicable apportionment formula. The provisions of this subdivision do not apply to business income subject to subdivision 5, income of an insurance company, or income of an investment company determined under section 290.36.

(b) The term "unitary business" means business activities or operations which result in a flow of value between them. The term may be applied within a single legal entity or between multiple entities and without regard to whether each entity is a sole proprietorship, a corporation, a partnership or a trust.

(c) Unity is presumed whenever there is unity of ownership, operation, and use, evidenced by centralized management or executive force, centralized purchasing, advertising, accounting, or other controlled interaction, but the absence of these centralized activities will not necessarily evidence

a nonunitary business. Unity is also presumed when business activities or operations are of mutual benefit, dependent upon or contributory to one another, either individually or as a group.

(d) Where a business operation conducted in Minnesota is owned by a business entity that carries on business activity outside the state different in kind from that conducted within this state, and the other business is conducted entirely outside the state, it is presumed that the two business operations are unitary in nature, interrelated, connected, and interdependent unless it can be shown to the contrary.

(e) Unity of ownership does not exist when two or more corporations are involved unless more than 50 percent of the voting stock of each corporation is directly or indirectly owned by a common owner or by common owners, either corporate or noncorporate, or by one or more of the member corporations of the group. For this purpose, the term "voting stock" shall include membership interests of mutual insurance holding companies formed under section 66A.40.

(f) The net income and apportionment factors under section 290.191 or 290.20 of foreign corporations and other foreign entities, but excluding an insurance company as defined in section 290.01, subdivision 5b, that is also a disqualified captive insurance company, which are part of a unitary business shall not be included in the net income or the apportionment factors of the unitary business; except that the income and apportionment factors of a foreign entity, other than an entity treated as a C corporation for federal income tax purposes, that are included in the federal taxable income, as defined in section 63 of the Internal Revenue Code as amended through the date named in section 290.01, subdivision 19, of a domestic corporation, domestic entity, or individual must be included in determining net income and the factors to be used in the apportionment of net income pursuant to section 290.191 or 290.20. A foreign corporation or other foreign entity which is not included on a combined report and which is required to file a return under this chapter shall file on a separate return basis.

(g) For purposes of determining the net income of a unitary business and the factors to be used in the apportionment of net income pursuant to section 290.191 or 290.20, there must be included only the income and apportionment factors of domestic corporations or other domestic entities that are determined to be part of the unitary business pursuant to this subdivision, notwithstanding that foreign corporations or other foreign entities might be included in the unitary business; except that the income and apportionment factors of a foreign entity, other than an entity treated as a C corporation for federal income tax purposes, that is included in the federal taxable income, as defined in section 63 of the Internal Revenue Code as amended through the date named in section 290.01, subdivision 19, of a domestic corporation, domestic entity, or individual must be included in determining net income and the factors to be used in the apportionment of net income pursuant to section 290.191 or 290.20.

(h) Each corporation or other entity, except a sole proprietorship, that is part of a unitary business must file combined reports as the commissioner determines. On the reports, all intercompany transactions between entities included pursuant to paragraph (g) must be eliminated and the entire net income of the unitary business determined in accordance with this subdivision is apportioned among the entities by using each entity's Minnesota factors for apportionment purposes in the numerators of the apportionment formula and the total factors for apportionment purposes of all entities included pursuant to paragraph (g) in the denominators of the apportionment formula. Except as otherwise provided by paragraph (f), all sales of the unitary business made within this state

pursuant to section 290.191 or 290.20 must be included on the combined report of a corporation or other entity that is a member of the unitary business and is subject to the jurisdiction of this state to impose tax under this chapter.

(i) If a corporation has been divested from a unitary business and is included in a combined report for a fractional part of the common accounting period of the combined report:

(1) its income includable in the combined report is its income incurred for that part of the year determined by proration or separate accounting; and

(2) its sales, property, and payroll included in the apportionment formula must be prorated or accounted for separately.

(j) For purposes of this subdivision, "insurance company" means an insurance company, as defined in section 290.01, subdivision 5b, that is:

~~(1) licensed to engage in the business of insurance in Minnesota pursuant to chapter 60A; or~~

~~(2) domiciled and licensed to engage in the business of insurance in another state or country that imposes retaliatory taxes, fines, deposits, penalties, licenses, or fees and that does not grant, on a reciprocal basis, exemption from such retaliatory taxes to insurance companies or their agents domiciled in Minnesota.~~

~~(k) For purposes of this subdivision, "retaliatory taxes" means taxes imposed on insurance companies organized in another state or country that result from the fact that an insurance company organized in the taxing jurisdiction and doing business in the other jurisdiction is subject to taxes, fines, deposits, penalties, licenses, or fees in an amount exceeding that imposed by the taxing jurisdiction upon an insurance company organized in the other state or country and doing business to the same extent in the taxing jurisdiction not a disqualified captive insurance company.~~

EFFECTIVE DATE. This section is effective retroactively for taxable years beginning after December 31, 2016.

Sec. 14. Minnesota Statutes 2017 Supplement, section 291.016, subdivision 3, is amended to read:

(1) the exclusion amount for the year of death under paragraph (b); and

(2) the lesser of:

(i) the value of qualified small business property under section 291.03, subdivision 9, and the value of qualified farm property under section 291.03, subdivision 10; or

(c) The subtraction under this subdivision must not reduce the Minnesota taxable estate to less than zero.

EFFECTIVE DATE. This section is effective for estates of decedents dying after December 31, 2019.

Sec. 15. Minnesota Statutes 2017 Supplement, section 291.03, subdivision 1, is amended to read:

For purposes of this subdivision, an ownership interest includes the interest the decedent is deemed to own under ~~sections~~ section 2036, 2037, ~~and~~ 2038, 2040, or 2044 of the Internal Revenue Code.

(b) The amount of the additional tax equals the amount of the exclusion claimed by the estate under subdivision 8, paragraph (d), multiplied by 16 percent.

(c) The additional tax under this subdivision is due on the day which is six months after the date of the disposition or cessation in paragraph (a).

(d) The tax under this subdivision does not apply to the acquisition of title or possession of the qualified property by a federal, state, or local government unit, or any other entity with the power of eminent domain for a public purpose, as defined in section 117.025, subdivision 11, within the three-year holding period.

For the purposes of this paragraph, the "first tier of market value of class 4d property" means the market value of each housing unit up to the first tier limit. For the purposes of this paragraph, all class 4d property value must be assigned to individual housing units. The first tier limit is \$100,000 for assessment year 2014. For subsequent years, the limit is adjusted each year by the average statewide change in estimated market value of property classified as class 4a and 4d under this section for the previous assessment year, excluding valuation change due to new construction, rounded to the nearest \$1,000, provided, however, that the limit may never be less than \$100,000. Beginning with assessment year 2015, the commissioner of revenue must certify the limit for each assessment year by November 1 of the previous year.

EFFECTIVE DATE. This section is effective beginning with taxes payable in 2019.

Sec. 9. Minnesota Statutes 2017 Supplement, section 273.13, subdivision 34, is amended to read:

Subd. 34. **Homestead of disabled veteran or family caregiver.** (a) All or a portion of the market value of property owned by a veteran and serving as the veteran's homestead under this section is excluded in determining the property's taxable market value if the veteran has a service-connected disability of 70 percent or more as certified by the United States Department of Veterans Affairs. To qualify for exclusion under this subdivision, the veteran must have been honorably discharged from the United States armed forces, as indicated by United States Government Form DD214 or other official military discharge papers.

(b)(1) For a disability rating of 70 percent or more, \$150,000 of market value is excluded, except as provided in clause (2); and

(2) for a total (100 percent) and permanent disability, \$300,000 of market value is excluded.

(c) If a disabled veteran qualifying for a valuation exclusion under paragraph (b), clause (2), predeceases the veteran's spouse, and if upon the death of the veteran the spouse holds the legal or beneficial title to the homestead and permanently resides there, the exclusion shall carry over to the benefit of the veteran's spouse for the current taxes payable year and for eight additional taxes payable years or until such time as the spouse remarries, or sells, transfers, or otherwise disposes of the property, whichever comes first, except as otherwise provided in paragraph (n). Qualification

under this paragraph requires an application under paragraph (h), and a spouse must notify the assessor if there is a change in the spouse's marital status, ownership of the property, or use of the property as a permanent residence.

