Subdivision 1. **Adoption of code.** (a) Subject to paragraphs (c) and (d) and sections 326B.101 to 326B.194, the commissioner shall by rule and in consultation with the Construction Codes Advisory Council establish a code of standards for the construction, reconstruction, alteration, and repair of buildings, governing matters of structural materials, design and construction, fire protection, health, sanitation, and safety, including design and construction standards regarding heat loss control, illumination, and climate control. The code must also include duties and responsibilities for code administration, including procedures for administrative action, penalties, and suspension and revocation of certification. The code must conform insofar as practicable to model building codes generally accepted and in use throughout the United States, including a code for building conservation. In the preparation of the code, consideration must be given to the existing statewide specialty codes presently in use in the state. Model codes with necessary modifications and statewide specialty codes may be adopted by reference. The code must be based on the application of scientific principles, approved tests, and professional judgment. To the extent possible, the code must be adopted in terms of desired results instead of the means of achieving those results, avoiding wherever possible the incorporation of specifications of particular methods or materials. To that end the code must encourage the use of new methods and new materials. Except as otherwise provided in sections 326B.101 to 326B.194, the commissioner shall administer and enforce the provisions of those sections.

(b) The commissioner shall develop rules addressing the plan review fee assessed to similar buildings without significant modifications including provisions for use of building systems as specified in the industrial/modular program specified in section 326B.194. Additional plan review fees associated with similar plans must be based on costs commensurate with the direct and indirect costs of the service.

(c) Beginning with the 2018 edition of the model building codes and every six years thereafter, the commissioner shall review the new model building codes and adopt the model codes as amended for use in Minnesota, within two years of the published edition date. The commissioner may adopt amendments to the building codes prior to the adoption of the new building codes to advance construction methods, technology, or materials, or, where necessary to protect the health, safety, and welfare of the public, or to improve the efficiency or the use of a building.

(d) Notwithstanding paragraph (c), the commissioner shall act on each new model residential energy code and the new model commercial energy code in accordance with federal law for which the United States Department of Energy has issued an affirmative determination in compliance with United States Code, title 42, section 6833. The commissioner may adopt amendments prior to adoption of the new energy codes, as amended for use in Minnesota, to advance construction methods, technology, or materials, or, where necessary to protect the health, safety, and welfare of the public, or to improve the efficiency or use of a building.

(e) Beginning in 2024, the commissioner shall act on the new model commercial energy code by adopting each new published edition of ASHRAE 90.1 or a more efficient standard. The commercial energy code in effect in 2036 and thereafter must achieve an 80 percent reduction in annual net energy consumption or greater, using the ASHRAE 90.1-2004 as a baseline. The commissioner shall adopt commercial energy codes from 2024 to 2036 that incrementally move toward achieving the 80 percent reduction in annual net energy consumption. By January 15 of the year following each new code adoption, the commissioner shall make a report on progress under this section to the legislative committees with jurisdiction over the energy code.

(f) Nothing in this section shall be interpreted to limit the ability of a public utility to offer code support programs, or to claim energy savings resulting from such programs, through its energy conservation and optimization plans approved by the commissioner of commerce under section 216B.241 or an energy conservation and optimization plan filed by a consumer-owned utility under section 216B.2403.

(b) **Smoke detection devices.** The code must require that all dwellings, lodging houses, apartment houses, and hotels as defined in section 299F.362 comply with the provisions of section 299F.362.

(c) **Doors in nursing homes and hospitals.** The State Building Code may not require that each door entering a sleeping or patient's room from a corridor in a nursing home or hospital with an approved complete standard automatic fire extinguishing system be constructed or maintained as self-closing or automatically closing.

(d) **Child care facilities in churches; ground level exit.** A licensed day care center serving fewer than 30 preschool age persons and which is located in a belowground space in a church building is exempt from the State Building Code requirement for a ground level exit when the center has more than two stairways to the ground level and its exit.

(e) **Family and group family day care.** Until the legislature enacts legislation specifying appropriate standards, the definition of dwellings constructed in accordance with the International Residential Code as adopted as part of the State Building Code applies to family and group family day care homes licensed by the Department of Human Services under Minnesota Rules, chapter 9502.

(f) **Enclosed stairways.** No provision of the code or any appendix chapter of the code may require stairways of existing multiple dwelling buildings of two stories or less to be enclosed.

(g) **Double cylinder dead bolt locks.** No provision of the code or appendix chapter of the code may prohibit double cylinder dead bolt locks in existing single-family homes, townhouses, and first floor duplexes used exclusively as a residential dwelling. Any recommendation or promotion of

double cylinder dead bolt locks must include a warning about their potential fire danger and procedures to minimize the danger.

(h) **Relocated residential buildings.** A residential building relocated within or into a political subdivision of the state need not comply with the State Energy Code or section 326B.439 provided that, where available, an energy audit is conducted on the relocated building.

(i) **Automatic garage door opening systems.** The code must require all residential buildings as defined in section 325F.82 to comply with the provisions of sections 325F.82 and 325F.83.

(j) **Exterior wood decks, patios, and balconies.** The code must permit the decking surface and upper portions of exterior wood decks, patios, and balconies to be constructed of (1) heartwood from species of wood having natural resistance to decay or termites, including redwood and cedars, (2) grades of lumber which contain sapwood from species of wood having natural resistance to decay or termites, including redwood and cedars, or (3) treated wood. The species and grades of wood products used to construct the decking surface and upper portions of exterior decks, patios, and balconies must be made available to the building official on request before final construction approval.

(k) **Bioprocess piping and equipment.** No permit fee for bioprocess piping may be imposed by municipalities under the State Building Code, except as required under section 326B.92 subdivision 1. Permits for bioprocess piping shall be according to section 326B.92 administered by the Department of Labor and Industry. All data regarding the material production processes, including the bioprocess system's structural design and layout, are nonpublic data as provided by section 13.7911.

(l) **Use of ungraded lumber.** The code must allow the use of ungraded lumber in geographic areas of the state where the code did not generally apply as of April 1, 2008, to the same extent that ungraded lumber could be used in that area before April 1, 2008.

~~(m) **Window cleaning safety.** The code must require the installation of dedicated anchorages for the purpose of suspended window cleaning on (1) new buildings four stories or greater; and (2) buildings four stories or greater, only on those areas undergoing reconstruction, alteration, or repair that includes the exposure of primary structural components of the roof. The commissioner shall adopt rules, using the expedited rulemaking process in section 14.389, requiring window cleaning safety features that comply with a nationally recognized standard as part of the State Building Code. Window cleaning safety features shall be provided for all windows on:~~

- ~~(1) new buildings where determined by the code; and~~
- ~~(2) existing buildings undergoing alterations where both of the following conditions are met:~~
 - ~~(i) the windows do not currently have safe window cleaning features; and~~
 - ~~(ii) the proposed work area being altered can include provisions for safe window cleaning.~~

~~The commissioner may waive all or a portion of the requirements of this paragraph related to reconstruction, alteration, or repair, if the installation of dedicated anchorages would not result in significant safety improvements due to limits on the size of the project, or other factors as determined by the commissioner.~~

(n) **Adult-size changing facilities.** The commissioner shall adopt rules requiring adult-size changing facilities as part of the State Building Code.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 31. Minnesota Statutes 2022, section 326B.106, is amended by adding a subdivision to read:

Subd. 16. **Electric vehicle charging.** The code shall require a minimum number of electric vehicle ready spaces, electric vehicle capable spaces, and electric vehicle charging stations either within or adjacent to new commercial and multifamily structures that provide on-site parking facilities. The commissioner shall order the employer to pay to the aggrieved parties back pay, gratuities, and compensatory damages, less any amount actually paid to the employee by the employer, and for an additional equal amount as liquidated damages. Any employer who is found by the commissioner to have repeatedly or willfully violated a section or sections identified in subdivision 4 shall be subject to a civil penalty of up to \$1,000 for each violation for each employee. In determining the amount of a civil penalty under this subdivision, the appropriateness of such penalty to the size of the employer's business and the gravity of the violation shall be considered. In addition, the commissioner may order the employer to reimburse the department and the attorney general for all appropriate litigation and hearing costs expended in preparation for and in conducting the contested case proceeding, unless payment of costs would impose extreme financial hardship on the employer. If the employer is able to establish extreme financial hardship, then the commissioner may order the employer to pay a percentage of the total costs that will not cause extreme financial hardship. Costs include but are not limited to the costs of services rendered by the attorney general, private

attorneys if engaged by the department, administrative law judges, court reporters, and expert witnesses as well as the cost of transcripts. Interest shall accrue on, and be added to, the unpaid balance of a commissioner's order from the date the order is signed by the commissioner until it is paid, at an annual rate provided in section 549.09, subdivision 1, paragraph (c). Sec. 5. **[181.213] DUTIES OF THE BOARD; MINIMUM NURSING HOME EMPLOYMENT STANDARDS.**

Subdivision 1. **Authority to establish minimum nursing home employment standards.** (a) The board must adopt rules establishing minimum nursing home employment standards that are reasonably necessary and appropriate to protect the health and welfare of nursing home workers, to ensure that nursing home workers are properly trained about and fully informed of their rights under sections 181.211 to 181.217, and to otherwise satisfy the purposes of sections 181.211 to 181.217. Standards established by the board must include standards on compensation for nursing home workers, and may include recommendations under paragraph (c). The board may not adopt standards that are less protective of or beneficial to nursing home workers as any other applicable statute or rule or any standard previously established by the board unless there is a determination by the board under subdivision 2 that existing standards exceed the operating payment rate and external fixed costs payment rates included in the most recent budget and economic forecast completed under section 16A.103. In establishing standards under this section, the board must establish statewide standards, and may adopt standards that apply to specific nursing home occupations.

(b) The board must adopt rules establishing initial standards for wages for nursing home workers no later than August 1, 2024. The board may use the authority in section 14.389 to adopt rules under this paragraph. The board shall consult with the department in the development of these standards prior to beginning the rule adoption process.

(c) To the extent that any minimum standards that the board finds are reasonably necessary and appropriate to protect the health and welfare of nursing home workers fall within the jurisdiction of chapter 182, the board shall not adopt rules establishing the standards but shall instead recommend the occupational health and safety standards to the commissioner. The commissioner shall adopt nursing home health and safety standards under section 182.655 as recommended by the board, unless the commissioner determines that the recommended standard is outside the statutory authority of the commissioner, presents enforceability challenges, is infeasible to implement, or is otherwise unlawful and issues a written explanation of this determination.

Subd. 2. **Investigation of market conditions.** (a) The board must investigate market conditions and the existing wages, benefits, and working conditions of nursing home workers for specific geographic areas of the state and specific nursing home occupations. Based on this information, the

board must seek to adopt minimum nursing home employment standards that meet or exceed existing industry conditions for a majority of nursing home workers in the relevant geographic area and nursing home occupation. Except for standards exceeding the threshold determined in paragraph (d), initial employment standards established by the board are effective beginning January 1, 2025, and shall remain in effect until any subsequent standards are adopted by rules.

(b) The board must consider the following types of information in making determinations that employment standards are reasonably necessary to protect the health and welfare of nursing home workers:

(1) wage rate and benefit data collected by or submitted to the board for nursing home workers in the relevant geographic area and nursing home occupations;

(2) statements showing wage rates and benefits paid to nursing home workers in the relevant geographic area and nursing home occupations;

(3) signed collective bargaining agreements applicable to nursing home workers in the relevant geographic area and nursing home occupations;

(4) testimony and information from current and former nursing home workers, worker organizations, nursing home employers, and employer organizations;

(5) local minimum nursing home employment standards;

(6) information submitted by or obtained from state and local government entities; and

(7) any other information pertinent to establishing minimum nursing home employment standards.

(c) In considering wage and benefit increases, the board must determine the impact of nursing home operating payment rates determined pursuant to section 256R.21, subdivision 3, and the employee benefits portion of the external fixed costs payment rate determined pursuant to section 256R.25. If the board, in consultation with the commissioner of human services, determines the operating payment rate and employee benefits portion of the external fixed costs payment rate will increase to comply with the new employment standards, the board shall report to the legislature the increase in funding needed to increase payment rates to comply with the new employment standards and must make implementation of any new nursing home employment standards contingent upon an appropriation, as determined by sections 256R.21 and 256R.25, to fund the rate increase necessary to comply with the new employment standards.

(d) In evaluating the impact of the employment standards on payment rates determined by sections 256R.21 and 256R.25, the board, in consultation with the commissioner of human services, must consider the following:

(1) the statewide average wage rates for employees pursuant to section 256R.10, subdivision 5, and benefit rates pursuant to section 256R.02, subdivisions 18 and 22, as determined by the annual Medicaid cost report used to determine the operating payment rate and the employee benefits portion of the external fixed costs payment rate for the first day of the calendar year immediately following the date the board has established minimum wage and benefit levels;

(2) compare the results of clause (1) to the operating payment rate and employee benefits portion of the external fixed costs payment rate increase for the first day of the second calendar year after the adoption of any nursing home employment standards included in the most recent budget and economic forecast completed under section 16A.103; and

(3) if the established nursing home employment standards result in an increase in costs that exceed the operating payment rate and external fixed costs payment rate increase included in the most recent budget and economic forecast completed under section 16A.103, effective on the proposed implementation date of the new nursing home employment standards, the board must determine if the rates will need to be increased to meet the new employment standards and the standards must not be effective until an appropriation sufficient to cover the rate increase and federal approval of the rate increase is obtained.

(e) The budget and economic forecasts completed under section 16A.103 shall not assume an increase in payment rates determined under chapter 256R resulting from the new employment standards until the board certifies the rates will need to be increased and the legislature appropriates funding for the increase in payment rates.

Subd. 3. **Review of standards.** At least once every two years, the board shall:

(1) conduct a full review of the adequacy of the minimum nursing home employment standards previously established by the board; and

(2) following that review, adopt new rules, amend or repeal existing rules, or make recommendations to adopt new rules or amend or repeal existing rules for minimum nursing home employment standards using the expedited rulemaking process in section 14.389, as appropriate to meet the purposes of sections 181.211 to 181.217.

Subd. 4. **Variance and waiver.** The board shall adopt procedures for considering temporary variances and waivers of the established standards for individual nursing homes based on the board's evaluation of the risk of closure or receivership under section 144A.15, due to compliance with all or part of an applicable standard.

Subd. 5. **Conflict.** (a) In the event of a conflict between a standard established by the board in rule and a rule adopted by another state agency, the rule adopted by the board shall apply to nursing home workers and nursing home employers.

(b) Notwithstanding paragraph (a), in the event of a conflict between a standard established by the board in rule and a rule adopted by another state agency, the rule adopted by the other state agency shall apply to nursing home workers and nursing home employers if the rule adopted by the other state agency is adopted after the board's standard and the rule adopted by the other state agency is more protective or beneficial than the board's standard.

(c) Notwithstanding paragraph (a), if the commissioner of health determines that a standard established by the board in rule or recommended by the board conflicts with requirements in federal regulations for nursing home certification or with state statutes or rules governing licensure of nursing homes, the federal regulations or state nursing home licensure statutes or rules shall take precedence, and the conflicting board standard or rule shall not apply to nursing home workers or nursing home employers.

