(b) The annual registration fee for each manufacturer meeting the requirement under paragraph (a) is \$250,000.

(c) In conjunction with the data reported under this section, and notwithstanding section 152.126, subdivision 6, the board may use the data reported under section 152.126, subdivision 4, to determine which manufacturers meet the requirement under paragraph (a) and are required to pay the registration fees under this subdivision.

(d) By April 1 of each year, beginning April 1, 2020, the board shall notify a manufacturer that the manufacturer meets the requirement in paragraph (a) and is required to pay the annual registration fee in accordance with section 151.252, subdivision 1, paragraph (b).

(e) A manufacturer may dispute the board's determination that the manufacturer must pay the registration fee no later than 30 days after the date of notification. However, the manufacturer must still remit the fee as required by section 151.252, subdivision 1, paragraph (b). The dispute must be filed with the board in the manner and using the forms specified by the board. A manufacturer must submit, with the required forms, data satisfactory to the board that demonstrates that the assessment of the registration fee was incorrect. The board must make a decision concerning a dispute no later than 60 days after receiving the required dispute forms. If the board determines that the manufacturer has satisfactorily demonstrated that the fee was incorrectly assessed, the board must refund the amount paid in error.

(f) For purposes of this subdivision, a unit means the individual dosage form of the particular drug product that is prescribed to the patient. One unit equals one tablet, capsule, patch, syringe, milliliter, or gram.

Subd. 4. **Report.** (a) The Board of Pharmacy shall evaluate the registration fee on drug manufacturers established under this section, and whether the registration fee and the increased licensure fees have impacted the prescribing practices of opiates by reducing the number of opiate prescriptions issued during calendar years 2021, 2022, and 2023, or creating any unintended

consequences in the availability of opiates for the treatment of chronic or intractable pain to the extent the board has the ability to effectively identify a correlation. Notwithstanding section 152.126, subdivision 6, the board may access the data reported under section 152.126, subdivision 4, to conduct this evaluation.

(b) The board shall submit the results of its evaluation to the chairs and ranking minority members of the legislative committees with jurisdiction over health and human services policy and finance by March 1, 2024.

Subd. 5. **Legislative review.** The legislature shall review the reports from the Opiate Epidemic Response Advisory Council under section 256.042, subdivision 5, paragraph (a), the reports from the commissioner of management and budget on the Results First evaluation activities under section 256.042, subdivision 5, paragraph (b), the report from the Board of Pharmacy under subdivision 4, and any other relevant report or information related to the opioid crisis in Minnesota, to make a determination about whether the opiate product registration fee assessed under this section should continue beyond July 1, 2024.

Sec. 6. Minnesota Statutes 2018, section 151.252, subdivision 1, is amended to read:

Subdivision 1. **Requirements.** (a) No person shall act as a drug manufacturer without first obtaining a license from the board and paying any applicable fee specified in section 151.065.

(b) In addition to the license required under paragraph (a), each manufacturer required to pay the registration fee under section 151.066 must pay the fee by June 1 of each year, beginning June 1, 2020. In the event of a change of ownership of the manufacturer, the new owner must pay the registration fee specified under section 151.066, subdivision 3, that the original owner would have been assessed had the original owner retained ownership. The registration fee collected under this paragraph shall be deposited in the opiate epidemic response account established under section 256.043.

~~(b)~~ (c) Application for a drug manufacturer license under this section shall be made in a manner specified by the board.

~~(c)~~ (d) No license shall be issued or renewed for a drug manufacturer unless the applicant agrees to operate in a manner prescribed by federal and state law and according to Minnesota Rules.

~~(d)~~ (e) No license shall be issued or renewed for a drug manufacturer that is required to be registered pursuant to United States Code, title 21, section 360, unless the applicant supplies the board with proof of registration. The board may establish by rule the standards for licensure of drug manufacturers that are not required to be registered under United States Code, title 21, section 360.

~~(e)~~ (f) No license shall be issued or renewed for a drug manufacturer that is required to be licensed or registered by the state in which it is physically located unless the applicant supplies the board with proof of licensure or registration. The board may establish, by rule, standards for the licensure of a drug manufacturer that is not required to be licensed or registered by the state in which it is physically located.

~~(f)~~ (g) The board shall require a separate license for each facility located within the state at which drug manufacturing occurs and for each facility located outside of the state at which drugs

that are shipped into the state are manufactured, except a manufacturer of opiate-containing controlled substances shall not be required to pay the fee under section 151.065, subdivision 1, clause (16), or 151.065, subdivision 3, clause (14), for more than one facility.

~~(g)~~ (h) The board shall not issue an initial or renewed license for a drug manufacturing facility unless the facility passes an inspection conducted by an authorized representative of the board. In the case of a drug manufacturing facility located outside of the state, the board may require the applicant to pay the cost of the inspection, in addition to the license fee in section 151.065, unless the applicant furnishes the board with a report, issued by the appropriate regulatory agency of the state in which the facility is located or by the United States Food and Drug Administration, of an inspection that has occurred within the 24 months immediately preceding receipt of the license application by the board. The board may deny licensure unless the applicant submits documentation satisfactory to the board that any deficiencies noted in an inspection report have been corrected.

Sec. 7. [256.042] OPIATE EPIDEMIC RESPONSE ADVISORY COUNCIL.

Subdivision 1. Establishment of the advisory council. (a) The Opiate Epidemic Response Advisory Council is established to develop and implement a comprehensive and effective statewide effort to address the opioid addiction and overdose epidemic in Minnesota. The council shall focus on:

The goals established must include goals for prevention and public health, access to treatment, and multigenerational impacts. The council shall use existing measures and data collection systems to determine baseline data against which progress shall be measured. The council shall include the proposed goals, the measurable outcomes, and proposed benchmarks to meet these goals in its initial report to the legislature under subdivision 5, paragraph (a), due January 31, 2021.

Subd. 2. **Membership.** (a) The council shall consist of the following 19 voting members, appointed by the commissioner of human services except as otherwise specified, and three nonvoting members:

(c) The advisory council, in its annual report to the legislature under paragraph (a) due by January 31, 2024, shall include recommendations on whether the appropriations to the specified entities under this act should be continued, adjusted, or discontinued; whether funding should be appropriated for other purposes related to opioid abuse prevention, education, and treatment; and on the appropriate level of funding for existing and new uses.

Sec. 8. [256.043] OPIATE EPIDEMIC RESPONSE ACCOUNT.

Subdivision 1. **Establishment.** The opiate epidemic response account is established in the special revenue fund in the state treasury. The registration fees assessed by the Board of Pharmacy under section 151.066 and the license fees identified in section 151.065, subdivision 7, paragraphs (b) and (c), shall be deposited into the account. Beginning in fiscal year 2021, the funds in the account are appropriated each fiscal year to the commissioner of human services, unless otherwise specified in law.

Subd. 2. **Transfers from account to state agencies.** (a) Beginning in fiscal year 2021, the commissioner of human services shall transfer the following amounts each fiscal year from the account to the agencies specified in this subdivision.

Subd. 3. **Appropriations from account.** (a) After the transfers described in subdivision 2, and the appropriations in article 3, section 1, paragraphs (e), (f), (g), and (h) are made, \$249,000 shall be allocated by the commissioner for the provision of administrative services to the Opiate Epidemic Response Advisory Council and for the administration of the grants awarded under paragraph (c).

(b) After the transfers in subdivision 2 and the allocation of funds in paragraph (a) are made, 50 percent of the remaining amount shall be distributed by the commissioner to county social service and tribal social service agencies to provide child protection services to children and families who are affected by addiction. The commissioner shall distribute this money proportionally to counties and tribal social service agencies based on out-of-home placement episodes where parental drug abuse is the primary reason for the out-of-home placement using data from the previous calendar year. County and tribal social service agencies receiving funds from the opiate epidemic response account must annually report to the commissioner on how the funds were used to provide child protection services, including measurable outcomes, as determined by the commissioner. County social service agencies and tribal social service agencies must not use funds received under this

paragraph to supplant current state or local funding received for child protection services for children and families who are affected by addiction.

(c) After making the transfers in subdivision 2 and the allocation of funds in paragraphs (a) and (b), the commissioner shall award grants as specified by the Opiate Epidemic Response Advisory Council in accordance with section 256.042, unless otherwise appropriated by the legislature.