(d) If the spouse of a member of any branch or unit of the United States armed forces who dies due to a service-connected cause while serving honorably in active service, as indicated on United States Government Form DD1300 or DD2064, holds the legal or beneficial title to a homestead and permanently resides there, the spouse is entitled to the benefit described in paragraph (b), clause (2), for eight taxes payable years, or until such time as the spouse remarries or sells, transfers, or otherwise disposes of the property, whichever comes first, except as otherwise provided in paragraph (n).

(e) If a veteran meets the disability criteria of paragraph (a) but does not own property classified as homestead in the state of Minnesota, then the homestead of the veteran's primary family caregiver, if any, is eligible for the exclusion that the veteran would otherwise qualify for under paragraph (b).

(f) In the case of an agricultural homestead, only the portion of the property consisting of the house and garage and immediately surrounding one acre of land qualifies for the valuation exclusion under this subdivision.

(g) A property qualifying for a valuation exclusion under this subdivision is not eligible for the market value exclusion under subdivision 35, or classification under subdivision 22, paragraph (b).

(h) To qualify for a valuation exclusion under this subdivision a property owner must apply to the assessor by July 1 December 15 of the first assessment year for which the exclusion is sought. For an application received after July 1 December 15, the exclusion shall become effective for the following assessment year. Except as provided in paragraph (c), the owner of a property that has been accepted for a valuation exclusion must notify the assessor if there is a change in ownership of the property or in the use of the property as a homestead. When a property qualifying for a market value exclusion under this subdivision is sold or transferred, the exclusion must be removed for taxes payable in the following year, provided that the new owner may file a claim for an exclusion if eligible.

(i) A first-time application by a qualifying spouse for the market value exclusion under paragraph (d) must be made any time within two years of the death of the service member.

(j) For purposes of this subdivision:

(1) "active service" has the meaning given in section 190.05;

(2) "own" means that the person's name is present as an owner on the property deed;

(3) "primary family caregiver" means a person who is approved by the secretary of the United States Department of Veterans Affairs for assistance as the primary provider of personal care services for an eligible veteran under the Program of Comprehensive Assistance for Family Caregivers, codified as United States Code, title 38, section 1720G; and

(4) "veteran" has the meaning given the term in section 197.447.

(k) If a veteran dying after December 31, 2011, did not apply for or receive the exclusion under paragraph (b), clause (2), before dying, the veteran's spouse is entitled to the benefit under paragraph (b), clause (2), for eight taxes payable years or until the spouse remarries or sells, transfers, or otherwise disposes of the property, except as otherwise provided in paragraph (n), if:

(1) the spouse files a first-time application within two years of the death of the service member or by June 1, 2019, whichever is later;

(2) upon the death of the veteran, the spouse holds the legal or beneficial title to the homestead and permanently resides there;

(3) the veteran met the honorable discharge requirements of paragraph (a); and

(4) the United States Department of Veterans Affairs certifies that:

(i) the veteran met the total (100 percent) and permanent disability requirement under paragraph (b), clause (2); or

(ii) the spouse has been awarded dependency and indemnity compensation.

(l) The purpose of this provision of law providing a level of homestead property tax relief for gravely disabled veterans, their primary family caregivers, and their surviving spouses is to help ease the burdens of war for those among our state's citizens who bear those burdens most heavily.

(m) By July 1, the county veterans service officer must certify the disability rating and permanent address of each veteran receiving the benefit under paragraph (b) to the assessor.

(n) A spouse who received the benefit in paragraph (c), (d), or (k) but no longer holds the legal or beneficial title to the property may continue to receive the exclusion for a property other than the property for which the exclusion was initially granted until the spouse remarries or sells, transfers, or otherwise disposes of the property, provided that:

(1) the spouse applies under paragraph (h) for the continuation of the exclusion allowed under this paragraph;

(2) the spouse holds the legal or beneficial title to the property for which the continuation of the exclusion is sought under this paragraph and permanently resides there;

(3) the estimated market value of the property for which the exclusion is sought under this paragraph is less than or equal to the estimated market value of the property that first received the exclusion, based on the value of each property on the date of the sale of the property that first received the exclusion; and

(4) the spouse has not previously received the benefit under this paragraph for a property other than the property for which the exclusion is sought.

The exclusion for a spouse under this paragraph and paragraph (c), (d), or (k) may not exceed a total of eight taxes payable years.

EFFECTIVE DATE. This section is effective beginning with assessments in 2018, for taxes payable in 2019.

Sec. 10. Minnesota Statutes 2017 Supplement, section 275.025, subdivision 1, is amended to read:

Subdivision 1. **Levy amount.** (a) The state general levy is levied against commercial-industrial property and seasonal residential recreational property, as defined in this section. The state general levy for commercial-industrial property is \$784,590,000 for taxes payable in 2018 and thereafter. The state general levy for seasonal-recreational property is \$44,190,000 for taxes payable in 2018 and thereafter. The tax under this section is not treated as a local tax rate under section 469.177 and is not the levy of a governmental unit under chapters 276A and 473F.

(b) The commissioner shall increase or decrease the preliminary or final rate for a year as necessary to account for errors and tax base changes that affected a preliminary or final rate for either of the two preceding years. Adjustments are allowed to the extent that the necessary information is available to the commissioner at the time the rates for a year must be certified, and for the following reasons:

(1) an erroneous report of taxable value by a local official;

(2) an erroneous calculation by the commissioner; and

(3) an increase or decrease in taxable value for commercial-industrial or seasonal residential recreational property reported on the abstracts of tax lists submitted under section 275.29 that was not reported on the abstracts of assessment submitted under section 270C.89 for the same year.

The commissioner may, but need not, make adjustments if the total difference in the tax levied for the year would be less than \$100,000.

(c) Each year, the commissioner must reduce the state commercial-industrial levy under paragraph (a) by the amount of state general tax that would be paid by property defined in subdivision 2, paragraph (c), if it were not exempt.

EFFECTIVE DATE. This section is effective beginning with taxes payable in 2020.

Sec. 11. Minnesota Statutes 2017 Supplement, section 275.025, subdivision 2, is amended to read:

Subd. 2. **Commercial-industrial tax capacity.** (a) For the purposes of this section, "commercial-industrial tax capacity" means the tax capacity of all taxable property classified as class 3 or class 5(1) under section 273.13, excluding:

(1) the tax capacity attributable to the first \$100,000 of market value of each parcel of commercial-industrial property as defined under section 273.13, subdivision 24, clauses (1) and (2);

(2) electric generation attached machinery under class 3; ~~and~~

(3) property described in section 473.625; and

(4) property described in paragraph (c).

(b) County commercial-industrial tax capacity amounts are not adjusted for the captured net tax capacity of a tax increment financing district under section 469.177, subdivision 2, the net tax capacity of transmission lines deducted from a local government's total net tax capacity under section 273.425, or fiscal disparities contribution and distribution net tax capacities under chapter 276A or 473F. For purposes of this subdivision, the procedures for determining eligibility for tier 1 under section 273.13, subdivision 24, clauses (1) and (2), shall apply in determining the portion of a property eligible to be considered within the first \$100,000 of market value.

(c) Personal property that is part of an intrastate natural gas transportation or distribution pipeline system is exempt from the tax imposed under this section if:

(1) construction of the pipeline system began after January 1, 2018; and

(2) the property is located in an area:

(i) outside the seven-county metropolitan area, as defined in section 473.121, subdivision 3; and

(ii) in which households or businesses lacked access to natural gas distribution systems as of January 1, 2018.

The exemption under this paragraph applies for a period not to exceed 12 years, provided that once a property no longer qualifies, it may not subsequently qualify for the exemption under this paragraph.

EFFECTIVE DATE. This section is effective beginning with taxes payable in 2020.