Subd. 6. **Effect on other agreements.** Nothing in sections 181.211 to 181.217 shall be construed to:

(1) limit the rights of parties to a collective bargaining agreement to bargain and agree with respect to nursing home employment standards; or

(2) diminish the obligation of a nursing home employer to comply with any contract, collective bargaining agreement, or employment benefit program or plan that meets or exceeds, and does not conflict with, the minimum standards and requirements in sections 181.211 to 181.217 or established by the board.

Subdivision 1. **Certification of worker organizations.** The board shall certify worker organizations that it finds are qualified to provide training to nursing home workers according to this section. The board shall by rule establish certification criteria that a worker organization must meet in order to be certified and provide a process for renewal of certification upon the board's review of the worker organization's compliance with this section. In adopting rules to establish certification criteria under this subdivision, the board may use the authority in section 14.389. The criteria must ensure that a worker organization, if certified, is able to provide:

(1) effective, interactive training on the information required by this section; and

(2) follow-up written materials and responses to inquiries from nursing home workers in the languages in which nursing home workers are proficient.

Subd. 2. **Curriculum.** (a) The board shall establish requirements for the curriculum for the nursing home worker training required by this section. A curriculum must at least provide the following information to nursing home workers:

(2) the antiretaliation protections established in section 181.216;

(3) information on how to enforce sections 181.211 to 181.217 and on how to report violations of sections 181.211 to 181.217 or of standards established by the board, including contact information for the Department of Labor and Industry, the board, and any local enforcement agencies, and information on the remedies available for violations;

(4) the purposes and functions of the board and information on upcoming hearings, investigations, or other opportunities for nursing home workers to become involved in board proceedings;

(5) other rights, duties, and obligations under sections 181.211 to 181.217;

(6) any updates or changes to the information provided according to clauses (1) to (5) since the most recent training session;

(7) any other information the board deems appropriate to facilitate compliance with sections 181.211 to 181.217; and

(8) information on labor standards in other applicable local, state, and federal laws, rules, and ordinances regarding nursing home working conditions or nursing home worker health and safety.

(b) Before establishing initial curriculum requirements, the board must hold at least one public hearing to solicit input on the requirements.

Subd. 3. **Topics covered in training session.** A certified worker organization is not required to cover all of the topics listed in subdivision 2 in a single training session. A curriculum used by a certified worker organization may provide instruction on each topic listed in subdivision 2 over the course of up to three training sessions.

Subd. 4. **Annual review of curriculum requirements.** The board must review the adequacy of its curriculum requirements at least annually and must revise the requirements as appropriate to meet the purposes of sections 181.211 to 181.217. As part of each annual review of the curriculum requirements, the board must hold at least one public hearing to solicit input on the requirements.

Subd. 5. **Duties of certified worker organizations.** A certified worker organization:

(1) must use a curriculum for its training sessions that meets requirements established by the board;

(2) must provide trainings that are interactive and conducted in the languages in which the attending nursing home workers are proficient;

(3) must, at the end of each training session, provide attending nursing home workers with follow-up written or electronic materials on the topics covered in the training session, in order to fully inform nursing home workers of their rights and opportunities under sections 181.211 to 181.217;

(4) must make itself reasonably available to respond to inquiries from nursing home workers during and after training sessions; and

(5) may conduct surveys of nursing home workers who attend a training session to assess the effectiveness of the training session and industry compliance with sections 181.211 to 181.217 and other applicable laws, rules, and ordinances governing nursing home working conditions or worker health and safety.

(c) A combatant who is disciplined and was the winner of a bout shall be disqualified and the decision shall be changed to no contest. The results of a bout shall remain unchanged if a combatant who is disciplined was the loser of the bout.

Subd. 2. **Form.** A challenge must be submitted on a form prescribed by the commissioner, set forth all relevant facts and the basis for the challenge, and state what remedy is being sought. A combatant may submit photos, videos, documents, or any other evidence the combatant would like the commissioner to consider in connection to the challenge. A combatant may challenge the outcome of a contest only if it is alleged that:

(1) the referee made an incorrect call or missed a rule violation that directly affected the outcome of the contest;

(2) there was collusion amongst officials to affect the outcome of the contest; or

(3) scores were miscalculated.

Subd. 3. **Timing.** A challenge must be submitted within ten days of the contest.

(a) For purposes of this subdivision, the day of the contest shall not count toward the ten-day period. If the tenth day falls on a Saturday, Sunday, or legal holiday, then a combatant shall have until the next day that is not a Saturday, Sunday, or legal holiday to submit a challenge.

(b) The challenge must be submitted to the commissioner at the address, fax number, or email address designated on the commissioner's website. The date on which a challenge is submitted by mail shall be the postmark date on the envelope in which the challenge is mailed. If the challenge is faxed or emailed, it must be received by the commissioner by 4:30 p.m. Central Time on the day the challenge is due.

Subd. 4. **Opponent's response.** If the requirements of subdivisions 1 to 3 are met, the commissioner shall send a complete copy of the challenge documents, along with any supporting

materials submitted, to the opposing combatant by mail, fax, or email. The opposing combatant has 14 days from the date the commissioner sends the challenge and supporting materials to submit a response to the commissioner. Additional response time is not added when the commissioner sends the challenge to the opposing combatant by mail. The opposing combatant may submit photos, videos, documents, or any other evidence the opposing combatant would like the commissioner to consider in connection to the challenge. The response must be submitted to the commissioner at the address, fax number, or email address designated on the commissioner's website. If the response is faxed or emailed, it must be received by the commissioner by 4:30 p.m. Central Time on the day the response is due.

Subd. 5. **Licensed official review.** The commissioner may, if the commissioner determines it would be helpful in resolving the issues raised in the challenge, send a complete copy of the challenge or response, along with any supporting materials submitted, to any licensed official involved in the combative sport contest at issue by mail, fax, or email and request the official's views on the issues raised in the challenge.

Subd. 6. **Order.** The commissioner shall issue an order on the challenge within 60 days after receiving the opposing combatant's response. If the opposing combatant does not submit a response, the commissioner shall issue an order on the challenge within 75 days after receiving the challenge.

Subd. 7. **Nonacceptance.** If the requirements of subdivisions 1 through 3 are not met, the commissioner must not accept the challenge and may send correspondence to the person who submitted the challenge stating the reasons for nonacceptance of the challenge. A combatant has no further appeal rights if the combatant's challenge is not accepted by the commissioner.

Subd. 8. **Administrative hearing.** After the commissioner issues an order under subdivision 6, each combatant under section 326B.082, subdivision 8, has 30 days after service of the order to submit a request for hearing before an administrative law judge.

The commissioner may also impose these penalties against a person who has violated section 341.28, subdivision 5, paragraph (b) or (c).

EFFECTIVE DATE. This section is effective January 1, 2024.

Subd. 7. **Meatpacking products.** "Meatpacking products" means meat food products and poultry food products as defined in section 31A.02, subdivision 10.

Sec. 3. **[179.8715] WORKER RIGHTS COORDINATOR.**

(b) The commissioner must enforce sections 179.87 to 179.8757, including inspecting, reviewing, and recommending improvements to the practices and procedures of meatpacking operations in Minnesota. A meat-processing employer must grant the commissioner full access to all meatpacking operations in this state at any time that meatpacking products are being processed or meat-processing workers are on the job.

(c) No later than December 1 each year, beginning December 1, 2024, the coordinator must submit a report to the governor and the chairs and ranking minority members of the legislative committees with jurisdiction over labor. The report must include recommendations to promote better treatment of meat-processing workers. The coordinator shall also post the report on the Department of Labor and Industry's website.