Subd. 4. **Settlement; sunset.** (a) If the state receives a total sum of \$250,000,000 either as a result of a settlement agreement or an assurance of discontinuance entered into by the attorney general of the state, or resulting from a court order in litigation brought by the attorney general of the state on behalf of the state or a state agency, against one or more opioid manufacturers or opioid wholesale drug distributors related to alleged violations of consumer fraud laws in the marketing, sale, or distribution of opioids in this state, or other alleged illegal actions that contributed to the excessive use of opioids, or from the fees collected under section 151.065, subdivisions 1 and 3, and section 151.066, that are deposited into the opiate epidemic response account established in section 256.043, or from a combination of both, the fees specified in section 151.065, subdivision 1, clause (16), and section 151.065, subdivision 3, clause (14), shall be reduced to \$5,260, and the opiate registration fee in section 151.066, subdivision 3, shall be repealed.

(b) The commissioner of management and budget shall inform the board of pharmacy, the governor, and the legislature when the amount specified in paragraph (a) has been reached. The board shall apply the reduced license fee for the next licensure period.

(c) Notwithstanding paragraph (a), the reduction of the license fee in section 151.065, subdivisions 1 and 3, and the repeal of the registration fee in section 151.066 shall not occur before July 1, 2024.

Sec. 9. OPIATE EPIDEMIC RESPONSE ADVISORY COUNCIL FIRST MEETING.

The commissioner of human services shall convene the first meeting of the Opiate Epidemic Response Advisory Council established under Minnesota Statutes, section 256.042, no later than October 1, 2019. The members shall elect a chair at the first meeting.

Sec. 10. REVISOR INSTRUCTION.

If multiple fees are enacted, the revisor of statutes shall add the fees together for publication in the 2020 Minnesota Statutes Supplement to effectuate the intent of the legislature.

(e) Every licensed pharmacy shall distinctly label the container in which a controlled substance is dispensed with the directions contained in the prescription for the use of that controlled substance.

(f) No prescription for an opiate or narcotic pain reliever listed in Schedules II through IV of section 152.02 may be initially dispensed more than 30 days after the date on which the prescription was issued. Acute pain does not include chronic pain or pain being treated as part of cancer care, palliative care, or hospice or other end-of-life care.~~

~~(c) Notwithstanding paragraph (a), if in the professional clinical judgment of a practitioner more than a four-day supply of a prescription listed in Schedules II through IV of section 152.02 is required to treat a patient's acute pain, the practitioner may issue a prescription for the quantity needed to treat such acute pain.~~

Sec. 9. Minnesota Statutes 2018, section 152.126, subdivision 6, is amended to read:

(2) a dispenser or an agent or employee of the dispenser to whom the dispenser has delegated the task of accessing the data, to the extent the information relates specifically to a current patient to whom that dispenser is dispensing or considering dispensing any controlled substance and with the provision that the dispenser remains responsible for the use or misuse of data accessed by a delegated agent or employee;

(11) personnel of the health professionals services program established under section 214.31, to the extent that the information relates specifically to an individual who is currently enrolled in and being monitored by the program, and the individual consents to access to that information. for humans and who holds a current registration issued by the federal Drug Enforcement Administration, and every pharmacist licensed by the board and practicing within the state, shall register and maintain a user account with the prescription monitoring program. Data submitted by a prescriber, pharmacist, or their delegate during the registration application process, other than their name, license number, and license type, is classified as private pursuant to section 13.02, subdivision 12.

(d) Notwithstanding paragraph (b), beginning January 1, 2021, a prescriber or an agent or employee of the prescriber to whom the prescriber has delegated the task of accessing the data, must access the data submitted under subdivision 4 to the extent the information relates specifically to the patient:

(1) before the prescriber issues an initial prescription order for a Schedules II through IV opiate controlled substance to the patient; and

(2) at least once every three months for patients receiving an opiate for treatment of chronic pain or participating in medically assisted treatment for an opioid addiction.

(e) Paragraph (d) does not apply if:

(1) the patient is receiving palliative care, or hospice or other end-of-life care;

(2) the patient is being treated for pain due to cancer or the treatment of cancer;

(3) the prescription order is for a number of doses that is intended to last the patient five days or less and is not subject to a refill;

(6) the controlled substance is prescribed or administered to a patient who is admitted to an inpatient hospital;

(7) the controlled substance is lawfully administered by injection, ingestion, or any other means to the patient by the prescriber, a pharmacist, or by the patient at the direction of a prescriber and in the presence of the prescriber or pharmacist;

(9) the prescriber is unable to access the data due to operational or other technological failure of the program so long as the prescriber reports the failure to the board.

(f) Only permissible users identified in paragraph (b), clauses (1), (2), (3), (6), (7), (9), and (10), may directly access the data electronically. No other permissible users may directly access the data electronically. If the data is directly accessed electronically, the permissible user shall implement

and maintain a comprehensive information security program that contains administrative, technical, and physical safeguards that are appropriate to the user's size and complexity, and the sensitivity of the personal information obtained. The permissible user shall identify reasonably foreseeable internal and external risks to the security, confidentiality, and integrity of personal information that could result in the unauthorized disclosure, misuse, or other compromise of the information and assess the sufficiency of any safeguards in place to control the risks.

~~(f)~~ (h) The board shall maintain a log of all persons who access the data for a period of at least three years and shall ensure that any permissible user complies with paragraph (c) prior to attaining direct access to the data.

~~(g)~~ (i) Section 13.05, subdivision 6, shall apply to any contract the board enters into pursuant to subdivision 2. A vendor shall not use data collected under this section for any purpose not specified in this section.

~~(h)~~ (j) The board may participate in an interstate prescription monitoring program data exchange system provided that permissible users in other states have access to the data only as allowed under this section, and that section 13.05, subdivision 6, applies to any contract or memorandum of understanding that the board enters into under this paragraph.

~~(i)~~ (k) With available appropriations, the commissioner of human services shall establish and implement a system through which the Department of Human Services shall routinely access the data for the purpose of determining whether any client enrolled in an opioid treatment program licensed according to chapter 245A has been prescribed or dispensed a controlled substance in addition to that administered or dispensed by the opioid treatment program. When the commissioner determines there have been multiple prescribers or multiple prescriptions of controlled substances, the commissioner shall:

(1) inform the medical director of the opioid treatment program only that the commissioner determined the existence of multiple prescribers or multiple prescriptions of controlled substances; and

(2) direct the medical director of the opioid treatment program to access the data directly, review the effect of the multiple prescribers or multiple prescriptions, and document the review.

If determined necessary, the commissioner of human services shall seek a federal waiver of, or exception to, any applicable provision of Code of Federal Regulations, title 42, section 2.34, paragraph (c), prior to implementing this paragraph.

~~(j)~~ (l) The board shall review the data submitted under subdivision 4 on at least a quarterly basis and shall establish criteria, in consultation with the advisory task force, for referring information about a patient to prescribers and dispensers who prescribed or dispensed the prescriptions in question if the criteria are met.

May 20, 2019

The Honorable Jeremy R. Miller
President of the Senate

The Honorable Melissa Hortman
Speaker of the House of Representatives

We, the undersigned conferees for S.F. No. 2226 report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S.F. No. 2226 be further amended as follows:

Minnesota Statutes, section 3.737. The first year appropriation may be spent to compensate for livestock that were destroyed or crippled during fiscal year 2019. If the amount in the first year is insufficient, the amount in the second year is available in the first year. The commissioner may use up to \$5,000 each year to reimburse expenses incurred by university extension educators to provide fair market values of destroyed or crippled livestock.

(c) \$250,000 the first year and \$250,000 the second year are for rapid detection, identification, containment, control, and management of high-priority plant pests and pathogens including emerald ash borer.

(d) \$155,000 the first year and \$155,000 the second year are for compensation for crop damage under Minnesota Statutes, section 3.7371. If the amount in the first year is insufficient, the amount in the second year is available in the first year. The commissioner may use up to \$30,000 of the appropriation each year to reimburse expenses incurred by the commissioner or the commissioner's approved agent to investigate and resolve claims.

If the commissioner determines that claims made under Minnesota Statutes, section 3.737 or 3.7371, are unusually high, amounts appropriated for either program may be transferred to the appropriation for the other program.