Sec. 13. Minnesota Statutes 2017 Supplement, section 290A.03, subdivision 13, is amended to read:

Subd. 13. **Property taxes payable.** "Property taxes payable" means the property tax exclusive of special assessments, penalties, and interest payable on a claimant's homestead after deductions made under sections 273.135, 273.1384, 273.1391, 273.42, subdivision 2, and any other state paid

property tax credits in any calendar year, and after any refund claimed and allowable under section 290A.04, subdivision 2h, that is first payable in the year that the property tax is payable. In the case of a claimant who makes ground lease payments, "property taxes payable" includes the amount of the payments directly attributable to the property taxes assessed against the parcel on which the house is located. Regardless of the limitations in section 280A(c)(5) of the Internal Revenue Code, "property taxes payable" must be apportioned or reduced for the use of a portion of the claimant's homestead for a business purpose if the claimant deducts any business depreciation expenses for the use of a portion of the homestead or deducts expenses under section 280A of the Internal Revenue Code for a business operated in the claimant's homestead. For homesteads which are manufactured homes as defined in section 273.125, subdivision 8, ~~and for homesteads which are including~~ manufactured homes located in a manufactured home community owned by a cooperative organized under chapter 308A or 308B, and park trailers taxed as manufactured homes under section 168.012, subdivision 9, "property taxes payable" shall also include 17 percent of the gross rent paid in the preceding year for the site on which the homestead is located. When a homestead is owned by two or more persons as joint tenants or tenants in common, such tenants shall determine between them which tenant may claim the property taxes payable on the homestead. If they are unable to agree, the matter shall be referred to the commissioner of revenue whose decision shall be final. Property taxes are considered payable in the year prescribed by law for payment of the taxes.

In the case of a claim relating to "property taxes payable," the claimant must have owned and occupied the homestead on January 2 of the year in which the tax is payable and (i) the property must have been classified as homestead property pursuant to section 273.124, on or before December 15 of the assessment year to which the "property taxes payable" relate; or (ii) the claimant must provide documentation from the local assessor that application for homestead classification has been made on or before December 15 of the year in which the "property taxes payable" were payable and that the assessor has approved the application.

EFFECTIVE DATE. This section is effective beginning with claims for taxes payable in 2019.

Sec. 14. **[2990.01] FIRE PROTECTION SPECIAL TAXING DISTRICTS.**

Subdivision 1. **Definitions.** (a) For purposes of this section, the following terms have the meanings given unless the context clearly requires otherwise.

(b) "City" means a statutory or home rule charter city.

(c) "Governing body" means for a city, its city council; for a county, its county board; and for a town, the board of supervisors.

(d) "Political subdivision" means a county, a city, or a township organized to provide town government.

Subd. 2. **Authority to establish.** (a) Two or more political subdivisions may establish, by resolution of their governing bodies, a special taxing district to provide fire protection or emergency medical services or both in the area of the district, comprising the jurisdiction of each of the political subdivisions forming the district. For a county that participates in establishing a district, the county's jurisdiction comprises the unorganized territory of the county that it designates in its resolution for inclusion in the district. The area of the special taxing district does not need to be contiguous or its boundaries continuous.

(b) Before establishing a district under this section, the participating political subdivisions must enter an agreement that specifies how any liabilities, other than debt issued under subdivision 6, and assets of the district will be distributed if the district is dissolved. The agreement may also include other terms, including a method for apportioning the levy of the district among participating political subdivisions under subdivision 4, paragraph (b), as the political subdivisions determine appropriate. The agreement must be adopted no later than upon passage of the resolution establishing the district under paragraph (a), but may be later amended by agreement of each of the political subdivisions participating in the district.

Subd. 3. **Board.** The special taxing district established under this section is governed by a board made up initially of representatives of each participating political subdivision in the proportions set out in the establishing resolution, subject to change as provided in the district's charter, if any, or in the district's bylaws. Each participating political subdivision's representative must be an elected member of the governing body of the political subdivision and serves at the pleasure of that participant's governing body.

Subd. 4. **Property tax levy.** (a) The board may levy a tax on the taxable real and personal property in the district. The tax levy may not exceed 0.096 percent of the estimated market value of the district, or \$1,100,000, whichever is less. The proceeds of the levy must be used as provided in subdivision 5. The board shall certify the levy at the times provided under section 275.07. The board shall provide the county with whatever information is necessary to identify the property that is located within the district. If the boundaries include a part of a parcel, the entire parcel is included in the district. The county auditors must spread, collect, and distribute the proceeds of the tax at the same time and in the same manner as provided by law for all other property taxes.

(b) As an alternative to paragraph (a), the board may apportion its levy among the political subdivisions that are members of the district under a formula or method, such as population, number of service calls, cost of providing service, the market value of improvements, or other measure or measures, that was approved by the governing body of each of the political subdivisions that is a member of the district. The amount of the levy allocated to each political subdivision must be added to that political subdivision's levy and spread at the same time and in the same manner as provided by law for other taxes. The proceeds of the levy must be collected and remitted to the district and used as provided in subdivision 5.

Subd. 5. **Use of levy proceeds.** The proceeds of property taxes levied under this section must be used to provide fire protection or emergency medical services to residents of the district and property located in the district, as well as to pay debt issued under subdivision 6. Services may be provided by employees of the district or by contracting for services provided by other governmental or private entities.

Subd. 6. **Debt.** (a) The district may incur debt under chapter 475 when the board determines doing so is necessary to accomplish its duties.

(b) In addition, the board of the district may issue certificates of indebtedness or capital notes under section 412.301 to purchase capital equipment. In applying section 412.301, paragraph (e), to the district the following rules apply:

(1) the taxable property of the entire district must be used to calculate the percent of estimated market value; and

(2) "the number of voters at the last municipal election" means the sum of the number of voters at the last municipal election for each of the cities that is a member of the district plus the number of registered voters in each town that is a participating member of the district.

Subd. 7. **Powers.** (a) In addition to authority expressly granted in this section, a special taxing district may exercise any power that may be exercised by any of its participating political subdivisions and that is necessary or reasonable to support the services set out in subdivision 5. The district may only levy the taxes authorized in subdivision 4. These powers include, without limitation, the authority to participate in state programs and to enforce or carry out state laws related to fire protection or emergency medical services, including programs providing state aid, reimbursement or funding of employee benefits, authorizing local enforcement of state standards, and similar authority. These include but are not limited to fire protection related programs and political subdivision powers or responsibilities under chapters 299A and 424A; sections 6.495, 69.011, and 353.64; and any administrative rules related to the fire code.

(b) To the extent that the district's authority under this subdivision overlaps with or may conflict with the authority of the participating political subdivision, the agreement under subdivision 2, paragraph (b), must provide for allocation of those powers or responsibilities between the participating political subdivisions and the district and may provide for resolution of conflicts in the exercise of those powers.

Subd. 8. **Additions and withdrawals.** (a) Additional eligible political subdivisions may be added to a special taxing district under this section as provided by the board of the district and agreed to in a resolution of the governing body of the political subdivision proposed to be added.

(b) A political subdivision may withdraw from a special taxing district under this section by resolution of its governing body. The political subdivision must notify the board of the special taxing district of the withdrawal by providing a copy of the resolution at least two years in advance of the proposed withdrawal. The taxable property of the withdrawing member is subject to the property tax levy under subdivision 4 for the two taxes payable years following the notice of the withdrawal, unless the board and the withdrawing member agree otherwise by a resolution adopted by each of their governing bodies. If a political subdivision withdraws from a district for which debt was issued under subdivision 6 when the political subdivision was a participating member of the district and which is outstanding when the political subdivision withdraws from the district, the taxable property of the withdrawing political subdivision remains subject to the special taxing district debt levy until that outstanding debt has been paid or defeased. If the district's property levy to repay the debt was apportioned among the political subdivisions under an alternative formula or method under subdivision 4, paragraph (b), the withdrawing political subdivision is subject to the same percentage of the debt levy as applied in the taxes payable year immediately before its withdrawal from the district.

(c) Notwithstanding subdivision 2, a special taxing district comprised of two political subdivisions continues to exist even if one of the political subdivisions withdraws.

Subd. 9. **Dissolution.** The special taxing district may be dissolved by resolution approved by majority vote of the board. If the special taxing district is dissolved, the assets and liabilities may be assigned to a successor entity, if any, or otherwise disposed of for public purposes as provided in the agreement adopted under subdivision 2, paragraph (b), or otherwise agreed to by the participating political subdivisions. A district may not be dissolved until all debt issued under subdivision 6 has been paid or defeased.

EFFECTIVE DATE. This section is effective the day following final enactment.

Subd. 3. **Administration.** (a) Subject to funds made available by law, the commissioner shall allocate all funds as provided in subdivision 4 and shall ~~notify, by June 1, certify to~~ the commissioner of revenue the amounts to be paid.