Sec. 4. **[179.872] REFUSAL TO WORK UNDER DANGEROUS CONDITIONS.**

A meat-processing worker has the right to refuse to work under dangerous conditions in accordance with section 182.654, subdivision 11. Pursuant to section 182.654, subdivision 11, the worker shall continue to receive pay and shall not be subject to discrimination.

Sec. 5. **[179.875] ENFORCEMENT AND COMPLIANCE.**

Subdivision 1. **Administrative enforcement.** The commissioner, either on the commissioner's initiative or in response to a complaint, may inspect a meatpacking operation and subpoena records and witnesses as provided in sections 175.20, 177.27, and 182.659. If a meat-processing employer does not comply with the commissioner's inspection, the commissioner may seek relief as provided in this section or chapter 175 or 182.

Subd. 2. **Compliance authority.** The commissioner may issue a compliance order under section 177.27, subdivision 4, requiring an employer to comply with sections 179.8755, paragraphs (b) and (c); 179.8756, subdivisions 1 to 3 and 4, paragraphs (f) and (g); and 179.8757. The commissioner also has authority, pursuant to section 182.662, subdivision 1, to issue a stop-work or business-closure order when there is a condition or practice that could result in death or serious physical harm.

Subd. 3. **Private civil action.** If a meat-processing employer does not comply with a provision in sections 179.87 to 179.8757, an aggrieved worker, authorized employee representative, or other person may bring a civil action in a court of competent jurisdiction within three years of an alleged violation and, upon prevailing, must be awarded the relief provided in this section. Pursuing administrative relief is not a prerequisite for bringing a civil action.

Subd. 4. **Other government enforcement.** The attorney general may enforce sections 179.87 to 179.8757 under section 8.31.

Subd. 5. **Relief.** (a) In a civil action or administrative proceeding brought to enforce sections 179.87 to 179.8757, the court or commissioner must order relief as provided in this subdivision.

(b) For any violation of sections 179.87 to 179.8757:

(1) an injunction to order compliance and restrain continued violations;

(2) payment to a prevailing worker by a meat-processing employer of reasonable costs, disbursements, and attorney fees; and

(3) a civil penalty payable to the state of not less than \$100 per day per worker affected by the meat-processing employer's noncompliance with sections 179.87 to 179.8757.

(c) Any worker who brings a complaint under sections 179.87 to 179.8757 and suffers retaliation is entitled to treble damages in addition to lost pay and recovery of attorney fees and costs.

(d) Any company who is found to have retaliated against a meat-processing worker must pay a fine of up to \$10,000 to the commissioner, in addition to other penalties available under the law.

Subd. 6. **Whistleblower enforcement; penalty distribution.** (a) The relief provided in this section may be recovered through a private civil action brought on behalf of the commissioner in a court of competent jurisdiction by another individual, including an authorized employee representative, pursuant to this subdivision.

(b) The individual must give written notice to the coordinator of the specific provision or provisions of sections 179.87 to 179.8757 alleged to have been violated. The individual or representative organization may commence a civil action under this subdivision if no enforcement action is taken by the commissioner within 30 days.

(c) Civil penalties recovered pursuant to this subdivision must be distributed as follows:

(1) 70 percent to the commissioner for enforcement of sections 179.87 to 179.8757; and

(2) 30 percent to the individual or authorized employee representative.

(d) The right to bring an action under this subdivision shall not be impaired by private contract. A public enforcement action must be tried promptly, without regard to concurrent adjudication of a private claim for the same alleged violation.

Sec. 6. **[179.8755] RETALIATION AGAINST EMPLOYEES AND WHISTLEBLOWERS PROHIBITED.**

(a) Pursuant to section 182.669, no meat-processing employer or other person may discharge or discriminate against a worker because the worker has raised a concern about a meatpacking operation's health and safety practices to the employer or otherwise exercised any right authorized under sections 182.65 to 182.674.

(b) No meat-processing employer or other person may attempt to require any worker to sign a contract or other agreement that would limit or prevent the worker from disclosing information about workplace health and safety practices or hazards, or to otherwise abide by a workplace policy that would limit or prevent such disclosures. Any such agreements or policies are hereby void and unenforceable as contrary to the public policy of this state. An employer's attempt to impose such a contract, agreement, or policy shall constitute an adverse action enforceable under section 179.875.

(c) Reporting or threatening to report a meat-processing worker's suspected citizenship or immigration status, or the suspected citizenship or immigration status of a family member of the worker, to a federal, state, or local agency because the worker exercises a right under sections 179.87 to 179.8757 constitutes an adverse action for purposes of establishing a violation of that worker's rights. For purposes of this paragraph, "family member" means a spouse, parent, sibling, child, uncle, aunt, niece, nephew, cousin, grandparent, or grandchild related by blood, adoption, marriage, or domestic partnership.

Sec. 7. **[179.8756] MEATPACKING WORKER CHRONIC INJURIES AND WORKPLACE SAFETY.**

Subdivision 1. **Facility committee.** (a) The meat-processing employer's ergonomics program under section 182.677, subdivision 2, must be developed and implemented by a committee of individuals who are knowledgeable of the tasks and work processes performed by workers at the employer's facility. The committee must include:

(1) a certified professional ergonomist;

(2) a licensed, board-certified physician, with preference given to a physician who has specialized experience and training in occupational medicine; and

(3) at least three workers employed in the employer's facility who have completed a general industry outreach course approved by the commissioner, one of whom must be an authorized employee representative if the employer is party to a collective bargaining agreement.

(b) If it is not practicable for a certified professional ergonomist or a licensed, board-certified physician to be a member of the committee required by paragraph (a), the meatpacking employer must have their safe-worker program reviewed by a certified professional ergonomist and a licensed, board-certified physician prior to implementation of the program and annually thereafter.

Subd. 2. **New task and annual safety training.** (a) Meat-processing employers must provide every worker who is assigned a new task if the worker has no previous work experience with training on how to safely perform the task, the ergonomic and other hazards associated with the task, and training on the early signs and symptoms of musculoskeletal injuries and the procedures for reporting them. The employer must give a worker an opportunity within 30 days of receiving the new task training to receive refresher training on the topics covered in the new task training. The employer must provide this training in a language and with vocabulary that the employee can understand.

(b) Meat-processing employers must provide each worker with no less than eight hours of safety training each year. This annual training must address health and safety topics that are relevant to the establishment and the worker's job assignment, such as cuts, lacerations, amputations, machine guarding, biological hazards, lockout/tagout, hazard communication, ergonomic hazards, and personal protective equipment. At least two of the eight hours of annual training must be on topics related to the facility's ergonomic injury prevention program, including the assessment of surveillance data, the ergonomic hazard prevention and control plan, and the early signs and symptoms of musculoskeletal disorders and the procedures for reporting them. The employer must provide this training in a language and with vocabulary that the employee can understand.

Subd. 3. **Medical services and qualifications.** (a) Meat-processing employers must ensure that:

(1) all first-aid providers, medical assistants, nurses, and physicians engaged by the employer are licensed and perform their duties within the scope of their licensed practice;

(2) medical management of musculoskeletal disorders is under direct supervision of a licensed physician specializing in occupational medicine who will advise on best practices for management and prevention of work-related musculoskeletal disorders; and

(3) medical management of musculoskeletal injuries follows the most current version of the American College of Occupational and Environmental Medicine practice guidelines.

(b) The coordinator may compile, analyze, and publish annually, either in summary or detailed form, all reports or information obtained under sections 179.87 to 179.8757, including information about ergonomics programs, and may cooperate with the United States Department of Labor in obtaining national summaries of occupational deaths, injuries, and illnesses. The coordinator and authorized employee representative must preserve the anonymity of each employee with respect to whom medical reports or information is obtained.

(c) Meat-processing employers must not institute or maintain any program, policy, or practice that discourages employees from reporting injuries, hazards, or safety standards violations.