The base budget for the agricultural growth, research, and innovation program is \$14,275,000 for fiscal years 2020 and 2021 and includes funding for incentive payments under Minnesota Statutes, sections 41A.16, 41A.17, 41A.18, and 41A.20.

The commissioner must develop additional innovative production incentive programs to be funded by the agricultural growth, research, and innovation program.

The commissioner must consult with the commissioner of transportation, the commissioner of administration, and local units of government to identify parcels of publicly owned land that are suitable for urban agriculture.

(c) \$25,000 the first year and \$25,000 the second year are for grants to the Southern Minnesota Initiative Foundation to promote local foods through an annual event that raises public awareness of local foods and connects local food producers and processors with potential buyers.

A prospective borrower must have a total net worth, including assets and liabilities of the borrower's spouse and dependents, of less than \$1,700,000 in 2017 and an amount in subsequent years which is adjusted for inflation by multiplying that amount by the cumulative inflation rate as determined by the United States All-Items Consumer Price Index.

Participation is limited to 45 percent of the principal amount of the loan or \$525,000, whichever is less. The interest rates and repayment terms of the authority's participation interest may be different from the interest rates and repayment terms of the lender's retained portion of the loan.

Subd. 3. **Specifications.** Each loan participation must be secured by a mortgage on real property and such other security as the authority may require.

Subd. 4. **Application and origination fee.** The authority may impose a reasonable nonrefundable application fee for each application for a loan participation and an origination fee for each loan issued under the livestock expansion and modernization loan program. The origination fee initially shall be set at 1.5 percent and the application fee at \$50. The authority may review the fees annually and make adjustments as necessary. The fees must be deposited in the state treasury and credited to the Rural Finance Authority administrative account established in section 41B.03.

Subd. 5. **Interest rate.** The interest rate per annum on the livestock expansion and modernization loan participation must be at the rate of interest determined by the authority to be necessary to provide for the timely payment of principal and interest when due on bonds or other obligations of the authority issued under this chapter, to provide financing for loan participations made under the livestock expansion and modernization loan program, and to provide for reasonable and necessary costs of issuing, carrying, administering, and securing the bonds or notes and to pay the costs incurred and to be incurred by the authority in the implementation of the livestock expansion and modernization loan program.

- (3) feed storage and handling equipment;
- (4) milking parlors;
- (5) milking equipment, including robotic equipment;
- (6) scales;

Sec. 16. Minnesota Statutes 2018, section 116.06, is amended by adding a subdivision to read:

Subd. 16a. **Pastures.** "Pastures" means areas, including winter feeding areas as part of a grazing area, where grass or other growing plants are used for grazing of livestock and where the concentration of animals allows a vegetative cover to be maintained during the growing season. "Pastures" also includes agricultural land that is used for growing crops during the growing season and is used for grazing of livestock on vegetation or crop residues during the winter. In either case, a cover of vegetation or crop residues is not required:

- (1) in the immediate vicinity of supplemental feeding or watering devices;
- (2) in associated corrals and chutes where livestock are gathered for the purpose of sorting, veterinary services, loading and unloading trucks and trailers, and other necessary activities related to good animal husbandry practices;
- (3) in associated livestock access lanes used to convey livestock to and from areas of the pasture; and
- (4) in sacrificial areas: (i) that are part of a larger pasture system; (ii) are used to temporarily accommodate livestock due to an extraordinary situation for as short a time period as possible not to exceed 90 days during the growing season; (iii) are used to protect other pasture areas when adverse soil or weather conditions pose a risk of damaging the pastures; and (iv) on which the vegetation is naturally restored or replanted after the adverse soil or weather conditions are removed and the livestock are moved to other areas of the pasture.

Sec. 17. Minnesota Statutes 2018, section 116.07, subdivision 7, is amended to read:

Subd. 7. Counties; processing applications for animal lot permits. Any Minnesota county board may, by resolution, with approval of the Pollution Control Agency, assume responsibility for processing applications for permits required by the Pollution Control Agency under this section for livestock feedlots, poultry lots or other animal lots. The responsibility for permit application processing, if assumed by a county, may be delegated by the county board to any appropriate county officer or employee.

- (a) For the purposes of this subdivision, the term "processing" includes:
 - (1) the distribution to applicants of forms provided by the Pollution Control Agency;
 - (2) the receipt and examination of completed application forms, and the certification, in writing, to the Pollution Control Agency either that the animal lot facility for which a permit is sought by

an applicant will comply with applicable rules and standards, or, if the facility will not comply, the respects in which a variance would be required for the issuance of a permit; and

(3) rendering to applicants, upon request, assistance necessary for the proper completion of an application.

(b) For the purposes of this subdivision, the term "processing" may include, at the option of the county board, issuing, denying, modifying, imposing conditions upon, or revoking permits pursuant to the provisions of this section or rules promulgated pursuant to it, subject to review, suspension, and reversal by the Pollution Control Agency. The Pollution Control Agency shall, after written notification, have 15 days to review, suspend, modify, or reverse the issuance of the permit. After this period, the action of the county board is final, subject to appeal as provided in chapter 14. For permit applications filed after October 1, 2001, section 15.99 applies to feedlot permits issued by the agency or a county pursuant to this subdivision.

(c) For the purpose of administration of rules adopted under this subdivision, the commissioner and the agency may provide exceptions for cases where the owner of a feedlot has specific written plans to close the feedlot within five years. These exceptions include waiving requirements for major capital improvements.

(d) For purposes of this subdivision, a discharge caused by an extraordinary natural event such as a precipitation event of greater magnitude than the 25-year, 24-hour event, tornado, or flood in excess of the 100-year flood is not a "direct discharge of pollutants."

(e) In adopting and enforcing rules under this subdivision, the commissioner shall cooperate closely with other governmental agencies.

(f) The Pollution Control Agency shall work with the Minnesota Extension Service, the Department of Agriculture, the Board of Water and Soil Resources, producer groups, local units of government, as well as with appropriate federal agencies such as the Natural Resources Conservation Service and the Farm Service Agency, to notify and educate producers of rules under this subdivision at the time the rules are being developed and adopted and at least every two years thereafter.

(g) The Pollution Control Agency shall adopt rules governing the issuance and denial of permits for livestock feedlots, poultry lots or other animal lots pursuant to this section. Pastures are exempt from the rules authorized under this paragraph. No feedlot permit shall include any terms or conditions that impose any requirements related to any pastures owned or utilized by the feedlot operator other than restrictions under a manure management plan. A feedlot permit is not required for livestock feedlots with more than ten but less than 50 animal units; provided they are not in shoreland areas. A livestock feedlot permit does not become required solely because of a change in the ownership of the buildings, grounds, or feedlot. These rules apply both to permits issued by counties and to permits issued by the Pollution Control Agency directly.

(h) The Pollution Control Agency shall exercise supervising authority with respect to the processing of animal lot permit applications by a county.

(i) Any new rules or amendments to existing rules proposed under the authority granted in this subdivision, or to implement new fees on animal feedlots, must be submitted to the members of legislative policy and finance committees with jurisdiction over agriculture and the environment

prior to final adoption. The rules must not become effective until 90 days after the proposed rules are submitted to the members.

(j) Until new rules are adopted that provide for plans for manure storage structures, any plans for a liquid manure storage structure must be prepared or approved by a registered professional engineer or a United States Department of Agriculture, Natural Resources Conservation Service employee.

(k) A county may adopt by ordinance standards for animal feedlots that are more stringent than standards in Pollution Control Agency rules.

(l) After January 1, 2001, a county that has not accepted delegation of the feedlot permit program must hold a public meeting prior to the agency issuing a feedlot permit for a feedlot facility with 300 or more animal units, unless another public meeting has been held with regard to the feedlot facility to be permitted.

(m) After the proposed rules published in the State Register, volume 24, number 25, are finally adopted, the agency may not impose additional conditions as a part of a feedlot permit, unless specifically required by law or agreed to by the feedlot operator.

(n) For the purposes of feedlot permitting, a discharge from land-applied manure or a manure stockpile that is managed according to agency rule must not be subject to a fine for a discharge violation.

