(4) consent may be withdrawn at any time;

(5) previous relationships or prior consent do not imply consent to future sexual acts; and

(6) a person is deemed incapable of consenting when that person is:

(i) unable to communicate or understand the nature or extent of a sexual situation due to mental or physical incapacitation or impairment; or

Once a student completes the training, institutions must document the student's completion of the training and provide proof of training completion to a student at the student's request. Students enrolled at more than one institution within the same system at the same time are only required to complete the training once.

The training shall include information about topics including but not limited to sexual assault as defined in subdivision 1a; affirmative consent as defined in ~~section 609.341, subdivision 4~~ subdivision 3a; preventing and reducing the prevalence of sexual assault; procedures for reporting campus sexual assault; and campus resources on sexual assault, including organizations that support victims of sexual assault.