Subd. 4. **Pandemic protections.** (a) This subdivision applies during a peacetime public health emergency declared under section 12.31, subdivision 2, that involves airborne transmission.

(b) Meat-processing employers must maintain a radius of space around and between each worker according to the Centers for Disease Control and Prevention guidelines unless a nonporous barrier separates the workers. An employer may accomplish such distancing by increasing physical space between workstations, slowing production speeds, staggering shifts and breaks, adjusting shift size, or a combination thereof. The employer must reconfigure common or congregate spaces to allow for such distancing, including lunch rooms, break rooms, and locker rooms. The employer must reinforce social distancing by allowing workers to maintain six feet of distance along with the use of nonporous barriers.

(c) Meat-processing employers must provide employees with face masks and must make face shields available on request. Face masks, including replacement face masks, and face shields must be provided at no cost to the employee. All persons present at the meatpacking operation must wear face masks in the facility except in those parts of the facility where infection risk is low because workers work in isolation.

(d) Meat-processing employers must provide all meat-processing workers with the ability to frequently and routinely sanitize their hands with either hand-washing or hand-sanitizing stations. The employer must ensure that restrooms have running hot and cold water and paper towels and are in sanitary condition. The employer must provide gloves to those who request them.

(e) Meat-processing employers must clean and regularly disinfect all frequently touched surfaces in the workplace, such as workstations, training rooms, machinery controls, tools, protective garments, eating surfaces, bathrooms, showers, and other similar areas. Employers must install and maintain ventilation systems that ensure unidirectional air flow, outdoor air, and filtration in both production areas and common areas such as cafeterias and locker rooms.

(f) Meat-processing employers must disseminate all required communications, notices, and any published materials regarding these protections in English, Spanish, and other languages as required for employees to understand the communication.

(g) Consistent with sections 177.253 and 177.254, meat-processing employers must provide adequate break time for workers to use the bathroom, wash their hands, and don and doff protective equipment. Nothing in this subdivision relieves an employer of its obligation to comply with federal and state wage and hour laws.

(h) Meat-processing employers must provide sufficient personal protective equipment for each employee for each shift, plus replacements, at no cost to the employee. Meat-processing employers must provide training in proper use of personal protective equipment, safety procedures, and sanitation.

(i) Meat-processing employers must record all injuries and illnesses in the facility and make these records available upon request to the health and safety committee. The name, contact information, and occupation of an employee, and any other information that would reveal the identity of an employee, must be removed. The redacted records must only include, to the extent it would not reveal the identity of an employee, the location where the employee worked, the date of the injury or visit, a description of the medical treatment or first aid provided, and a description of the injury suffered. The employer also must make its records available to the commissioner, and where there is a collective bargaining agreement, to the authorized bargaining representative.

(j) Except for paragraphs (f) and (g), this subdivision shall be enforced by the commissioner under sections 182.66 and 182.661. A violation of this subdivision is subject to the penalties provided under section 182.666. Paragraphs (f) and (g) are enforceable by the commissioner as described in section 179.875, subdivision 2.

(k) The entirety of this subdivision may also be enforced as described in section 179.875, subdivisions 3 to 6.

EFFECTIVE DATE. This section is effective January 1, 2024, except subdivision 4, which is effective July 1, 2023.

Sec. 8. **[179.8757] NOTIFICATION REQUIRED.**

(a) Meat-processing employers must provide written information and notifications about employee rights under section 179.86 and sections 179.87 to 179.8757 to workers in their language of fluency at least annually. If a worker is unable to understand written information and notifications, the employer must provide such information and notices orally in the worker's language of fluency.

(b) The coordinator must notify covered employers of the provisions of sections 179.87 to 179.8757 and any recent updates at least annually.

(c) The coordinator must place information explaining sections 179.87 to 179.8757 on the Department of Labor and Industry's website in at least English, Spanish, and any other language that at least ten percent of meat-processing workers communicate in fluently. The coordinator must also make the information accessible to persons with impaired visual acuity.

EFFECTIVE DATE. This section is effective January 1, 2024.

Sec. 9. Minnesota Statutes 2022, section 182.654, subdivision 11, is amended to read:

Subd. 11. **Refusal to work under dangerous conditions.** An employee acting in good faith has the right to refuse to work under conditions which the employee reasonably believes present an imminent danger of death or serious physical harm to the employee.

A reasonable belief of imminent danger of death or serious physical harm includes but is not limited to a reasonable belief of the employee that the employee has been assigned to work in an unsafe or unhealthful manner with a hazardous substance, harmful physical agent or infectious agent.

An employer may not discriminate against an employee for a good faith refusal to perform assigned tasks if the employee has requested that the employer correct the hazardous conditions but the conditions remain uncorrected.

An employee who has refused in good faith to perform assigned tasks and who has not been reassigned to other tasks by the employer shall, in addition to retaining a right to continued employment, receive pay for the tasks which would have been performed if (1) the employee requests the commissioner to inspect and determine the nature of the hazardous condition, and (2) the commissioner determines that the employee, by performing the assigned tasks, would have been placed in imminent danger of death or serious physical harm.

Additionally, an administrative law judge may order, in addition to the relief found in section 182.669:

(1) reinstatement of the worker to the same position held before any adverse personnel action or to an equivalent position; reinstatement of full fringe benefits and seniority rights; compensation for unpaid wages, benefits, and other remuneration; or front pay in lieu of reinstatement; and

(2) compensatory damages payable to the aggrieved worker equal to the greater of \$5,000 or twice the actual damages, including unpaid wages, benefits, and other remuneration and punitive damages.

(1) the covenant not to compete is agreed upon during the sale of a business. The person selling the business and the partners, members, or shareholders, and the buyer of the business may agree on a temporary and geographically restricted covenant not to compete that will prohibit the seller of the business from carrying on a similar business within a reasonable geographic area and for a reasonable length of time; or

(2) the covenant not to compete is agreed upon in anticipation of the dissolution of a business. The partners, members, or shareholders, upon or in anticipation of a dissolution of a partnership, limited liability company, or corporation may agree that all or any number of the parties will not carry on a similar business within a reasonable geographic area where the business has been transacted.

(c) Nothing in this subdivision shall be construed to render void or unenforceable any other provisions in a contract or agreement containing a void or unenforceable covenant not to compete.

(d) In addition to injunctive relief and any other remedies available, a court may award an employee who is enforcing rights under this section reasonable attorney fees.

Subd. 3. **Choice of law; venue.** (a) An employer must not require an employee who primarily resides and works in Minnesota, as a condition of employment, to agree to a provision in an agreement or contract that would do either of the following:

(1) require the employee to adjudicate outside of Minnesota a claim arising in Minnesota; or

(2) deprive the employee of the substantive protection of Minnesota law with respect to a controversy arising in Minnesota.

(b) Any provision of a contract or agreement that violates paragraph (a) is voidable at any time by the employee and if a provision is rendered void at the request of the employee, the matter shall be adjudicated in Minnesota and Minnesota law shall govern the dispute.

(d) The board may make any data classified as private, protected nonpublic, or confidential pursuant to this subdivision accessible to any person or party if the access will aid the implementation of chapters 179 and 179A or ensure due process protection of the parties.

Sec. 3. Minnesota Statutes 2022, section 179A.041, is amended by adding a subdivision to read:

Subd. 10. **Open Meeting Law; exceptions.** Chapter 13D does not apply to meetings of the board when it is deliberating on the merits of unfair labor practice charges under sections 179.11, 179.12, and 179A.13; reviewing a recommended decision and order of a hearing officer under section 179A.13; or reviewing decisions of the commissioner of the Bureau of Mediation Services relating to unfair labor practices under section 179A.12, subdivision 11.