(o) For the purposes of feedlot permitting, manure that is land applied, or a manure stockpile that is managed according to agency rule, must not be considered a discharge into waters of the state, unless the discharge is to waters of the state, as defined by section 103G.005, subdivision 17, except type 1 or type 2 wetlands, as defined in section 103G.005, subdivision 17b, and does not meet discharge standards established for feedlots under agency rule.

(p) Unless the upgrade is needed to correct an immediate public health threat under section 145A.04, subdivision 8, or the facility is determined to be a concentrated animal feeding operation under Code of Federal Regulations, title 40, section 122.23, in effect on April 15, 2003, the agency may not require a feedlot operator:

(1) to spend more than \$3,000 to upgrade an existing feedlot with less than 300 animal units unless cost-share money is available to the feedlot operator for 75 percent of the cost of the upgrade; or

(2) to spend more than \$10,000 to upgrade an existing feedlot with between 300 and 500 animal units, unless cost-share money is available to the feedlot operator for 75 percent of the cost of the upgrade or \$50,000, whichever is less.

~~(q) For the purposes of this section, "pastures" means areas, including winter feeding areas as part of a grazing area, where grass or other growing plants are used for grazing and where the concentration of animals allows a vegetative cover to be maintained during the growing season except that vegetative cover is not required:~~

~~(1) in the immediate vicinity of supplemental feeding or watering devices;~~

~~(2) in associated corrals and chutes where livestock are gathered for the purpose of sorting, veterinary services, loading and unloading trucks and trailers, and other necessary activities related to good animal husbandry practices; and~~

~~(3) in associated livestock access lanes used to convey livestock to and from areas of the pasture.~~

~~(†) (q)~~ A feedlot operator who stores and applies up to 100,000 gallons per calendar year of private truck wash wastewater resulting from trucks that transport animals or supplies to and from the feedlot does not require a permit to land-apply industrial by-products if the feedlot operator stores and applies the wastewater in accordance with Pollution Control Agency requirements for land applications of industrial by-product that do not require a permit.

~~(†) (r)~~ A feedlot operator who holds a permit from the Pollution Control Agency to land-apply industrial by-products from a private truck wash is not required to have a certified land applicator apply the private truck wash wastewater if the wastewater is applied by the feedlot operator to cropland owned or leased by the feedlot operator or by a commercial animal waste technician licensed by the commissioner of agriculture under chapter 18C. For purposes of this paragraph and paragraph ~~(†) (q)~~, "private truck wash" means a truck washing facility owned or leased, operated, and used only by a feedlot operator to wash trucks owned or leased by the feedlot operator and used to transport animals or supplies to and from the feedlot.

Sec. 18. Minnesota Statutes 2018, section 116.07, subdivision 7d, is amended to read:

Subd. 7d. **Exemption.** ~~(a)~~ Notwithstanding subdivision 7 or Minnesota Rules, chapter 7020, to the contrary, and notwithstanding the proximity to public or private waters, an owner or resident of agricultural land on which livestock have been allowed to pasture at any time during the ten-year period beginning January 1, 2010, is permanently exempt from requirements related to feedlot or manure management on that land for so long as the property remains in pasture.

~~(b) For the purposes of this subdivision, "pasture" means areas where livestock graze on grass or other growing plants. Pasture also means agricultural land where livestock are allowed to forage during the winter time and which land is used for cropping purposes in the growing season. In either case, the concentration of animals must be such that a vegetative cover, whether of grass, growing plants, or crops, is maintained during the growing season except in the immediate vicinity of temporary supplemental feeding or watering devices.~~

Sec. 19. INDUSTRIAL HEMP; RULEMAKING.

After consulting with stakeholders, the commissioner of agriculture may use the expedited rulemaking process in Minnesota Statutes, section 14.389, to adopt the rules required under Minnesota Statutes, section 18K.06, to conform to the Agriculture Improvement Act of 2018, Public Law 115-334, and federal rules authorized under that act. The commissioner of agriculture's authority to adopt rules under this section expires June 30, 2020.

Sec. 20. INDUSTRIAL HEMP; REPORT.

(a) The commissioner of agriculture must submit a plan to the secretary of the United States Department of Agriculture and request primary regulatory authority over the production of industrial hemp in this state, as provided under section 10113 of the Agriculture Improvement Act of 2018.

(b) The commissioner of agriculture, in consultation with the commissioners of public safety and health, must develop a framework for regulating the possession and use of tetrahydrocannabinol resulting from industrial hemp processing, including but not limited to the extraction of cannabidiol or other components. No later than February 15, 2020, the commissioner of agriculture must submit the proposed framework to the chairs and ranking minority members of the legislative committees and divisions with jurisdiction over agriculture, public safety, and health.

Sec. 21. **EMERGING FARMERS; REPORT.**

No later than February 1, 2020, the commissioner of agriculture must report recommendations to the legislative committees and divisions with jurisdiction over agriculture finance regarding how best to cultivate and support emerging farmers, with priority given to emerging farmers who are women, veterans, persons with disabilities, American Indian or Alaskan Native, and members of communities of color.

Sec. 22. **NURSERY STOCK; REPORT.**

By March 1, 2020, the commissioner of agriculture must report recommendations to the members of the legislative committees or divisions with jurisdiction over agriculture policy regarding the regulatory oversight of nursery stock labeled as beneficial to pollinators. The report must include a summary of the Minnesota Department of Agriculture's technical ability to test for insecticides on different parts of plants that comprise nursery stock, including the minimum detectable concentration for various insecticides, and the cost per test.

Sec. 16. Minnesota Statutes 2018, section 327C.095, subdivision 13, is amended to read:

Subd. 13. **Change in use, relocation expenses; payments by park owner.** (a) If a manufactured home owner is required to relocate due to the conversion of all or a portion of a manufactured home

park to another use, the closure of a manufactured home park, or cessation of use of the land as a manufactured home park under subdivision 1, and the manufactured home owner complies with the requirements of this section, the manufactured home owner is entitled to payment from the Minnesota manufactured home relocation trust fund equal to the manufactured home owner's actual relocation costs for relocating the manufactured home to a new location within a ~~25~~ 50-mile radius of the park that is being closed, up to a maximum of \$7,000 for a single-section and \$12,500 for a multisection manufactured home. The actual relocation costs must include the reasonable cost of taking down, moving, and setting up the manufactured home, including equipment rental, utility connection and disconnection charges, minor repairs, modifications necessary for transportation of the home, necessary moving permits and insurance, moving costs for any appurtenances, which meet applicable local, state, and federal building and construction codes.

(b) A manufactured home owner is not entitled to compensation under paragraph (a) if the manufactured home park owner is not required to make a payment to the Minnesota manufactured home relocation trust fund under subdivision 12, paragraph (b).

(c) Except as provided in paragraph (e), in order to obtain payment from the Minnesota manufactured home relocation trust fund, the manufactured home owner shall submit to the neutral third party and the Minnesota Housing Finance Agency, with a copy to the park owner, an application for payment, which includes:

(1) a copy of the closure statement under subdivision 1;

(6) a statement from the county where the manufactured home is located certifying that personal property taxes for the manufactured home are paid through the end of that year.

(d) The neutral third party shall promptly process all payments for completed applications within 14 days. If the neutral third party has acted reasonably and does not approve or deny payment within 45 days after receipt of the information set forth in paragraph (c), the payment is deemed approved. Upon approval and request by the neutral third party, the Minnesota Housing Finance Agency shall issue two checks in equal amount for 50 percent of the contract price payable to the mover and towing contractor for relocating the manufactured home in the amount of the actual relocation cost, plus a check to the home owner for additional certified costs associated with third-party vendors, that were necessary in relocating the manufactured home. The moving or towing contractor shall receive 50 percent upon execution of the contract and 50 percent upon completion of the relocation and approval by the manufactured home owner. The moving or towing contractor may not apply

the funds to any other purpose other than relocation of the manufactured home as provided in the contract. A copy of the approval must be forwarded by the neutral third party to the park owner with an invoice for payment of the amount specified in subdivision 12, paragraph (a).

