"Sec. 24. DWI CONTROLLED SUBSTANCE ROADSIDE TESTING INSTRUMENT PILOT PROJECT; REPORT REQUIRED.

(a) The commissioner of public safety must design, plan, and implement a pilot project to study oral fluid roadside testing instruments to determine the presence of a controlled substance or intoxicating substance in individuals stopped or arrested for driving while impaired offenses. The pilot project must determine the practicality, accuracy, and efficacy of these testing instruments and determine and make recommendations on the best instrument or instruments to pursue in the future.

(b) The pilot project must begin on September 1, 2023, and continue until August 31, 2024.

(c) The commissioner must consult with law enforcement officials, prosecutors, criminal defense attorneys, and other interested and knowledgeable parties when designing, implementing, and evaluating the pilot project.

(d) All oral fluid samples obtained for the purpose of this pilot project must be obtained by a certified drug recognition evaluator and may only be collected with the express voluntary consent of the person stopped or arrested for suspicion of driving while impaired. Results of tests conducted under the pilot project are to be used for the purpose of analyzing the practicality, accuracy, and efficacy of the instrument. Results may not be used to decide whether an arrest should be made and are not admissible in any legal proceeding.

(e) By February 1, 2025, the commissioner must report to the chairs and ranking minority members of the legislative committees with jurisdiction over public safety on the results of the pilot project. At a minimum, the report must include information on how accurate the instruments were

when tested against laboratory results, how often participants were found to have controlled substances or intoxicating substances in their systems, how often there was commingling of controlled substances or intoxicating substances with alcohol, the types of controlled substances or intoxicating substances found in participants' systems and which types were most common, and the number of participants in the project. In addition, the report must assess the practicality and reliability of using the instruments in the field and make recommendations on continuing the project permanently.

EFFECTIVE DATE. This section is effective the day following final enactment."

"Section 1. [5.60] DEMOCRACY CUP.

Subdivision 1. Definitions. (a) For purposes of this section, the definitions have the meanings given.

(b) "Postsecondary institution" means public postsecondary institutions and nonprofit degree-granting institutions physically located in Minnesota and registered with the Office of Higher Education under section 136A.63.

(c) "Report" means a National Study for Learning, Voting, and Engagement report issued by the Institute for Democracy and Higher Education at Tufts University.

Subd. 2. **Enrollment; reports.** All postsecondary institutions must enroll in the National Study for Learning, Voting, and Engagement by the Institute for Democracy and Higher Education at Tufts University. Within 30 days of receiving a report, a postsecondary institution must send the report to the secretary of state. The secretary of state must make the reports publicly available on the secretary of state's website.

Subd. 3. **Democracy Cup.** Each January of an even numbered year, the secretary of state must award a Democracy Cup to a postsecondary institution with the highest voting rate according to the National Study for Learning, Voting, and Engagement at Tufts University in each of the following categories: (1) public two-year colleges, (2) public four-year state universities, (3) the University of Minnesota system, and (4) Minnesota private colleges."

"Sec. 4. Minnesota Statutes 2022, section 201.1611, subdivision 1, is amended to read:

Subdivision 1. **Forms.** (a) All postsecondary institutions that enroll students accepting state or federal financial aid ~~shall~~ must provide voter registration forms to each student ~~as early as possible in the fall quarter~~ during the fall and spring of each year. In state election years, it must be provided 15 days in advance of the deadline for registering to vote for the state general election. If the voter registration forms are provided electronically, the electronic message must be devoted exclusively to voter registration.

(b) All school districts ~~shall~~ must make available voter registration applications each May and September to all students registered as students of the school district who will be eligible to vote at the next election after those months. A school district has no obligation to provide voter registration applications to students who participate in a postsecondary education option program or who otherwise reside in the district but do not attend a school operated by the district. A school district fulfills its obligation to a student under this section if it provides a voter registration application to the student one time.

(c) The voter registration forms must contain spaces for the information required in section 201.071, subdivision 1, and applicable rules of the secretary of state. The institutions and school districts may request these forms from the secretary of state. Institutions ~~shall~~ must consult with their campus student government in determining the most effective means of distributing the forms and in seeking to facilitate election day registration of students under section 201.061, subdivision 3. School districts must advise students that completion of the voter registration application is not a school district requirement.

(d) The institutions and school districts must report to the secretary of state by November 30 of each year on their implementation of this section. At a minimum, the report must include how and when the forms were distributed, how many were distributed, and how many were completed.

Institutions and school districts may include information about methods that were effective in increasing student registrations.

(e) By February 1 of each year, the secretary of state must report to the chairs and ranking minority members of the legislative committees with jurisdiction over elections on the data received from institutions and school districts. The secretary must highlight best practices and innovative methods that were most effective in registering students to vote.

Sec. 5. Minnesota Statutes 2022, section 201.1611, is amended by adding a subdivision to read:

Subd. 3. **Voter information.** (a) All postsecondary institutions that enroll students accepting state or federal financial aid must maintain a webpage to share resources to help students determine where and how they are eligible to vote. The webpage must include the following:

(1) resources from state and local election officials on voter registration and voting requirements including voter registration deadlines; residency requirements; acceptable methods of proving residency for same day registration, as applicable; and absentee voting options;

(2) applicable deadlines for requesting and submitting an absentee ballot, as well as additional options for early and in-person voting, and voting on election day;

(3) resources to help students who are registered in another state to apply for absentee ballots in that state, and may include resources from state and local election officials from that state;

(4) the campus vote coordinator's name and contact information; and

(5) the voter engagement plan required by paragraph (b), clause (3).

(b) All postsecondary institutions that enroll students accepting state or federal financial aid must designate a staff person as the campus vote coordinator. The campus vote coordinator must:

(1) ensure the institution complies with this section;

(2) report the number of physical and electronic voter registrations collected on an annual basis on the institution's voting website; and

(3) consult with the campus student association to develop a voter engagement plan that identifies goals and activities, resources to accomplish the identified goals and activities, and individual or key departments responsible for executing the identified goals and activities."