(b) Following ~~notification~~ certification from the commissioner ~~of transportation~~, the commissioner of revenue shall distribute the specified funds to cities in the same manner as local government aid under chapter 477A. (c) Notwithstanding other law to the contrary, in order to receive distributions under this section, a city must conform to the standards in section 477A.017, subdivision 2. Sec. 2. Minnesota Statutes 2016, section 270.41, subdivision 3, is amended to read:

Subd. 3. **Assessor sanctions; refusal to license.** (a) Following a recommendation from the commissioner of revenue, the board may (i) refuse to grant or renew, or may suspend or revoke, a license of an applicant or licensee, or (ii) censure, warn, or fine any licensed assessor, or any other person employed by an assessment jurisdiction or contracting with an assessment jurisdiction for the purpose of valuing or classifying property for property tax purposes, for any of the following causes or acts:

(1) failure to complete required training;

(2) inefficiency or neglect of duty;

(3) failure to comply with the Code of Conduct and Ethics for Licensed Minnesota Assessors adopted by the board pursuant to Laws 2005, First Special Session chapter 3, article 1, section 38;

(4) conviction of a crime involving moral turpitude;

(5) failure to faithfully and fully perform his or her duties through malfeasance, misfeasance, or nonfeasance; or

(b) When appropriate for the level of infraction, a written warning must be given to assessors who have no prior identified infractions. The warning must identify the infraction and, as appropriate, detail future expectations of performance and behavior. Fines must not exceed \$1,000 for the first occurrence and must not exceed \$3,000 for each occurrence thereafter, and suspensions must not

exceed one year for each occurrence, depending in each case upon the severity of the infraction and the level of negligence or intent. The commissioner of revenue shall give notice to an applicant or licensee of the commissioner's recommendation that the board impose sanctions or refuse to grant or renew a license. An action by the board to impose a ~~sanction~~ fine, to suspend or revoke a license, or to refuse to grant or renew a license is subject to review in a contested case hearing under chapter 14. A licensee must submit a request for a hearing to the board within 30 days of the notice date of the commissioner's recommendation for sanctions or for refusal to grant or renew a license.

EFFECTIVE DATE. This section is effective for sanctions or refusals to grant or renew a license recommended by the commissioner of revenue after June 30, 2018.

Sec. 3. Minnesota Statutes 2017 Supplement, section 272.115, subdivision 1, is amended to read:

Subdivision 1. **Requirement.** Except as otherwise provided in subdivision 5, 6, or 7, whenever any real estate is sold for a consideration in excess of ~~\$1,000~~ \$3,000, whether by warranty deed, quitclaim deed, contract for deed or any other method of sale, the grantor, grantee or the legal agent of either shall file a certificate of value with the county auditor in the county in which the property is located when the deed or other document is presented for recording. Contract for deeds are subject to recording under section 507.235, subdivision 1. Value shall, in the case of any deed not a gift, be the amount of the full actual consideration thereof, paid or to be paid, including the amount of any lien or liens assumed. The items and value of personal property transferred with the real property must be listed and deducted from the sale price. The certificate of value shall include the classification to which the property belongs for the purpose of determining the fair market value of the property, and shall include any proposed change in use of the property known to the person filing the certificate that could change the classification of the property. The certificate shall include financing terms and conditions of the sale which are necessary to determine the actual, present value of the sale price for purposes of the sales ratio study. If the property is being acquired as part of a like-kind exchange under section 1031 of the Internal Revenue Code of 1986, as amended through December 31, 2006, that must be indicated on the certificate. The commissioner of revenue shall promulgate administrative rules specifying the financing terms and conditions which must be included on the certificate. The certificate of value must include the Social Security number or the federal employer identification number of the grantors and grantees. However, a married person who is not an owner of record and who is signing a conveyance instrument along with the person's spouse solely to release and convey their marital interest, if any, in the real property being conveyed is not a grantor for the purpose of the preceding sentence. A statement in the deed that is substantially in the following form is sufficient to allow the county auditor to accept a certificate for filing without the Social Security number of the named spouse: "(Name) claims no ownership interest in the real property being conveyed and is executing this instrument solely to release and convey a marital interest, if any, in that real property." The identification numbers of the grantors and grantees are private data on individuals or nonpublic data as defined in section 13.02, subdivisions 9 and 12, but, notwithstanding that section, the private or nonpublic data may be disclosed to the commissioner of revenue for purposes of tax administration. The information required to be shown on the certificate of value is limited to the information required as of the date of the acknowledgment on the deed or other document to be recorded.

EFFECTIVE DATE. This section is effective for certificates of value filed after December 31, 2018.

Sec. 4. Minnesota Statutes 2016, section 287.21, subdivision 1, is amended to read:

Subdivision 1. **Determination of tax.** (a) A tax is imposed on each deed or instrument by which any real property in this state is granted, assigned, transferred, or otherwise conveyed. The tax applies against the net consideration. For purposes of the tax, the conversion of a corporation to a limited liability company, a limited liability company to a corporation, a partnership to a limited partnership, a limited partnership to another limited partnership or other entity, or a similar conversion of one entity to another does not grant, assign, transfer, or convey real property.

(b) The tax is determined in the following manner: (1) when transfers are made by instruments pursuant to (i) consolidations or mergers, or (ii) designated transfers, the tax is \$1.65; (2) when there is no consideration or when the consideration, exclusive of the value of any lien or encumbrance remaining thereon at the time of sale, is ~~\$500~~ \$3,000 or less, the tax is \$1.65; or (3) when the consideration, exclusive of the value of any lien or encumbrance remaining at the time of sale, exceeds ~~\$500~~ \$3,000, the tax is .0033 of the net consideration.

(c) If, within six months from the date of a designated transfer, an ownership interest in the grantee entity is transferred by an initial owner to any person or entity with the result that the designated transfer would not have been a designated transfer if made to the grantee entity with its subsequent ownership, then a tax is imposed at .0033 of the net consideration for the designated transfer. If the subsequent transfer of ownership interests was reasonably expected at the time of the designated transfer, the applicable penalty under section 287.31, subdivision 1, must be paid. The deed tax imposed under this paragraph is due within 30 days of the subsequent transfer that caused the tax to be imposed under this paragraph. Involuntary transfers of ownership shall not be considered transfers of ownership under this paragraph. The commissioner may adopt rules defining the types of transfers to be considered involuntary.

(d) The tax is due at the time a taxable deed or instrument is presented for recording, except as provided in paragraph (c). The commissioner may require the tax to be documented in a manner prescribed by the commissioner, and may require that the documentation be attached to and recorded as part of the deed or instrument. The county recorder or registrar of titles shall accept the attachment for recording as part of the deed or instrument and may not require, as a condition of recording a deed or instrument, evidence that a transfer is a designated transfer in addition to that required by the commissioner. Such an attachment shall not, however, provide actual or constructive notice of the information contained therein for purposes of determining any interest in the real property. The commissioner shall prescribe the manner in which the tax due under paragraph (c) is to be paid and may require grantees of designated transfers to file with the commissioner subsequent statements verifying that the tax provided under paragraph (c) does not apply.

EFFECTIVE DATE. This section is effective for deeds recorded after December 31, 2018.

(2) notify each of its direct partners of their distributive share of the adjustments;

(3) file an amended composite report for all direct partners who were included in a composite return under section 289A.08, subdivision 7, in the reviewed year, and pay the additional amount that would have been due had the federal adjustments been reported properly as required; and

(4) file amended withholding reports for all direct partners who were or should have been subject to nonresident withholding under section 290.92, subdivision 4b, in the reviewed year, and pay the additional amount that would have been due had the federal adjustments been reported properly as required.

(c) No later than 180 days after the final determination date, each direct partner, other than a tiered partner, who is subject to a tax administered under this chapter, other than the sales tax, must:

(1) file a federal adjustment report reporting their distributive share of the adjustments reported to them under paragraph (b), clause (2); and

(2) pay any additional amount of tax due as if the final federal adjustment had been properly reported, plus any penalty and interest due under this chapter, and less any credit for related amounts paid or withheld and remitted on behalf of the direct partner under paragraph (b), clauses (3) and (4).