Section 1. **[182.6526] WAREHOUSE DISTRIBUTION WORKER SAFETY.**

Subdivision 1. **Definitions.** (a) The terms defined in this subdivision have the meanings given.

(b) "Aggregated employee work speed data" means a compilation of employee work speed data for multiple employees, in summary form, assembled in full or in another form such that the data cannot be identified with any individual.

(c) "Commissioner" means the commissioner of labor and industry.

(d)(1) Except as provided in clause (2), "employee" means an employee who works at a warehouse distribution center.

(2) For the purposes of subdivisions 2, 3, and 4 only, "employee" means a nonexempt employee performing warehouse work occurring on the property of a warehouse distribution center and does not include a nonexempt employee performing solely manufacturing, administrative, sales, accounting, human resources, or driving work at or to and from a warehouse distribution center.

(e) "Employee work speed data" means information an employer collects, stores, analyzes, or interprets relating to an individual employee's performance of a quota, including but not limited to quantities of tasks performed, quantities of items or materials handled or produced, rates or speeds of tasks performed, measurements or metrics of employee performance in relation to a quota, and time categorized as performing tasks or not performing tasks. Employee work speed data does not include itemized earnings statements pursuant to chapter 181, except for any content of those records that includes employee work speed data as defined in this paragraph.

(f) "Employer" means a person who directly or indirectly, or through an agent or any other person, including through the services of a third-party employer, temporary service, or staffing agency or similar entity, employs or exercises control over the wages, hours, or working conditions

of 250 or more employees at a single warehouse distribution center or 1,000 or more employees at one or more warehouse distribution centers in the state. For purposes of this paragraph, all employees of an employer's unitary business, as defined in section 290.17, subdivision 4, shall be counted in determining the number of employees employed at a single warehouse distribution center or at one or more warehouse distribution centers in the state.

(g) "Warehouse distribution center" means an establishment as defined by any of the following North American Industry Classification System (NAICS) codes:

- (1) 493110 for General Warehousing and Storage;
- (2) 423 for Merchant Wholesalers, Durable Goods;
- (3) 424 for Merchant Wholesalers, Nondurable Goods;
- (4) 454110 for Electronic Shopping and Mail-Order Houses; and
- (5) 492110 for Couriers and Express Delivery Services.

(h) "Quota" means a work standard under which:

(1) an employee or group of employees is assigned or required to perform at a specified productivity speed, or perform a quantified number of tasks, or handle or produce a quantified amount of material, or perform without a certain number of errors or defects, as measured at the individual or group level within a defined time period; or

(2) an employee's actions are categorized and measured between time performing tasks and not performing tasks, and the employee's failure to complete a task performance standard may have an adverse impact on the employee's continued employment.

Subd. 2. Written description required. (a) Each employer shall provide to each employee a written description of each quota to which the employee is subject and how it is measured, including the quantified number of tasks to be performed or materials to be produced or handled or the limit on time categorized as not performing tasks, within the defined time period, and any potential adverse employment action that could result from failure to meet the quota.

(b) The written description must be understandable in plain language and in the language identified by each employee as the primary language of that employee.

(c) The written description must be provided:

- (1) upon hire or within 30 days of the effective date of this section; and
- (2) no fewer than one working day prior to the effective date of any increase of an existing quota and no later than the time of implementation for any decrease of an existing quota.

(d) An employer shall not take adverse employment action against an employee for failure to meet a quota that has not been disclosed to the employee.

Subd. 3. **Breaks.** An employee shall not be required to meet a quota that prevents compliance with meal or rest or prayer periods; use of restroom facilities, including reasonable travel time to and from restroom facilities as provided under section 177.253, subdivision 1; or occupational health and safety standards under this chapter or Minnesota Rules, chapter 5205. An employer shall not take adverse employment action against an employee for failure to meet a quota that does not allow a worker to comply with meal or rest or prayer periods or occupational health and safety standards under this chapter.

Subd. 4. **Employee work speed data.** (a) Employees have the right to request orally or in writing from their direct supervisor or another representative designated by the employer, and the employer shall provide within four business days: (1) a written description of each quota to which the employee is subject; (2) a copy of the most recent 90 days of the employee's own personal employee work speed data; and (3) a copy of the most recent 90 days of aggregated employee work speed data for similar employees at the same work site.

The written description of each quota must meet the requirements of subdivision 2, paragraph (b), and the employee work speed data must be provided in a manner understandable to the employee. An employee may make a request under this paragraph no more than four times per year.

(b) If an employer disciplines an employee for failure to meet a quota, the employer must, at the time of discipline, provide the employee with a written copy of the most recent 90 days of the employee's own personal employee work speed data. If an employer dismisses an employee for any reason, they must, at the time of firing, provide the employee with a written copy of the most recent 90 days of the employee's own personal employee work speed data. An employer shall not retaliate against an employee for requesting data under this subdivision. Discipline means taking a formal action, documented in writing, and does not mean conversations surrounding performance improvement or training. An employer must formally document any disciplinary action.

Subd. 5. **High rates of injury.** If a particular work site or employer is found to have an employee incidence rate in a given year, based on data reported to the federal Occupational Safety and Health Administration, of at least 30 percent higher than that year's average incidence rate for the relevant NAICS codes, the commissioner shall open an investigation of violations under this section. The employer must also hold its safety committee meetings as provided under section 182.676 monthly until, for two consecutive years, the work site or employer does not have an employee incidence rate 30 percent higher than the average yearly incidence rate for the relevant NAICS code.

Subd. 6. **Enforcement.** (a) Subdivisions 2, paragraphs (a) to (c), 4, and 5 shall be enforced by the commissioner under sections 182.66, 182.661, and 182.669. A violation of this section is subject to the penalties provided under sections 182.666 and 182.669.

(b) A current or former employee aggrieved by a violation of this section may bring a civil cause of action for damages and injunctive relief to obtain compliance with this section; may receive other equitable relief as determined by a court, including reinstatement with back pay; and may, upon prevailing in the action, recover costs and reasonable attorney fees in that action. A cause of action under this section must be commenced within one year of the date of the violation.

(c) Nothing in this section shall be construed to prevent local enforcement of occupational health and safety standards that are more restrictive than this section.

EFFECTIVE DATE. This section is effective August 1, 2023.

ARTICLE 10

CONSTRUCTION WORKER WAGE PROTECTIONS

Section 1. Minnesota Statutes 2022, section 177.27, subdivision 1, is amended to read:

Subdivision 1. **Examination of records.** The commissioner may enter during reasonable office hours or upon request and inspect the place of business or employment of any employer of employees working in the state, to examine and inspect books, registers, payrolls, and other records of any employer that in any way relate to wages, hours, and other conditions of employment of any employees. The commissioner may transcribe any or all of the books, registers, payrolls, and other records as the commissioner deems necessary or appropriate and may question the employees to ascertain compliance with sections 177.21 to 177.435 and 181.165. The commissioner may investigate wage claims or complaints by an employee against an employer if the failure to pay a wage may violate Minnesota law or an order or rule of the department.