(e) In lieu of collecting a relocation payment from the Minnesota manufactured home relocation trust fund under paragraph (a), the manufactured home owner may collect an amount from the fund after reasonable efforts to relocate the manufactured home have failed due to the age or condition of the manufactured home, or because there are no manufactured home parks willing or able to accept the manufactured home within a 25-mile radius. A manufactured home owner may tender title of the manufactured home in the manufactured home park to the manufactured home park owner, and collect an amount to be determined by an independent appraisal. The appraiser must be agreed to by both the manufactured home park owner and the manufactured home owner. If the appraised market value cannot be determined, the tax market value, averaged over a period of five years, can be used as a substitute. The maximum amount that may be reimbursed under the fund is \$8,000 for a single-section and \$14,500 for a multisection manufactured home. The minimum amount that may be reimbursed under the fund is \$2,000 for a single section and \$4,000 for a multisection manufactured home. The manufactured home owner shall deliver to the manufactured home park owner the current certificate of title to the manufactured home duly endorsed by the owner of record, and valid releases of all liens shown on the certificate of title, and a statement from the county where the manufactured home is located evidencing that the personal property taxes have been paid. The manufactured home owner's application for funds under this paragraph must include a document certifying that the manufactured home cannot be relocated, that the lot rental is current, that the annual \$15 payments to the Minnesota manufactured home relocation trust fund have been paid when due, that the manufactured home owner has chosen to tender title under this section, and that the park owner agrees to make a payment to the commissioner of management and budget in the amount established in subdivision 12, paragraph (a), less any documented costs submitted to the neutral third party, required for demolition and removal of the home, and any debris or refuse left on the lot, not to exceed ~~\$1,000~~ \$1,500. The manufactured home owner must also provide a copy of the certificate of title endorsed by the owner of record, and certify to the neutral third party, with a copy to the park owner, that none of the exceptions to receipt of compensation under subdivision 12, paragraph (b), clauses (1) to (6), apply to the manufactured home owner, and that the home owner will vacate the home within 60 days after receipt of payment or the date of park closure, whichever is earlier, provided that the monthly lot rent is kept current.

~~(f) The Minnesota Housing Finance Agency must make a determination of the amount of payment a manufactured home owner would have been entitled to under a local ordinance in effect on May 26, 2007.~~ Notwithstanding paragraph (a), the manufactured home owner's compensation for relocation costs from the fund under section 462A.35, is the greater of the amount provided under this subdivision, or the amount under the local ordinance in effect on May 26, 2007, that is applicable to the manufactured home owner. Nothing in this paragraph is intended to increase the liability of the park owner.

(g) Neither the neutral third party nor the Minnesota Housing Finance Agency shall be liable to any person for recovery if the funds in the Minnesota manufactured home relocation trust fund are insufficient to pay the amounts claimed. The Minnesota Housing Finance Agency shall keep a record of the time and date of its approval of payment to a claimant.

(h)(1) By October 15, 2019, the Minnesota Housing Finance Agency shall post on its website and report to the chairs of the senate Finance Committee and house of representatives Ways and Means Committee on the Minnesota manufactured home relocation trust fund, including the account balance, payments to claimants, the amount of any advances to the fund, the amount of any insufficiencies encountered during the previous calendar year, and any itemized administrative charges or expenses deducted from the trust fund balance. If sufficient funds become available, the Minnesota Housing Finance Agency shall pay the manufactured home owner whose unpaid claim is the earliest by time and date of approval.

(h) (2) Beginning in 2019, the Minnesota Housing Finance Agency shall post on its website and report to the chairs of the senate Finance Committee and house of representatives Ways and Means Committee by ~~January~~ October 15 of each year on the Minnesota manufactured home relocation trust fund, including the aggregate account balance, the aggregate assessment payments received, summary information regarding each closed park including the total payments to claimants and payments received from each closed park, the amount of any advances to the fund, the amount of any insufficiencies encountered during the previous ~~calendar~~ fiscal year, reports of neutral third parties provided pursuant to subdivision 4, and any itemized administrative charges or expenses deducted from the trust fund balance, all of which should be reconciled to the previous year's trust fund balance. The Minnesota Housing Finance Agency, the Minnesota Rural Finance Authority, and the Minnesota Office of Higher Education may apply for and receive an allocation under this section without submitting an application deposit.

Sec. 40. Minnesota Statutes 2018, section 474A.061, is amended by adding a subdivision to read:

Subd. 1a. Allocation application; housing pool. (a) For any requested allocations from the housing pool, an issuer may apply for an allocation under this section by submitting to the department an application on forms provided by the department, accompanied by (1) a preliminary resolution, (2) a statement of bond counsel that the proposed issue of obligations requires an allocation under this chapter and the Internal Revenue Code, (3) an application deposit in the amount of two percent of the requested allocation, (4) a sworn statement from the applicant identifying the project as either a preservation project, 30 percent AMI residential rental project, 50 percent AMI residential rental project, 100 percent LIHTC project, 20 percent LIHTC project, or any other residential rental project, and (5) a certification from the applicant or its accountant stating that the requested allocation does not exceed the aggregate bond limitation. The issuer must pay the application deposit to the Department of Management and Budget. The Minnesota Housing Finance Agency may apply for and receive an allocation under this section without submitting an application deposit.

(b) An entitlement issuer may not apply for an allocation from the housing pool unless it either has permanently issued bonds equal to any amount of bonding authority carried forward from a previous year or has returned for reallocation any unused bonding authority carried forward from a previous year. For purposes of this subdivision, its entitlement allocation includes an amount obtained under section 474A.04, subdivision 6. This paragraph does not apply to an application from the Minnesota Housing Finance Agency for an allocation under subdivision 2a for cities who choose to have the agency issue bonds on the city's behalf.

(c) If an application is rejected under this section, the commissioner must notify the applicant and return the application deposit to the applicant within 30 days unless the applicant requests in writing that the application be resubmitted. The granting of an allocation of bonding authority under this section must be evidenced by a certificate of allocation.

EFFECTIVE DATE. This section is effective January 1, 2020.

Sec. 41. Minnesota Statutes 2018, section 474A.061, subdivision 2a, is amended to read:

Subd. 2a. Housing pool allocation. (a) Commencing on the second Tuesday in January and continuing on each Monday through ~~July 15~~ the last Monday in June, the commissioner shall allocate available bonding authority from the housing pool to applications received on or before the Monday of the preceding week for residential rental projects that meet the eligibility criteria under section 474A.047. Allocations of available bonding authority from the housing pool for eligible residential rental projects shall be awarded in the following order of priority: ~~(1) projects that preserve existing~~

~~federally subsidized housing; (2) projects that are not restricted to persons who are 55 years of age or older; and (3) other residential rental projects. Prior to May 15, no allocation shall be made to a project restricted to persons who are 55 years of age or older.~~

(1) preservation projects;

(2) 30 percent AMI residential rental projects;

(3) 50 percent AMI residential rental projects;

(4) 100 percent LIHTC projects;

(5) 20 percent LIHTC projects; and

(6) other residential rental projects for which the amount of bonds requested in their respective applications do not exceed the aggregate bond limitation.

If an issuer that receives an allocation under this paragraph does not issue obligations equal to all or a portion of the allocation received within 120 days of the allocation or returns the allocation to the commissioner, the amount of the allocation is canceled and returned for reallocation through the housing pool or to the unified pool after July 15. If there are two or more applications for residential rental projects at the same priority level and there is insufficient bonding authority to provide allocations for all the projects in any one allocation period, available bonding authority shall be randomly awarded by lot but only for projects that can receive the full amount of their respective requested allocations. If a residential rental project does not receive any of its requested allocation pursuant to this paragraph and the project applies for an allocation of bonds again in the same calendar year or to the next successive housing pool, the project shall be fully funded up to its original application request for bonding authority before any new project, applying in the same allocation period, that has an equal priority shall receive bonding authority. An issuer that receives an allocation under this paragraph must issue obligations equal to all or a portion of the allocation received on or before 180 days of the allocation. If an issuer that receives an allocation under this paragraph does not issue obligations equal to all or a portion of the allocation received within the time period provided in this paragraph or returns the allocation to the commissioner, the amount of the allocation is canceled and returned for reallocation through the housing pool or to the unified pool after July 1.