Subd. 3. **Election; partnership or tiered partners pay.** (a) An audited partnership may make an election under this subdivision to pay its assessment at the entity level. If an audited partnership makes an election to pay its assessment at the entity level it must:

(1) no later than 90 days after the final determination date, file a completed federal adjustment report, including the residency information for all individual partners, both direct and indirect, and information pertaining to all other partners as prescribed by the commissioner, and notify the commissioner that it is making the election under this subdivision; and

(2) no later than 180 days after the final determination date, pay an amount, determined as follows, in lieu of taxes on partners:

(i) exclude from final federal adjustments and any positive reallocation adjustments the distributive share of these adjustments made to an exempt partner that is not unrelated business taxable income;

(ii) exclude from final federal adjustments and any positive reallocation adjustments the distributive share of these adjustments made to a partner that has filed a federal adjustment report and paid the applicable tax, as required under subdivision 2, for the distributive share of adjustments reported on a federal return under section 6225(c) of the Internal Revenue Code;

(iii) allocate at the partner level using section 290.17, subdivision 1, all final federal adjustments and positive reallocation adjustments attributable to resident partners, both direct and indirect, for the reviewed year;

(iv) allocate and apportion at the partnership level using sections 290.17 to 290.20 all remaining final federal adjustments and positive reallocation adjustments for the reviewed year;

(v) determine the total distributive share of the allocated and apportioned final federal adjustments and positive reallocation adjustments determined in items (iii) and (iv) that are attributable to:

(A) resident partners;

(B) corporate partners and exempt partners; and

(C) the total distributive share amount allocated to all other partners;

(vi) for the total distributive share of net final federal adjustments plus positive reallocation adjustments attributed to corporate partners and exempt partners under item (v), subitem (B), multiply the total by the highest tax rate in section 290.06, subdivision 1, for the reviewed year, and calculate interest and penalties as applicable under this chapter;

(vii) for the total distributive share of net final federal adjustments plus positive reallocation adjustments attributable to resident partners, and all other partners under item (v), subitems (A) and (C), multiply the total by the highest tax rate in section 290.06, subdivision 2c, for the reviewed year, and calculate interest and penalties as applicable under this chapter; and

(viii) add the amount determined in item (vi) to the amount determined in item (vii), and pay all applicable taxes, penalties, and interest to the commissioner.

(b) An audited partnership may not make an election under this subdivision to report:

(1) a federal adjustment, including a positive reallocation adjustment, that results in unitary business income to a corporate partner required to file as a member of a combined report under section 290.17, subdivision 4; or

(2) any final federal adjustments resulting from an administrative adjustment request.

Subd. 4. Tiered partners and indirect partners. (a) Each tiered partner and each indirect partner of an audited partnership that reported final federal adjustments pursuant to subdivision 2, paragraph (b), clause (1), or this subdivision, must:

(1) within 90 days of the report comply with the filing, reporting, and payment requirements of subdivision 2, paragraph (b); or

(2) make the election under subdivision 3 as though it were the audited partnership.

(b) Each direct partner in a partnership making a report under paragraph (a) must, within 180 days of the report, comply with the filing, reporting, and payment requirements of subdivision 2, paragraph (c).

(c) Notwithstanding the interim time requirements in this subdivision and subdivisions 2 and 3, all reports and payments required to be made by the tiered and indirect partners under this section are required to be made within 90 days after the time for the filing and furnishing of statements to tiered partners and their partners as established by the Internal Revenue Service under section 6226 of the Internal Revenue Code.

Subd. 5. Effects of election by partnership or tiered partner and payment of amount due.

(a) Unless the commissioner determines otherwise, the election under subdivision 3 is irrevocable.

(b) If an audited partnership or tiered partner properly reports and pays an amount determined in subdivision 3, the amount will be treated as paid in lieu of taxes owed by the partnership's direct partners on the same final federal adjustments. The direct partners and indirect partners of the partnership who are not resident partners may not take any deduction or credit for this amount or claim a refund of the amount in this state.

(c) Nothing in this subdivision precludes resident partners from claiming a credit against taxes paid under section 290.06, on any amounts paid by the audited partnership or tiered partners on the resident partner's behalf to another state or local tax jurisdiction.

Subd. 6. Failure of partnership or tiered partner to report or pay. Nothing in this section prevents the commissioner from assessing partners or indirect partners for taxes they owe in the event that, for any reason, a partnership or tiered partner fails to timely make any report or payment required by this section.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2017, except that for partnerships that make an election under Code of Federal Regulations, title 26, section 301.9100-22T, this section is effective retroactively and applies to the same tax periods to which the election relates.

The report must be submitted within 180 days after the final determination and must be in the form of either an amended Minnesota estate, withholding tax, corporate franchise tax, or income tax return conceding the accuracy of the federal determination or a letter detailing how the federal determination is incorrect or does not change the Minnesota tax. An amended

Minnesota income tax return must be accompanied by an amended property tax refund return, if necessary. A taxpayer filing an amended federal tax return must also file a copy of the amended return with the commissioner of revenue within 180 days after filing the amended return.

(b) For the purposes of paragraph (a), a change or correction includes any case where a taxpayer reaches a closing agreement or a compromise with the Internal Revenue Service under section 7121 or 7122 of the Internal Revenue Code.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 2. Minnesota Statutes 2017 Supplement, section 290.0137, is amended to read:

290.0137 ACCELERATED RECOGNITION OF CERTAIN INSTALLMENT SALE GAINS.

(a) In the case of a nonresident individual or a person who becomes a nonresident individual during the tax year, taxable net income shall include the ~~allocable~~ amount realized upon a sale of the assets of, or any interest in, an S corporation or partnership that operated in Minnesota during the year of sale, including any income or gain to be recognized in future years pursuant to an installment sale method of reporting under the Internal Revenue Code.

(2) For the purposes of this section, "realized" has the meaning given in section 1001(b) of the Internal Revenue Code.

(3) For the purposes of this section, "installment sale" means any installment sale under section 453 of the Internal Revenue Code and any other sale that is reported utilizing a method of accounting authorized under subchapter E of the Internal Revenue Code that allows taxpayers to delay reporting or recognizing a realized gain until a future year.

~~(4) For the purposes of this section, "allocable amount" means the full amount to be apportioned to Minnesota under section 290.191 or 290.20, or the full amount to be assigned to Minnesota under section 290.17.~~

(b) Notwithstanding paragraph (a), nonresident taxpayers may elect to defer recognizing unrecognized installment sale gains by making an election under this paragraph. The election must be filed on a form to be determined or prescribed by the commissioner and must be filed by the due date of the individual income tax return, including any extension. Electing taxpayers must make an irrevocable agreement to:

(1) file Minnesota tax returns in all subsequent years when gains from the installment sales are recognized and reported to the Internal Revenue Service;

(2) allocate gains to the state of Minnesota as though the gains were realized in the year of sale under section 290.17, 290.191, or 290.20; and

(3) include all relevant federal tax documents reporting the installment sale with subsequent Minnesota tax returns.

(c) Income or gain recognized for Minnesota purposes pursuant to paragraph (a) must be excluded from taxable net income in any future year that the taxpayer files a Minnesota tax return to the extent that the income or gain has already been subject to tax pursuant to paragraph (a).

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 3. Minnesota Statutes 2016, section 290.06, subdivision 2c, is amended to read:

- (2) On all over \$35,480, but not over \$140,960, 7.05 percent;

- (4) On all over \$200,000, 9.85 percent.

(d) In lieu of a tax computed according to the rates set forth in this subdivision, the tax of any individual taxpayer whose taxable net income for the taxable year is less than an amount determined by the commissioner must be computed in accordance with tables prepared and issued by the commissioner of revenue based on income brackets of not more than \$100. The amount of tax for each bracket shall be computed at the rates set forth in this subdivision, provided that the commissioner may disregard a fractional part of a dollar unless it amounts to 50 cents or more, in which case it may be increased to \$1.

(e) An individual who is not a Minnesota resident for the entire year must compute the individual's Minnesota income tax as provided in this subdivision. After the application of the nonrefundable credits provided in this chapter, the tax liability must then be multiplied by a fraction in which:

Subd. 2d. **Inflation adjustment of brackets.** (a) For taxable years beginning after December 31, 2013, the minimum and maximum dollar amounts for each rate bracket for which a tax is imposed in subdivision 2c shall be adjusted for inflation by the percentage determined under paragraph (b). For the purpose of making the adjustment as provided in this subdivision all of the rate brackets provided in subdivision 2c shall be the rate brackets as they existed for taxable years beginning after December 31, 2012, and before January 1, 2014. The rate applicable to any rate bracket must not be changed. The dollar amounts setting forth the tax shall be adjusted to reflect the changes in the rate brackets. (b) The commissioner shall adjust the rate brackets and by the percentage determined pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section 1(f)(3)(B) the word "2012" shall be substituted for the word "1992." For 2014, the commissioner shall then determine the percent change from the 12 months ending on August 31, 2012, to the 12 months ending on August 31, 2013, and in each subsequent year, from the 12 months ending on August 31, 2012, to the 12 months ending on August 31 of the year preceding the taxable year. The commissioner shall determine the rate bracket for married filing separate returns after this adjustment is done. The rate bracket for married filing separate must be one-half of the rate bracket for married filing joint. The determination of the commissioner pursuant to this subdivision shall not be considered a "rule" and shall not be subject to the Administrative Procedure Act contained in chapter 14.