Sec. 2. Minnesota Statutes 2022, section 177.27, subdivision 4, is amended to read:

Subd. 4. **Compliance orders.** The commissioner may issue an order requiring an employer to comply with sections 177.21 to 177.435, 181.02, 181.03, 181.031, 181.032, 181.101, 181.11, 181.13, 181.14, 181.145, 181.15, 181.165, 181.172, paragraph (a) or (d), 181.275, subdivision 2a, 181.722, 181.79, and 181.939 to 181.943, or with any rule promulgated under section 177.28. The commissioner shall issue an order requiring an employer to comply with sections 177.41 to 177.435 or 181.165 if the violation is repeated. For purposes of this subdivision only, a violation is repeated if at any time during the two years that preceded the date of violation, the commissioner issued an order to the employer for violation of sections 177.41 to 177.435 or 181.165 and the order is final or the commissioner and the employer have entered into a settlement agreement that required the employer to pay back wages that were required by sections 177.41 to 177.435. The department shall serve the order upon the employer or the employer's authorized representative in person or by certified mail at the employer's place of business. An employer who wishes to contest the order must file written notice of objection to the order with the commissioner within 15 calendar days after being served with the order. A contested case proceeding must then be held in accordance with sections 14.57 to 14.69 or 181.165. If, within 15 calendar days after being served with the order, the employer fails to file a written notice of objection with the commissioner, the order becomes a final order of the commissioner. For the purposes of this subdivision, an employer includes a contractor that has assumed a subcontractor's liability within the meaning of section 181.165.

Sec. 3. Minnesota Statutes 2022, section 177.27, subdivision 8, is amended to read:

Subd. 8. **Court actions; suits brought by private parties.** An employee may bring a civil action seeking redress for a violation or violations of sections 177.21 to 177.44 and 181.165 directly to district court. An employer who pays an employee less than the wages and overtime compensation to which the employee is entitled under sections 177.21 to 177.44 or a contractor that has assumed a subcontractor's liability as required by section 181.165, is liable to the employee for the full amount of the wages, gratuities, and overtime compensation, less any amount the employer or contractor is able to establish was actually paid to the employee and for an additional equal amount as liquidated

damages. In addition, in an action under this subdivision the employee may seek damages and other appropriate relief provided by subdivision 7 and otherwise provided by law. An agreement between the employee and the employer to work for less than the applicable wage is not a defense to the action.

Sec. 4. Minnesota Statutes 2022, section 177.27, subdivision 9, is amended to read:

Subd. 9. **District court jurisdiction.** Any action brought under subdivision 8 may be filed in the district court of the county wherein a violation or violations of sections 177.21 to 177.44 or 181.165 are alleged to have been committed, where the respondent resides or has a principal place of business, or any other court of competent jurisdiction. The action may be brought by one or more employees.

Sec. 5. Minnesota Statutes 2022, section 177.27, subdivision 10, is amended to read:

Subd. 10. **Attorney fees and costs.** In any action brought pursuant to subdivision 8, the court shall order an employer who is found to have committed a violation or violations of sections 177.21 to 177.44 or 181.165 to pay to the employee or employees reasonable costs, disbursements, witness fees, and attorney fees.

Sec. 6. **[181.165] WAGE PROTECTION; CONSTRUCTION WORKERS.**

Subdivision 1. **Definitions.** (a) For purposes of this section, the following terms have the meanings given.

(b) "Claimant" means any person claiming unpaid wages, fringe benefits, penalties, or resulting liquidated damages that are owed as required by law, including any applicable statute, regulation, rule, ordinance, government resolution or policy, contract, or other legal authority.

(c) "Commissioner" refers to the commissioner of labor and industry.

(d) "Construction contract" means a written or oral agreement for the construction, reconstruction, erection, alteration, remodeling, repairing, maintenance, moving, or demolition of any building, structure, or improvement, or relating to the excavation of or development or improvement to land. For purposes of this section, a construction contract shall not include a home improvement contract for the performance of a home improvement between a home improvement contractor and the owner of an owner-occupied dwelling, and a home construction contract for one- or two-family dwelling units except where such contract or contracts results in the construction of more than ten one- or two-family owner-occupied dwellings at one project site annually.

(e) "Contractor" means any person, firm, partnership, corporation, association, company, organization, or other entity, including a construction manager, general or prime contractor, joint venture, or any combination thereof, along with their successors, heirs, and assigns, which enters into a construction contract with an owner. An owner shall be deemed a contractor and liable as such under this section if said owner has entered into a construction contract with more than one contractor or subcontractor on any construction site.

(f) "Owner" means any person, firm, partnership, corporation, association, company, organization, or other entity, or a combination of any thereof, with an ownership interest, whether the interest or

estate is in fee, as vendee under a contract to purchase, as lessee or another interest or estate less than fee that causes a building, structure, or improvement, new or existing, to be constructed, reconstructed, erected, altered, remodeled, repaired, maintained, moved, or demolished or that causes land to be excavated or otherwise developed or improved.

(g) "Subcontractor" means any person, firm, partnership, corporation, company, association, organization or other entity, or any combination thereof, that is a party to a contract with a contractor or party to a contract with the contractor's subcontractors at any tier to perform any portion of work within the scope of the contractor's construction contract with the owner, including where the subcontractor has no direct privity of contract with the contractor. When the owner is deemed a contractor, subcontractor also includes the owner's contractors.

Subd. 2. **Assumption of liability.** (a) A contractor entering into a construction contract shall assume and is liable for any unpaid wages, fringe benefits, penalties, and resulting liquidated damages owed to a claimant or third party acting on the claimant's behalf by a subcontractor at any tier acting under, by, or for the contractor or its subcontractors for the claimant's performance of labor.

(b) A contractor or any other person shall not evade or commit any act that negates the requirements of this section. No agreement by an employee or subcontractor to indemnify a contractor or otherwise release or transfer liability assigned to a contractor under this section shall be valid. However, if a contractor has satisfied unpaid wage claims of an employee and incurred fees and costs in doing so, such contractor may then pursue actual and liquidated damages from any subcontractor who caused the contractor to incur those damages.

(c) A contractor shall not evade liability under this section by claiming that a person is an independent contractor rather than an employee of a subcontractor unless the person meets the criteria required by section 181.723, subdivision 4.

Subd. 3. **Enforcement.** (a) In the case of a complaint filed with the commissioner under section 177.27, subdivision 1, or a private civil action by an employee under section 177.27, subdivision 8, such employee may designate any person, organization, or collective bargaining agent authorized to file a complaint with the commissioner or in court pursuant to this section to make a wage claim on the claimant's behalf.

(b) In the case of an action against a subcontractor, the contractor shall be jointly and severally liable for any unpaid wages, benefits, penalties, and any other remedies available pursuant to this section.

(c) Claims shall be brought consistent with section 541.07, clause (5), for the initiation of such claim under this section in a court of competent jurisdiction or the filing of a complaint with the commissioner or attorney general. The provisions of this section do not diminish, impair, or otherwise infringe on any other right of an employee to bring an action or file a complaint against any employer.

Subd. 4. **Payroll records; data.** (a) Within 15 days of a request by a contractor to a subcontractor, the subcontractor, and any other subcontractors hired under contract to the subcontractor shall provide payroll records, which, at minimum, contain all lawfully required information for all workers providing labor on the project. The payroll records shall contain sufficient information to apprise the contractor or subcontractor of such subcontractor's payment of wages and fringe benefit

contributions to a third party on the workers' behalf. Payroll records shall be marked or redacted to an extent only to prevent disclosure of the employee's Social Security number.

(b) Within 15 days of a request of a contractor or a contractor's subcontractor, any subcontractor that performs any portion of work within the scope of the contractor's construction contract with an owner shall provide:

(1) the names of all employees and independent contractors of the subcontractor on the project, including the names of all those designated as independent contractors and, when applicable, the name of the contractor's subcontractor with whom the subcontractor is under contract;

(2) the anticipated contract start date;

(3) the scheduled duration of work;

(4) when applicable, local unions with which such subcontractor is a signatory contractor; and

(5) the name and telephone number of a contact for the subcontractor.

(c) Unless otherwise required by law, a contractor or subcontractor shall not disclose an individual's personal identifying information to the general public, except that the contractor or subcontractor can confirm that the individual works for them and provide the individual's full name.

Subd. 5. **Payments to contractors and subcontractors.** Nothing in this section shall alter the owner's obligation to pay a contractor, or a contractor's obligation to pay a subcontractor as set forth in section 337.10, except as expressly permitted by this section.