(b) After January 1, and through January 15, The Minnesota Housing Finance Agency may accept applications from cities for single-family housing programs which meet program requirements as follows:

(1) the housing program must meet a locally identified housing need and be economically viable;

(2) the adjusted income of home buyers may not exceed 80 percent of the greater of statewide or area median income as published by the Department of Housing and Urban Development, adjusted for household size;

(3) house price limits may not exceed the federal price limits established for mortgage revenue bond programs. Data on the home purchase price amount, mortgage amount, income, household

size, and race of the households served in the previous year's single-family housing program, if any, must be included in each application; and

(4) for applicants who choose to have the agency issue bonds on their behalf, an application fee pursuant to section 474A.03, subdivision 4, and an application deposit equal to one percent of the requested allocation must be submitted to the Minnesota Housing Finance Agency before the agency forwards the list specifying the amounts allocated to the commissioner under paragraph (d). The agency shall submit the city's application fee and application deposit to the commissioner when requesting an allocation from the housing pool.

Applications by a consortium shall include the name of each member of the consortium and the amount of allocation requested by each member.

(c) Any amounts remaining in the housing pool after ~~July~~ June 15 are available for single-family housing programs for cities that applied in January and received an allocation under this section in the same calendar year. For a city that chooses to issue bonds on its own behalf or pursuant to a joint powers agreement, the agency must allot available bonding authority based on the formula in paragraphs (d) and (f). Allocations will be made loan by loan, on a first-come, first-served basis among cities on whose behalf the Minnesota Housing Finance Agency issues bonds.

Any city that received an allocation pursuant to paragraph (f) in the same calendar year that wishes to issue bonds on its own behalf or pursuant to a joint powers agreement for an amount becoming available for single-family housing programs after ~~July~~ June 15 shall notify the Minnesota Housing Finance Agency by ~~July~~ June 15. The Minnesota Housing Finance Agency shall notify each city making a request of the amount of its allocation within three business days after ~~July~~ June 15. The city must comply with paragraph (f).

For purposes of paragraphs (a) to (h), "city" means a county or a consortium of local government units that agree through a joint powers agreement to apply together for single-family housing programs, and has the meaning given it in section 462C.02, subdivision 6. "Agency" means the Minnesota Housing Finance Agency.

(d) The total amount of allocation for mortgage bonds for one city is limited to the lesser of: (i) the amount requested, or (ii) the product of the total amount available for mortgage bonds from the housing pool, multiplied by the ratio of each applicant's population as determined by the most recent estimate of the city's population released by the state demographer's office to the total of all the applicants' population, except that each applicant shall be allocated a minimum of \$100,000 regardless of the amount requested or the amount determined under the formula in clause (ii). If a city applying for an allocation is located within a county that has also applied for an allocation, the city's population will be deducted from the county's population in calculating the amount of allocations under this paragraph.

Upon determining the amount of each applicant's allocation, the agency shall forward to the commissioner a list specifying the amounts allotted to each application with all application fees and deposits from applicants who choose to have the agency issue bonds on their behalf.

Total allocations from the housing pool for single-family housing programs may not exceed ~~34~~ 27 percent of the adjusted allocation to the housing pool until after ~~July~~ June 15 in 2020 and 2021,

after which the allocations may not exceed 31 percent of the adjusted allocation to the housing pool until after June 15.

(e) The agency may issue bonds on behalf of participating cities. The agency shall request an allocation from the commissioner for all applicants who choose to have the agency issue bonds on their behalf and the commissioner shall allocate the requested amount to the agency. The agency may request an allocation at any time after the second Tuesday in January and through the last Monday in ~~July~~ June. After awarding an allocation and receiving a notice of issuance for the mortgage bonds issued on behalf of the participating cities, the commissioner shall transfer the application deposits to the Minnesota Housing Finance Agency to be returned to the participating cities. The Minnesota Housing Finance Agency shall return any application deposit to a city that paid an application deposit under paragraph (b), clause (4), but was not part of the list forwarded to the commissioner under paragraph (d).

(f) A city may choose to issue bonds on its own behalf or through a joint powers agreement and may request an allocation from the commissioner by forwarding an application with an application fee pursuant to section 474A.03, subdivision 4, and a one percent application deposit to the commissioner no later than the Monday of the week preceding an allocation. If the total amount requested by all applicants exceeds the amount available in the pool, the city may not receive a greater allocation than the amount it would have received under the list forwarded by the Minnesota Housing Finance Agency to the commissioner. No city may request or receive an allocation from the commissioner until the list under paragraph (d) has been forwarded to the commissioner. A city must request an allocation from the commissioner no later than the last Monday in ~~July~~ June. No city may receive an allocation from the housing pool for mortgage bonds which has not first applied to the Minnesota Housing Finance Agency. The commissioner shall allocate the requested amount to the city or cities subject to the limitations under this paragraph.

If a city issues mortgage bonds from an allocation received under this paragraph, the issuer must provide for the recycling of funds into new loans. If the issuer is not able to provide for recycling, the issuer must notify the commissioner in writing of the reason that recycling was not possible and the reason the issuer elected not to have the Minnesota Housing Finance Agency issue the bonds. "Recycling" means the use of money generated from the repayment and prepayment of loans for further eligible loans or for the redemption of bonds and the issuance of current refunding bonds.

(g) No entitlement city or county or city in an entitlement county may apply for or be allocated authority to issue mortgage bonds or use mortgage credit certificates from the housing pool. No city in an entitlement county may apply for or be allocated authority to issue residential rental bonds from the housing pool or the unified pool.

(h) A city that does not use at least 50 percent of its allotment by the date applications are due for the first allocation that is made from the housing pool for single-family housing programs in the immediately succeeding calendar year may not apply to the housing pool for a single-family mortgage bond or mortgage credit certificate program allocation that exceeds the amount of its allotment for the preceding year that was used by the city in the immediately preceding year or receive an allotment from the housing pool in the succeeding calendar year that exceeds the amount of its allotment for the preceding year that was used in the preceding year. The minimum allotment is \$100,000 for an allocation made prior to ~~July~~ June 15, regardless of the amount used in the preceding calendar year, except that a city whose allocation in the preceding year was the minimum amount of \$100,000 and

who did not use at least 50 percent of its allocation from the preceding year is ineligible for an allocation in the immediate succeeding calendar year. Each local government unit in a consortium must meet the requirements of this paragraph.

EFFECTIVE DATE. This section is effective January 1, 2020.

Sec. 42. Minnesota Statutes 2018, section 474A.061, subdivision 2b, is amended to read:

Subd. 2b. **Small issue pool allocation.** Commencing on the second Tuesday in January and continuing on each Monday through the last Monday in ~~July~~ June, the commissioner shall allocate available bonding authority from the small issue pool to applications received on or before the Monday of the preceding week for manufacturing projects and enterprise zone facility projects. From the second Tuesday in January through the last Monday in ~~July~~ June, the commissioner shall reserve \$5,000,000 of the available bonding authority from the small issue pool for applications for agricultural development bond loan projects of the Minnesota Rural Finance Authority.

The total amount of allocations for student loan bonds from the small issue pool may not exceed \$10,000,000 per year.

The commissioner shall reserve \$10,000,000 until the day after the last Monday in February, \$10,000,000 until the day after the last Monday in April, and \$10,000,000 until the day after the last Monday in June in the small issue pool for enterprise zone facility projects and manufacturing projects. The amount of allocation provided to an issuer for a specific enterprise zone facility project or manufacturing project will be based on the number of points received for the proposed project under the scoring system under section 474A.045.

If there are two or more applications for manufacturing and enterprise zone facility projects from the small issue pool and there is insufficient bonding authority to provide allocations for all projects in any one week, the available bonding authority shall be awarded based on the number of points awarded a project under section 474A.045, with those projects receiving the greatest number of points receiving allocation first. If two or more applications receive an equal number of points, available bonding authority shall be awarded by lot unless otherwise agreed to by the respective issuers.

EFFECTIVE DATE. This section is effective January 1, 2020.

Sec. 43. Minnesota Statutes 2018, section 474A.061, subdivision 2c, is amended to read:

Commencing on the second Tuesday in January and continuing on each Monday through the last Monday in ~~July~~ June, the commissioner shall allocate available bonding authority from the public facilities pool to applications for eligible public facilities projects received on or before the Monday of the preceding week. If the issuer notifies the department or the 120-day period since allocation has expired prior to the last Monday in ~~July~~ June, the amount of allocation is canceled and returned for reallocation through the pool from which it was originally allocated. If the issuer notifies the department or the 120-day period since allocation has expired on or after the last Monday in ~~July~~ June, the amount of allocation is canceled and returned for reallocation through the unified pool. EFFECTIVE DATE. This section is effective January 1, 2020.