No later than December 15 of each year, the commissioner shall announce the specific percentage that will be used to adjust the tax rate brackets.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2017.

For purposes of the provisions of this section, a payment to any person which is subject to withholding under this subdivision must be treated as if the payment was a wage paid by an employer to an employee. Every individual who is to receive a payment which is subject to withholding under this subdivision shall furnish the license holder with a statement, made under the penalties of perjury, containing the name, address, and Social Security account number of the person receiving the payment. No withholding is required if the individual presents a signed certificate from the individual's employer which states that the individual is an employee of that employer. A nonresident individual who holds a class C license must be treated as an athlete for purposes of applying the provisions of subdivision 4a and section 290.17, subdivision 2(1)(b)(ii)(a)(2)(ii).

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 6. Minnesota Statutes 2017 Supplement, section 462D.03, subdivision 2, is amended to read:

The account holder may be the qualified beneficiary. The account holder may change the designated qualified beneficiary at any time, but no more than one qualified beneficiary may be designated for an account at any one time. For purposes of the one beneficiary restriction, a married couple qualifies as one beneficiary. Changing the designated qualified beneficiary of an account does not affect computation of the ten-year period under section 462D.06, subdivision 2.

(b) The commissioner shall establish a process for account holders to notify the state that permits recording of the account, the account holder or holders, any transfers under section 462D.04, subdivision 2, and the designated qualified beneficiary for each account. (1) an erroneous report of taxable value by a local official;

(2) an erroneous calculation by the commissioner; and

(3) an increase or decrease in taxable value for commercial-industrial or seasonal residential recreational property reported ~~on the abstracts of tax lists submitted under section 275.29 that was not reported on the abstracts of assessment submitted under section 270C.89~~ to the commissioner under section 270C.85, subdivision 2, clause (4), for the same year.

The commissioner may, but need not, make adjustments if the total difference in the tax levied for the year would be less than \$100,000.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 18. Minnesota Statutes 2016, section 290B.09, subdivision 1, is amended to read:

Subdivision 1. **Determination; payment.** The county auditor shall determine the total current year's deferred amount of property tax under this chapter in the county, and ~~submit report~~ those amounts ~~as part of the abstracts of tax lists submitted by the county auditors under section 275.29~~ to the commissioner under section 270C.85, subdivision 2, clause (4). The commissioner may make ~~changes in the abstracts of tax lists~~ as deemed necessary. The commissioner of revenue, after such review, shall pay the deferred amount of property tax to each county treasurer on or before August 31.

The county treasurer shall distribute as part of the October settlement the funds received as if they had been collected as a part of the property tax.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 19. Minnesota Statutes 2016, section 469.177, subdivision 1, is amended to read:

Subdivision 1. **Original net tax capacity.** (a) Upon or after adoption of a tax increment financing plan, the auditor of any county in which the district is situated shall, upon request of the authority, certify the original net tax capacity of the tax increment financing district and that portion of the district overlying any subdistrict as described in the tax increment financing plan and shall certify in each year thereafter the amount by which the original net tax capacity has increased or decreased as a result of a change in tax exempt status of property within the district and any subdistrict, reduction or enlargement of the district or changes pursuant to subdivision 4. The auditor shall certify the amount within 30 days after receipt of the request and sufficient information to identify the parcels included in the district. The certification relates to the taxes payable year as provided in subdivision 6.

(b) If the classification under section 273.13 of property located in a district changes to a classification that has a different assessment ratio, the original net tax capacity of that property must be redetermined at the time when its use is changed as if the property had originally been classified in the same class in which it is classified after its use is changed.

(c) The amount to be added to the original net tax capacity of the district as a result of previously tax exempt real property within the district becoming taxable equals the net tax capacity of the real property as most recently assessed pursuant to ~~section 273.18~~ information reported to the commissioner under section 270C.85, subdivision 2, clause (4), or, if that assessment was made more than one year prior to the date of title transfer rendering the property taxable, the net tax capacity assessed by the assessor at the time of the transfer. If improvements are made to tax exempt property after the municipality approves the district and before the parcel becomes taxable, the assessor shall, at the request of the authority, separately assess the estimated market value of the improvements. If the property becomes taxable, the county auditor shall add to original net tax capacity, the net tax capacity of the parcel, excluding the separately assessed improvements. If substantial taxable improvements were made to a parcel after certification of the district and if the property later becomes tax exempt, in whole or part, as a result of the authority acquiring the property through foreclosure or exercise of remedies under a lease or other revenue agreement or as a result of tax forfeiture, the amount to be added to the original net tax capacity of the district as a result of the property again becoming taxable is the amount of the parcel's value that was included in original net tax capacity when the parcel was first certified. The amount to be added to the original net tax capacity of the district as a result of enlargements equals the net tax capacity of the added real property as most recently certified by the commissioner of revenue as of the date of modification of the tax increment financing plan pursuant to section 469.175, subdivision 4.

(d) If the net tax capacity of a property increases because the property no longer qualifies under the Minnesota Agricultural Property Tax Law, section 273.111; the Minnesota Open Space Property Tax Law, section 273.112; or the Metropolitan Agricultural Preserves Act, chapter 473H, the Rural Preserve Property Tax Program under section 273.114, or because platted, unimproved property is improved or market value is increased after approval of the plat under section 273.11, subdivision 14a or 14b, the increase in net tax capacity must be added to the original net tax capacity. If the net tax capacity of a property increases because the property no longer qualifies for the homestead market value exclusion under section 273.13, subdivision 35, the increase in net tax capacity must be added to original net tax capacity if the original construction of the affected home was completed before the date the assessor certified the original net tax capacity of the district.

(e) The amount to be subtracted from the original net tax capacity of the district as a result of previously taxable real property within the district becoming tax exempt or qualifying in whole or part for an exclusion from taxable market value, or a reduction in the geographic area of the district, shall be the amount of original net tax capacity initially attributed to the property becoming tax exempt, being excluded from taxable market value, or being removed from the district. If the net tax capacity of property located within the tax increment financing district is reduced by reason of a court-ordered abatement, stipulation agreement, voluntary abatement made by the assessor or auditor or by order of the commissioner of revenue, the reduction shall be applied to the original net tax capacity of the district when the property upon which the abatement is made has not been improved since the date of certification of the district and to the captured net tax capacity of the district in each year thereafter when the abatement relates to improvements made after the date of certification. The county auditor may specify reasonable form and content of the request for

certification of the authority and any modification thereof pursuant to section 469.175, subdivision 4.

(f) If a parcel of property contained a substandard building or improvements described in section 469.174, subdivision 10, paragraph (e), that were demolished or removed and if the authority elects to treat the parcel as occupied by a substandard building under section 469.174, subdivision 10, paragraph (b), or by improvements under section 469.174, subdivision 10, paragraph (e), the auditor shall certify the original net tax capacity of the parcel using the greater of (1) the current net tax capacity of the parcel, or (2) the estimated market value of the parcel for the year in which the building or other improvements were demolished or removed, but applying the classification rates for the current year.

(g) For a redevelopment district qualifying under section 469.174, subdivision 10, paragraph (a), clause (4), as a qualified disaster area, the auditor shall certify the value of the land as the original tax capacity for any parcel in the district that contains a building that suffered substantial damage as a result of the disaster or emergency.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 20. **REPEALER.**

Minnesota Statutes 2016, section 275.29, is repealed.

