Subd. 7. **ESA establishment.** (a) To ensure that funds are spent appropriately, the commissioner shall adopt rules and policies necessary for the administration of the program, including the auditing of ESAs, and shall conduct or contract for random audits throughout the year.

(b) Beginning with the 2023-2024 school year, the commissioner shall issue ESA cards to parents making expenditures under this section on behalf of a participating student. ESA cards shall be issued to parents upon enrollment in the program and shall expire when the participating student's ESA is closed, except for the periodic expiration and replacement of cards in the normal course of business. All unexpended amounts shall remain in the student's ESA and be combined with the following year's allocation of ESA funds, subject to subdivision 3, paragraphs (f) and (g).

(c) The commissioner, taking into consideration requests from the parents of participating students, shall use merchant category classification (MCC) codes, or a similar system as practicable and consistent with current technology, to identify categories of providers that provide services and products consistent with subdivision 3, paragraph (b). The commissioner shall make a list of blocked and unblocked MCC codes publicly available for purposes of the program.

(f) The commissioner shall adopt rules implementing policies on misspending of ESA funds.

(g) Any amount not spent in the allowable categories pursuant to the agreement will cause the ESA card to be temporarily suspended and the parent contacted within five business days by United States mail at the parent's home address explaining the suspension, detailing the violation, and requesting the parent to:

(1) provide additional documentation within 15 business days justifying the expenditure; or

(2) repay the misspent amount within 15 business days.

(h) If the parent does not provide sufficient documentation and refuses to repay the amount, the commissioner shall begin the removal process and shall seek to recover the misspent funds using administrative measures or other appropriate measures, including referral to collections, seeking a civil judgment, or referral to law enforcement.

(i) If the parent repays the amount within the requested time frame, then the offense will be recorded and held in the parent's file.

(j) Three offenses within a consecutive three-year period shall disqualify the student from participating in the program.

(k) If the commissioner determines that a parent has failed to comply with the terms of the agreement as specified in subdivision 3, the commissioner shall suspend the participating student's ESA. The commissioner shall notify the parent in writing within five business days that the ESA has been suspended and that no further transactions will be allowed or disbursements made. The notification shall specify the reason for the suspension and state that the parent has 21 business days to respond and take corrective action.

(l) If the parent fails to respond to the commissioner, furnish reasonable and necessary information, or make a report that may be required for reinstatement within the 21-day period, the commissioner may remove the participating student from the program.

(m) The decision of the commissioner under this section is subject to judicial review under Minnesota Statutes, sections 14.63 to 14.69. The decision of the commissioner is stayed pending an appeal.

(n) The commissioner shall refer cases of substantial misuse of funds to law enforcement agencies for investigation if evidence of fraudulent intent and use of an ESA is obtained.

Subd. 8. **Scope.** An eligible nonpublic school is autonomous and not an agent of the state or federal government, and therefore:

(1) the commissioner, department, or any other government agency shall not in any way regulate the educational program of a nonpublic school or educational service provider that accepts funds from the parent of a participating student;

(3) eligible schools and educational service providers shall be given the maximum freedom to provide for the educational needs of their students without governmental control.