Sec. 49. Minnesota Statutes 2018, section 474A.091, is amended by adding a subdivision to read:

Subd. 2a. **Application for all other types of qualified bonds.** (a) Issuers may apply for an allocation for all types of qualified bonds other than residential rental bonds under this section by submitting to the department an application on forms provided by the department accompanied by:

(1) a preliminary resolution;

(2) a statement of bond counsel that the proposed issue of obligations requires an allocation under this chapter and the Internal Revenue Code;

(3) the type of qualified bonds to be issued;

(4) an application deposit in the amount of two percent of the requested allocation; and

(5) a public purpose scoring worksheet for manufacturing and enterprise zone applications.

The issuer must pay the application deposit to the Department of Management and Budget. An entitlement issuer may not apply for an allocation for public facility bonds or mortgage bonds under this section unless it has either permanently issued bonds equal to the amount of its entitlement allocation for the current year plus any amount carried forward from previous years or returned for reallocation all of its unused entitlement allocation. For purposes of this subdivision, an entitlement allocation includes an amount obtained under section 474A.04, subdivision 6.

(b) An issuer that receives an allocation under this subdivision must permanently issue obligations equal to all or a portion of the allocation received on or before 120 days of the allocation. If an issuer that receives an allocation under this subdivision does not permanently issue obligations equal to all or a portion of the allocation received within the time period provided in this paragraph or returns the allocation to the commissioner, the amount of the allocation is canceled and returned for reallocation through the unified pool.

(c) Notwithstanding the restrictions imposed on entitlement issuers under this subdivision, the Minnesota Housing Finance Agency may not receive an allocation for mortgage bonds under this section prior to the first Monday in October, but may be awarded allocations for mortgage bonds from the unified pool on or after the first Monday in October. The Minnesota Housing Finance Agency, the Minnesota Office of Higher Education, and the Minnesota Rural Finance Authority may apply for and receive an allocation under this section without submitting an application deposit.

EFFECTIVE DATE. This section is effective January 1, 2020.

Sec. 50. Minnesota Statutes 2018, section 474A.091, subdivision 3, is amended to read:

Subd. 3. **Allocation procedure.** (a) The commissioner shall allocate available bonding authority under this section on the Monday of every other week beginning with the first Monday in ~~August~~ July through and on the last Monday in November. Applications for allocations must be received by the department by 4:30 p.m. on the Monday preceding the Monday on which allocations are to be made. If a Monday falls on a holiday, the allocation will be made or the applications must be received by the next business day after the holiday.

(b) Prior to October 1, only the following applications shall be awarded allocations from the unified pool. Allocations shall be awarded in the following order of priority:

(1) applications for residential rental project bonds;

(2) applications for small issue bonds for manufacturing projects; and

(3) applications for small issue bonds for agricultural development bond loan projects.

(c) On the first Monday in October through the last Monday in November, allocations shall be awarded from the unified pool in the following order of priority:

(1) applications for student loan bonds issued by or on behalf of the Minnesota Office of Higher Education;

(2) applications for mortgage bonds;

(3) applications for public facility projects funded by public facility bonds;

(4) applications for small issue bonds for manufacturing projects;

(5) applications for small issue bonds for agricultural development bond loan projects;

(6) applications for residential rental project bonds;

(7) applications for enterprise zone facility bonds;

(8) applications for governmental bonds; and

(9) applications for redevelopment bonds.

(d) If there are two or more applications for manufacturing projects from the unified pool and there is insufficient bonding authority to provide allocations for all manufacturing projects in any one allocation period, the available bonding authority shall be awarded based on the number of points awarded a project under section 474A.045 with those projects receiving the greatest number of points receiving allocation first. If two or more applications for manufacturing projects receive an equal amount of points, available bonding authority shall be awarded by lot unless otherwise agreed to by the respective issuers.

(e) If there are two or more applications for enterprise zone facility projects from the unified pool and there is insufficient bonding authority to provide allocations for all enterprise zone facility projects in any one allocation period, the available bonding authority shall be awarded based on the number of points awarded a project under section 474A.045 with those projects receiving the greatest number of points receiving allocation first. If two or more applications for enterprise zone facility projects receive an equal amount of points, available bonding authority shall be awarded by lot unless otherwise agreed to by the respective issuers.

(f) If there are two or more applications for residential rental projects from the unified pool and there is insufficient bonding authority to provide allocations for all residential rental projects in any one allocation period, the available bonding authority shall be awarded in the following order of priority: (1) projects that preserve existing federally subsidized housing; (2) projects that are not restricted to persons who are 55 years of age or older; and (3) preservation projects; (2) 30 percent AMI residential rental projects; (3) 50 percent AMI residential rental projects for which the amount of bonds requested in their respective applications do not exceed the aggregate bond limitations; (4) 100 percent LIHTC projects; (5) 20 percent LIHTC projects; and (6) other residential rental projects. If there are two or more applications for residential rental projects at the same priority level and there is insufficient bonding authority to provide allocations for all the projects in any one

allocation period, available bonding authority shall be randomly awarded by lot but only for projects that can receive the full amount of their respective requested allocations. If a residential rental project does not receive any of its requested allocation pursuant to this paragraph and the project applies in the next successive housing pool or the next successive unified pool for an allocation of bonds, the project shall be fully funded up to its original application request for bonding authority before any new project, applying in the same allocation period, that has an equal priority shall receive bonding authority.

(g) From the first Monday in ~~August~~ July through the last Monday in November, \$20,000,000 of bonding authority or an amount equal to the total annual amount of bonding authority allocated to the small issue pool under section 474A.03, subdivision 1, less the amount allocated to issuers from the small issue pool for that year, whichever is less, is reserved within the unified pool for small issue bonds to the extent ~~such~~ the amounts are available within the unified pool.

(h) The total amount of allocations for mortgage bonds from the housing pool and the unified pool may not exceed:

- (1) \$10,000,000 for any one city; or
- (2) \$20,000,000 for any number of cities in any one county.

(i) The total amount of allocations for student loan bonds from the unified pool may not exceed \$25,000,000 per year.

(j) If there is insufficient bonding authority to fund all projects within any qualified bond category other than enterprise zone facility projects, manufacturing projects, and residential rental projects, allocations shall be awarded by lot unless otherwise agreed to by the respective issuers.

(k) If an application is rejected, the commissioner must notify the applicant and return the application deposit to the applicant within 30 days unless the applicant requests in writing that the application be resubmitted.

(l) The granting of an allocation of bonding authority under this section must be evidenced by issuance of a certificate of allocation.

EFFECTIVE DATE. This section is effective January 1, 2020.

Sec. 51. Minnesota Statutes 2018, section 474A.091, subdivision 5, is amended to read:

Subd. 5. **Return of allocation; deposit refund.** (a) If an issuer that receives an allocation under this section determines that it will not permanently issue obligations equal to all or a portion of the allocation received under this section within ~~120~~ the applicable number of days ~~of~~ after the allocation required in this chapter or within the time period permitted by federal tax law, whichever is less, the issuer must notify the department. If the issuer notifies the department ~~or the 120-day applicable~~ period since allocation has expired prior to the last Monday in November, the amount of allocation is canceled and returned for reallocation through the unified pool. If the issuer notifies the department on or after the last Monday in November, the amount of allocation is canceled and returned for reallocation to the Minnesota Housing Finance Agency. To encourage a competitive application

process, the commissioner shall reserve, for new applications, the amount of allocation that is canceled and returned for reallocation under this section for a minimum of seven calendar days.

(b) An issuer that returns for reallocation all or a portion of an allocation for all types of bonds other than residential rental project bonds received under this section within 120 days of the allocation shall receive within 30 days a refund equal to:

(1) one-half of the application deposit for the amount of bonding authority returned within 30 days of receiving the allocation;

(2) one-fourth of the application deposit for the amount of bonding authority returned between 31 and 60 days of receiving the allocation; and

(3) one-eighth of the application deposit for the amount of bonding authority returned between 61 and 120 days of receiving the allocation.