Sec. 3. Minnesota Statutes 2016, section 273.032, is amended to read:

273.032 MARKET VALUE DEFINITION.

(a) Unless otherwise provided, for the purpose of determining any property tax levy limitation based on market value or any limit on net debt, the issuance of bonds, certificates of indebtedness, or capital notes based on market value, any qualification to receive state aid based on market value, or any state aid amount based on market value, the terms "market value," "estimated market value," and "market valuation," whether equalized or unequalized, mean the estimated market value of taxable property within the local unit of government before any of the following or similar adjustments for:

(1) the market value exclusions under:

(i) the Minnesota Agricultural Property Tax Law, section 273.111;

(ii) the Aggregate Resource Preservation Law, section 273.1115;

(iii) the Minnesota Open Space Property Tax Law, section 273.112;

(c) Unless otherwise provided, "market value," "estimated market value," and "market valuation" for purposes of property tax levy limitations and calculation of state aid, refer to the estimated market

value for the previous assessment year and for purposes of limits on net debt, the issuance of bonds, certificates of indebtedness, or capital notes refer to the estimated market value as last finally equalized.

(d) For purposes of a provision of a home rule charter or of any special law that is not codified in the statutes and that imposes a levy limitation based on market value or any limit on debt, the issuance of bonds, certificates of indebtedness, or capital notes based on market value, the terms "market value," "taxable market value," and "market valuation," whether equalized or unequalized, mean "estimated market value" as defined in paragraph (a).

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 4. Minnesota Statutes 2017 Supplement, section 273.13, subdivision 22, is amended to read:

Subd. 22. **Class 1.** (a) Except as provided in subdivision 23 and in paragraphs (b) and (c), real estate which is residential and used for homestead purposes is class 1a. In the case of a duplex or triplex in which one of the units is used for homestead purposes, the entire property is deemed to be used for homestead purposes. The market value of class 1a property must be determined based upon the value of the house, garage, and land.

The first \$500,000 of market value of class 1a property has a net classification rate of one percent of its market value; and the market value of class 1a property that exceeds \$500,000 has a classification rate of 1.25 percent of its market value.

(b) Class 1b property includes homestead real estate or homestead manufactured homes used for the purposes of a homestead by:

(1) any person who is blind as defined in section 256D.35, or the ~~blind~~ person who is blind and the blind person's spouse of the person who is blind;

(2) any person who is permanently and totally disabled or by the ~~disabled~~ person with a disability and the disabled person's spouse of the person with a disability; or

(3) the surviving spouse of a veteran who was permanently and totally disabled ~~veteran~~ homesteading a property classified under this paragraph for taxes payable in 2008.

Property is classified and assessed under clause (2) only if the government agency or income-providing source certifies, upon the request of the homestead occupant, that the homestead occupant satisfies the disability requirements of this paragraph, and that the property is not eligible for the valuation exclusion under subdivision 34.

Property is classified and assessed under paragraph (b) only if the commissioner of revenue or the county assessor certifies that the homestead occupant satisfies the requirements of this paragraph.

Permanently and totally disabled for the purpose of this subdivision means a condition which is permanent in nature and totally incapacitates the person from working at an occupation which brings the person an income. The first \$50,000 market value of class 1b property has a net

classification rate of .45 percent of its market value. The remaining market value of class 1b property is classified as class 1a or class 2a property, whichever is appropriate.

(c) Class 1c property is commercial use real and personal property that abuts public water as defined in section 103G.005, subdivision 15, or abuts a state trail administered by the Department of Natural Resources, and is devoted to temporary and seasonal residential occupancy for recreational purposes but not devoted to commercial purposes for more than 250 days in the year preceding the year of assessment, and that includes a portion used as a homestead by the owner, which includes a dwelling occupied as a homestead by a shareholder of a corporation that owns the resort, a partner in a partnership that owns the resort, or a member of a limited liability company that owns the resort even if the title to the homestead is held by the corporation, partnership, or limited liability company. For purposes of this paragraph, property is devoted to a commercial purpose on a specific day if any portion of the property, excluding the portion used exclusively as a homestead, is used for residential occupancy and a fee is charged for residential occupancy. Class 1c property must contain three or more rental units. A "rental unit" is defined as a cabin, condominium, townhouse, sleeping room, or individual camping site equipped with water and electrical hookups for recreational vehicles. Class 1c property must provide recreational activities such as the rental of ice fishing houses, boats and motors, snowmobiles, downhill or cross-country ski equipment; provide marina services, launch services, or guide services; or sell bait and fishing tackle. Any unit in which the right to use the property is transferred to an individual or entity by deeded interest, or the sale of shares or stock, no longer qualifies for class 1c even though it may remain available for rent. A camping pad offered for rent by a property that otherwise qualifies for class 1c is also class 1c, regardless of the term of the rental agreement, as long as the use of the camping pad does not exceed 250 days. If the same owner owns two separate parcels that are located in the same township, and one of those properties is classified as a class 1c property and the other would be eligible to be classified as a class 1c property if it was used as the homestead of the owner, both properties will be assessed as a single class 1c property; for purposes of this sentence, properties are deemed to be owned by the same owner if each of them is owned by a limited liability company, and both limited liability companies have the same membership. The portion of the property used as a homestead is class 1a property under paragraph (a). The remainder of the property is classified as follows: the first \$600,000 of market value is tier I, the next \$1,700,000 of market value is tier II, and any remaining market value is tier III. The classification rates for class 1c are: tier I, 0.50 percent; tier II, 1.0 percent; and tier III, 1.25 percent. Owners of real and personal property devoted to temporary and seasonal residential occupancy for recreation purposes in which all or a portion of the property was devoted to commercial purposes for not more than 250 days in the year preceding the year of assessment desiring classification as class 1c, must submit a declaration to the assessor designating the cabins or units occupied for 250 days or less in the year preceding the year of assessment by January 15 of the assessment year. Those cabins or units and a proportionate share of the land on which they are located must be designated as class 1c as otherwise provided. The remainder of the cabins or units and a proportionate share of the land on which they are located must be designated as class 3a commercial. The owner of property desiring designation as class 1c property must provide guest registers or other records demonstrating that the units for which class 1c designation is sought were not occupied for more than 250 days in the year preceding the assessment if so requested. The portion of a property operated as a (1) restaurant, (2) bar, (3) gift shop, (4) conference center or meeting room, and (5) other nonresidential facility operated on a commercial basis not directly related to temporary and seasonal residential occupancy for recreation purposes does not qualify for class 1c.

(d) Class 1d property includes structures that meet all of the following criteria:

(1) the structure is located on property that is classified as agricultural property under section 273.13, subdivision 23;

(2) the structure is occupied exclusively by seasonal farm workers during the time when they work on that farm, and the occupants are not charged rent for the privilege of occupying the property, provided that use of the structure for storage of farm equipment and produce does not disqualify the property from classification under this paragraph;

(3) the structure meets all applicable health and safety requirements for the appropriate season; and

(4) the structure is not salable as residential property because it does not comply with local ordinances relating to location in relation to streets or roads.

The market value of class 1d property has the same classification rates as class 1a property under paragraph (a).

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 5. Minnesota Statutes 2017 Supplement, section 273.13, subdivision 34, is amended to read:

Subd. 34. **Homestead of ~~disabled~~ veteran with a disability or family caregiver.** (a) All or a portion of the market value of property owned by a veteran and serving as the veteran's homestead under this section is excluded in determining the property's taxable market value if the veteran has a service-connected disability of 70 percent or more as certified by the United States Department of Veterans Affairs. To qualify for exclusion under this subdivision, the veteran must have been honorably discharged from the United States armed forces, as indicated by United States Government Form DD214 or other official military discharge papers.

(b)(1) For a disability rating of 70 percent or more, \$150,000 of market value is excluded, except as provided in clause (2); and

(2) for a total (100 percent) and permanent disability, \$300,000 of market value is excluded.

(c) If a ~~disabled~~ veteran with a disability qualifying for a valuation exclusion under paragraph (b), clause (2), predeceases the veteran's spouse, and if upon the death of the veteran the spouse holds the legal or beneficial title to the homestead and permanently resides there, the exclusion shall carry over to the benefit of the veteran's spouse for the current taxes payable year and for eight additional taxes payable years or until such time as the spouse remarries, or sells, transfers, or otherwise disposes of the property, whichever comes first. Qualification under this paragraph requires an application under paragraph (h), and a spouse must notify the assessor if there is a change in the spouse's marital status, ownership of the property, or use of the property as a permanent residence.

(d) If the spouse of a member of any branch or unit of the United States armed forces who dies due to a service-connected cause while serving honorably in active service, as indicated on United States Government Form DD1300 or DD2064, holds the legal or beneficial title to a homestead and

permanently resides there, the spouse is entitled to the benefit described in paragraph (b), clause (2), for eight taxes payable years, or until such time as the spouse remarries or sells, transfers, or otherwise disposes of the property, whichever comes first.

(e) If a veteran meets the disability criteria of paragraph (a) but does not own property classified as homestead in the state of Minnesota, then the homestead of the veteran's primary family caregiver, if any, is eligible for the exclusion that the veteran would otherwise qualify for under paragraph (b).

(f) In the case of an agricultural homestead, only the portion of the property consisting of the house and garage and immediately surrounding one acre of land qualifies for the valuation exclusion under this subdivision.

(g) A property qualifying for a valuation exclusion under this subdivision is not eligible for the market value exclusion under subdivision 35, or classification under subdivision 22, paragraph (b).

(h) To qualify for a valuation exclusion under this subdivision a property owner must apply to the assessor by July 1 of the first assessment year for which the exclusion is sought. For an application received after July 1, the exclusion shall become effective for the following assessment year. Except as provided in paragraph (c), the owner of a property that has been accepted for a valuation exclusion must notify the assessor if there is a change in ownership of the property or in the use of the property as a homestead.

(i) A first-time application by a qualifying spouse for the market value exclusion under paragraph (d) must be made any time within two years of the death of the service member.

(j) For purposes of this subdivision:

(1) "active service" has the meaning given in section 190.05;

(2) "own" means that the person's name is present as an owner on the property deed;

(3) "primary family caregiver" means a person who is approved by the secretary of the United States Department of Veterans Affairs for assistance as the primary provider of personal care services for an eligible veteran under the Program of Comprehensive Assistance for Family Caregivers, codified as United States Code, title 38, section 1720G; and

(4) "veteran" has the meaning given the term in section 197.447.

(k) If a veteran dying after December 31, 2011, did not apply for or receive the exclusion under paragraph (b), clause (2), before dying, the veteran's spouse is entitled to the benefit under paragraph (b), clause (2), for eight taxes payable years or until the spouse remarries or sells, transfers, or otherwise disposes of the property if:

(1) the spouse files a first-time application within two years of the death of the service member or by June 1, 2019, whichever is later;

(2) upon the death of the veteran, the spouse holds the legal or beneficial title to the homestead and permanently resides there;

(3) the veteran met the honorable discharge requirements of paragraph (a); and

(4) the United States Department of Veterans Affairs certifies that:

(i) the veteran met the total (100 percent) and permanent disability requirement under paragraph (b), clause (2); or

(ii) the spouse has been awarded dependency and indemnity compensation.

(l) The purpose of this provision of law providing a level of homestead property tax relief for ~~gravely disabled~~ veterans with a disability, their primary family caregivers, and their surviving spouses is to help ease the burdens of war for those among our state's citizens who bear those burdens most heavily.

(m) By July 1, the county veterans service officer must certify the disability rating and permanent address of each veteran receiving the benefit under paragraph (b) to the assessor.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 6. Minnesota Statutes 2016, section 289A.08, subdivision 6, is amended to read:

Subd. 6. **Returns of married persons.** ~~A husband and wife~~ Individuals who are married to each other must file a joint Minnesota income tax return if they filed a joint federal income tax return. If the ~~husband and wife~~ spouses have elected to file separate federal income tax returns, they must file separate Minnesota income tax returns. This election to file a joint or separate return must be changed if they change their election for federal purposes. In the event taxpayers desire to change their election, the change must be done in the manner and on the form prescribed by the commissioner.

The determination of whether an individual is married shall be made under the provisions of section 7703 of the Internal Revenue Code.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 7. Minnesota Statutes 2016, section 289A.25, subdivision 1, is amended to read:

Subdivision 1. **Requirements to pay.** An individual, trust, S corporation, or partnership must, when prescribed in subdivision 3, paragraph (b), make payments of estimated tax. For individuals, the term "estimated tax" means the amount the taxpayer estimates is the sum of the taxes imposed by chapter 290 for the taxable year. For trusts, S corporations, and partnerships, the term estimated tax means the amount the taxpayer estimates is the sum of the taxes for the taxable year imposed by chapter 290 and the composite income tax imposed by section 289A.08, subdivision 7. If the individual is an infant or incompetent person, the payments must be made by the individual's guardian. If joint payments on estimated tax are made but a joint return is not made for the taxable year, the estimated tax for that year may be treated as the estimated tax of either ~~the husband or the wife spouse~~ or may be divided between them.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 8. Minnesota Statutes 2016, section 289A.31, subdivision 2, is amended to read:

Subd. 2. **Joint income tax returns.** (a) If a joint income tax return is made by a ~~husband and wife~~ spouses, the liability for the tax is joint and several. A spouse who qualifies for relief from a

liability attributable to an underpayment under section 6015(b) of the Internal Revenue Code is relieved of the state income tax liability on the underpayment.

(b) In the case of individuals who were ~~a husband and wife~~ married as determined in section 7703 of the Internal Revenue Code prior to the dissolution of their marriage or their legal separation, or prior to the death of one of the individuals, for tax liabilities reported on a joint or combined return, the liability of each person is limited to the proportion of the tax due on the return that equals that person's proportion of the total tax due if ~~the husband and wife~~ each spouse filed separate returns for the taxable year. This provision is effective only when the commissioner receives written notice of the marriage dissolution, legal separation, or death of a spouse from the ~~husband or wife~~ surviving spouse. No refund may be claimed by an ex-spouse, legally separated or widowed spouse for any taxes paid more than 60 days before receipt by the commissioner of the written notice.

(c) A request for calculation of separate liability pursuant to paragraph (b) for taxes reported on a return must be made within six years after the due date of the return. For calculation of separate liability for taxes assessed by the commissioner under section 289A.35 or 289A.37, the request must be made within six years after the date of assessment. The commissioner is not required to calculate separate liability if the remaining unpaid liability for which recalculation is requested is \$100 or less.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 9. Minnesota Statutes 2016, section 289A.37, subdivision 6, is amended to read:

Subd. 6. **Order of assessment if joint income tax return.** If a joint income tax return is filed by ~~a husband and wife~~ spouses, an order of assessment may be a single joint notice. If the commissioner has been notified by either spouse that that spouse's address has changed and if that spouse requests it, then, instead of the single joint notice mailed to the last known address of the ~~husband and wife~~ spouses, a duplicate or original of the joint notice must be sent to the requesting spouse at the address designated by the requesting spouse. The other joint notice must be mailed to the other spouse at that spouse's last known address. An assessment is not invalid for failure to send it to a spouse if the spouse actually receives the notice in the same period as if it had been mailed to that spouse at the correct address or if the spouse has failed to provide an address to the commissioner other than the last known address.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 10. Minnesota Statutes 2016, section 290.0802, subdivision 2, is amended to read:

The excess of the subtraction base amount over the taxable net income computed without regard to the subtraction for the elderly or ~~disabled~~ a person with a disability under section 290.0132, subdivision 5, may be used to reduce the amount of a lump sum distribution subject to tax under section 290.032.

(b)(1) The initial subtraction base amount equals

(i) \$12,000 for a married taxpayer filing a joint return if a spouse is a qualified individual,

- (ii) \$9,600 for a single taxpayer, and
- (iii) \$6,000 for a married taxpayer filing a separate federal return.

(2) The qualified individual's initial subtraction base amount, then, must be reduced by the sum of nontaxable retirement and disability benefits and one-half of the amount of adjusted gross income in excess of the following thresholds:

- (i) \$18,000 for a married taxpayer filing a joint return if both spouses are qualified individuals,
- (ii) \$14,500 for a single taxpayer or for a married couple filing a joint return if only one spouse is a qualified individual, and
- (iii) \$9,000 for a married taxpayer filing a separate federal return.

(3) In the case of a qualified individual who is under the age of 65, the maximum amount of the subtraction base may not exceed the taxpayer's disability income.

(4) The resulting amount is the subtraction base amount.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 11. Minnesota Statutes 2016, section 290.0802, subdivision 3, is amended to read:

Subd. 3. **Restrictions; married couples.** Except in the case of a ~~husband and wife~~ spouses who live apart at all times during the taxable year, if the taxpayer is married at the close of the taxable year, the subtraction under subdivision 2 is allowable only if the taxpayers file joint federal and state income tax returns for the taxable year.

(1) the taxpayer's federal alternative minimum taxable income as defined in section 55(b)(2) of the Internal Revenue Code;