(c) An issuer that returns for reallocation all or a portion of an allocation for residential rental project bonds received under this section within 180 days of the allocation shall receive within 30 days a refund equal to:

(1) one-half of the application deposit for the amount of bonding authority returned within 45 days of receiving the allocation;

(2) one-fourth of the application deposit for the amount of bonding authority returned between 46 and 90 days of receiving the allocation; and

(3) one-eighth of the application deposit for the amount of bonding authority returned between 91 and 180 days of receiving the allocation.

~~(d)~~ (d) No refund of the application deposit shall be available for allocations returned on or after the last Monday in November.

EFFECTIVE DATE. This section is effective January 1, 2020.

Sec. 52. Minnesota Statutes 2018, section 474A.131, subdivision 1, is amended to read:

Subdivision 1. **Notice of issue.** (a) Each issuer ~~that issues bonds~~ with an allocation received under this chapter shall provide a notice of issue to the department on forms provided by the department stating:

(2) the title of the issue;

(3) the principal amount of the bonds;

(4) the type of qualified bonds under federal tax law;

(5) the dollar amount of the bonds issued that were subject to the annual volume cap; and

(6) for entitlement issuers, whether the allocation is from current year entitlement authority or is from carryforward authority.

For obligations that are issued as a part of a series of obligations, a notice must be provided for each series. A penalty of one-half of the amount of the application deposit not to exceed \$5,000 shall apply to any issue of obligations for which a notice of issue is not provided to the department within five business days after issuance or before 4:30 p.m. on the last business day in December, whichever occurs first. Within 30 days after receipt of a notice of issue the department shall refund a portion of the application deposit equal to one percent of the amount of the bonding authority actually issued if a one percent application deposit was made, or equal to two percent of the amount of the bonding authority actually issued if a two percent application deposit was made, less any penalty amount.

(b) If an issuer that receives an allocation under this chapter for a residential rental project issues obligations as provided in this chapter, the commissioner shall refund 50 percent of any application deposit previously paid within 30 days of the issuance of the obligations and the remaining 50 percent will be refunded within 30 days after the date on which:

(1) final Internal Revenue Service Forms 8609 are provided to the commissioner with respect to preservation projects, 30 percent AMI residential rental projects, 50 percent AMI residential rental projects, 100 percent LIHTC projects, or 20 percent LIHTC projects, or

(2) the issuer provides a certification and any other reasonable documentation requested by the commissioner evidencing that construction of the project has been completed.

If the issuer receives an allocation under this chapter for a residential rental project and fails to issue the bonds within the time permitted by federal law, the application deposit shall be forfeited.

EFFECTIVE DATE. This section is effective January 1, 2020.

Sec. 53. Minnesota Statutes 2018, section 474A.131, subdivision 1b, is amended to read:

Subd. 1b. **Deadline for issuance of qualified bonds.** If an issuer fails to notify the department before 4:30 p.m. on the last business day in December of the permanent issuance of obligations pursuant to an allocation received for any qualified bond project or issuance of an entitlement allocation, the allocation is canceled and the bonding authority is allocated to the Minnesota Housing Finance Agency for carryforward by the commissioner under section 474A.091, subdivision 6.

EFFECTIVE DATE. This section is effective January 1, 2020.

Sec. 54. Minnesota Statutes 2018, section 474A.14, is amended to read:

Any fees collected by the department under sections 474A.01 to 474A.21 must be deposited in a separate account in the general fund. The amount necessary to refund application deposits is appropriated to the department from the separate account in the general fund for that purpose. The interest accruing on application deposits and any application deposit not refunded as provided under section 474A.061, subdivision 4 or 7, or 474A.091, subdivision 5, or forfeited as provided under section 474A.131, subdivision 1, paragraph (b), or subdivision 2, must be deposited in the housing trust fund account under section 462A.201.

EFFECTIVE DATE. This section is effective January 1, 2020.

Sec. 56. Minnesota Statutes 2018, section 504B.111, is amended to read:

504B.111 WRITTEN LEASE REQUIRED; PENALTY.

A landlord of a residential building with 12 or more residential units must have a written lease for each unit rented to a residential tenant. The written lease must identify the specific unit the residential tenant will occupy before the residential tenant signs the lease. Notwithstanding any other state law or city ordinance to the contrary, a landlord may ask for the tenant's full name and date of birth on the lease and application. A landlord who fails to provide a lease, as required under this section, is guilty of a petty misdemeanor.

EFFECTIVE DATE. This section is effective the day following final enactment and applies to leases entered into or renewed on or after that date.

Sec. 57. **[504B.146] LEASE DURATION NOTICE.**

A written lease for a residential unit must identify the lease start date and lease end date. If the lease requires the tenant to move in or out of the residential unit on a date other than the first or last day of the month, and the rent is prorated, then the lease must indicate the amount of the prorated rent for the relevant months. The information required by this section must be provided on the first page of the lease.

EFFECTIVE DATE. This section is effective the day following final enactment and applies to leases entered into or renewed on or after that date.

Sec. 58. **[504B.147] TIME PERIOD FOR NOTICE TO QUIT OR RENT INCREASE.**

Subdivision 1. **Application.** This section applies to a residential lease that provides a time period for the landlord to give notice to quit the premises or notice of a rent increase that is different than the time period the tenant is required to give for notice of intention to quit the premises. For purposes of this section, "notice to quit" includes a notice of nonrenewal of a lease.

Subd. 2. **Tenant option to choose notice period.** The tenant may give notice of an intention to quit the premises using either:

(1) the time period provided in the lease for the tenant to give a notice of intention to quit the premises; or

(2) the time period provided in the lease for the landlord to give a notice to quit the premises or notice of a rent increase.

Subd. 3. **Landlord notice requirements.** The landlord may not give a notice to quit the premises or notice of a rent increase that is shorter than the time period the lease provides for the tenant to give notice of an intention to quit the premises.

Subd. 4. **No waiver.** The requirements of this section may not be waived or modified by the parties to a residential lease. Any provision, whether oral or written, of a lease or other agreement by which any provision of this section is waived by a tenant is contrary to public policy and void.

EFFECTIVE DATE. This section is effective the day following final enactment and applies to leases entered into or renewed on or after that date.

Sec. 59. Minnesota Statutes 2018, section 504B.206, subdivision 3, is amended to read:

Subd. 3. **Liability for rent; termination of tenancy.** (a) A tenant who is a sole tenant and is terminating a lease under subdivision 1 is responsible for the rent payment for the full month in which the tenancy terminates. The tenant forfeits all claims for the return of the security deposit under section 504B.178 and is relieved of any other contractual obligation for payment of rent or any other charges for the remaining term of the lease, except as provided in this section. In a sole tenancy, the tenancy terminates on the date specified in the notice provided to the landlord as required under subdivision 1.

(b) In a tenancy with multiple tenants, one of whom is terminating the lease under subdivision 1, any lease governing all tenants is terminated at the ~~latter~~ later of the end of the month or the end of the rent interval in which one tenant terminates the lease under subdivision 1. All tenants are responsible for the rent payment for the full month in which the tenancy terminates. Upon termination, all tenants forfeit all claims for the return of the security deposit under section 504B.178 and are relieved of any other contractual obligation for payment of rent or any other charges for the remaining term of the lease, except as provided in this section. Any tenant whose tenancy was terminated under this paragraph may reapply to enter into a new lease with the landlord.

(c) This section does not affect a tenant's liability for delinquent, unpaid rent or other amounts owed to the landlord before the lease was terminated by the tenant under this section.

Sec. 60. **ITASCA COUNTY; CERTAIN FEES MAY BE REGULATED.**

Itasca County may adopt an ordinance to regulate license fee increases that may be imposed on a homeowner by the owner or licensor of the underlying land on which the house is located. If the county adopts an ordinance under this section, the ordinance must limit any license fee increase to no more than ten percent of the license fee charged in the preceding 12-month period. In addition, the ordinance must not allow more than one increase in a 12-month period. "License fee" means a fee paid by a licensee pursuant to a license agreement granting the licensee permission to use, enter, or occupy an owner's or licensor's property. The ordinance adopted may only apply to fees imposed pursuant to license agreements entered into or renewed on or after the effective date of the ordinance.

EFFECTIVE DATE. This section is effective the day following final enactment.