Subd. 6. **Exemptions.** (a) Nothing in this section shall be deemed to diminish the rights, privileges, or remedies of any employee under any collective bargaining agreement. This section shall not apply to any contractor or subcontractor that is a signatory to a bona fide collective bargaining agreement with a building and construction trade labor organization that: (1) contains a grievance procedure that may be used to recover unpaid wages on behalf of employees covered by the agreement; and (2) provides for collection of unpaid contributions to fringe benefit trust funds established pursuant to United States Code, title 29, section 186(c)(5)-(6), by or on behalf of such trust funds.

(b) This section does not apply to work for which prevailing wage rates apply under sections 177.41 to 177.44.

Sec. 7. Minnesota Statutes 2022, section 181.171, subdivision 4, is amended to read:

Subd. 4. **Employer; definition.** "Employer" means any person having one or more employees in Minnesota and includes the state or a contractor that has assumed a subcontractor's liability within the meaning of section 181.165 and any political subdivision of the state. This definition applies to this section and sections 181.02, 181.03, 181.031, 181.032, 181.06, 181.063, 181.10, 181.101, 181.13, 181.14, and 181.16.

Sec. 8. **EFFECTIVE DATE.**

Sections 1 to 7 are effective August 1, 2023, and apply to contracts or agreements entered into, renewed, modified, or amended on or after that date.

An exclusive representative shall receive no less than ten days' notice in advance of an orientation, except that a shorter notice may be provided where there is an urgent need critical to the operations of the public employer that was not reasonably foreseeable. Notice of and attendance at new employee orientations and other meetings under this paragraph must be limited to the public employer, the employees, the exclusive representative, and any vendor contracted to provide a service for purposes of the meeting. Meetings may be held virtually or for longer than 30 minutes only by mutual agreement of the public employer and exclusive representative.

(b) A public employer must allow an exclusive representative to communicate with bargaining unit members using their employer-issued email addresses regarding collective bargaining, the administration of collective bargaining agreements, the investigation of grievances, other workplace-related complaints and issues, and internal matters involving the governance or business of the exclusive representative, consistent with the employer's generally applicable technology use policies.

(c) A public employer must allow an exclusive representative to meet with bargaining unit members in facilities owned or leased by the public employer regarding collective bargaining, the administration of collective bargaining agreements, grievances and other workplace-related complaints and issues, and internal matters involving the governance or business of the exclusive representative, provided the use does not interfere with governmental operations and the exclusive representative complies with worksite security protocols established by the public employer. Subd. 2. **Notice.** An employer may require notice of the need for use of earned sick and safe time as provided in this paragraph. If the need for use is foreseeable, an employer may require advance notice of the intention to use earned sick and safe time but must not require more than seven days' advance notice. If the need is unforeseeable, an employer may require an employee to give notice of the need for earned sick and safe time as soon as practicable. An employer that requires notice of the need to use earned sick and safe time in accordance with this subdivision shall have a written policy containing reasonable procedures for employees to provide notice of the need to use

earned sick and safe time, and shall provide a written copy of such policy to employees. If a copy of the written policy has not been provided to an employee, an employer shall not deny the use of earned sick and safe time to the employee on that basis.

Subd. 3. **Documentation.** (a) When an employee uses earned sick and safe time for more than three consecutive days, an employer may require reasonable documentation that the earned sick and safe time is covered by subdivision 1.

(b) For earned sick and safe time under subdivision 1, clauses (1), (2), (5), and (6), reasonable documentation may include a signed statement by a health care professional indicating the need for use of earned sick and safe time. However, if the employee or employee's family member did not receive services from a health care professional, or if documentation cannot be obtained from a health care professional in a reasonable time or without added expense, then reasonable documentation for the purposes of this paragraph may include a written statement from the employee indicating that the employee is using or used earned sick and safe time for a qualifying purpose covered by subdivision 1, clause (1), (2), (5), or (6).

(c) For earned sick and safe time under subdivision 1, clause (3), an employer must accept a court record or documentation signed by a volunteer or employee of a victims services organization, an attorney, a police officer, or an antiviolence counselor as reasonable documentation.

(d) For earned sick and safe time to care for a family member under subdivision 1, clause (4), an employer must accept as reasonable documentation a written statement from the employee indicating that the employee is using or used earned sick and safe time for a qualifying purpose as reasonable documentation.

(e) An employer must not require disclosure of details relating to domestic abuse, sexual assault, or stalking or the details of an employee's or an employee's family member's medical condition as related to an employee's request to use earned sick and safe time under this section.

(f) Written statements by an employee may be written in the employee's first language and need not be notarized or in any particular format.

Subd. 4. **Replacement worker.** An employer may not require, as a condition of an employee using earned sick and safe time, that the employee seek or find a replacement worker to cover the hours the employee uses as earned sick and safe time.

Subd. 5. **Increment of time used.** Earned sick and safe time may be used in the smallest increment of time tracked by the employer's payroll system, provided such increment is not more than four hours.

Subd. 6. **Retaliation prohibited.** (a) An employer shall not discharge, discipline, penalize, interfere with, threaten, restrain, coerce, or otherwise retaliate or discriminate against a person because the person has exercised or attempted to exercise rights protected under this act, including but not limited to because the person requested earned sick and safe time, used earned sick and safe time, requested a statement of accrued sick and safe time, informed any person of his or her potential rights under sections 181.9445 to 181.9448, made a complaint or filed an action to enforce a right to earned sick and safe time under this section, or is or was participating in any manner in an investigation, proceeding, or hearing under this chapter.

(b) It shall be unlawful for an employer's absence control policy or attendance point system to count earned sick and safe time taken under this act as an absence that may lead to or result in retaliation or any other adverse action.

(c) It shall be unlawful for an employer or any other person to report or threaten to report the actual or suspected citizenship or immigration status of a person or their family member to a federal, state, or local agency for exercising or attempting to exercise any right protected under this act.

(d) A person need not explicitly refer to this act or the rights enumerated herein to be protected from retaliation.

Subd. 7. **Pay and benefits.** (a) During any use of earned sick and safe time, the employer must maintain coverage under any group insurance policy, group subscriber contract, or health care plan for the employee and any dependents, as if the employee was not using earned sick and safe time, provided, however, that the employee must continue to pay any employee share of the cost of such benefits.

(b) An employee returning from a leave under this section is entitled to return to employment at the same rate of pay the employee had been receiving when the leave commenced, plus any automatic adjustments in the employee's pay scale that occurred during the leave period. The employee returning from a leave is entitled to retain all accrued preleave benefits of employment and seniority as if there had been no interruption in service, provided that nothing under this section prevents the accrual of benefits or seniority during the leave pursuant to a collective bargaining or other agreement between the employer and employees.

Subd. 8. **Part-time return from leave.** An employee, by agreement with the employer, may return to work part time during the leave period without forfeiting the right to return to employment at the end of the leave, as provided under this section.

Subd. 9. **Notice and posting by employer.** (a) Employers must give notice to all employees that they are entitled to earned sick and safe time, including the amount of earned sick and safe time, the accrual year for the employee, the terms of its use under this section, and a copy of the written policy for providing notice as provided under subdivision 2; that retaliation against employees who request or use earned sick and safe time is prohibited; and that each employee has the right to file a complaint or bring a civil action if earned sick and safe time is denied by the employer or the employee is retaliated against for requesting or using earned sick and safe time.

(b) Employers must supply employees with a notice in English and the primary language of the employee, as identified by the employee, that contains the information required in paragraph (a) at commencement of employment or the effective date of this section, whichever is later.

(c) The means used by the employer must be at least as effective as the following options for providing notice:

(1) posting a copy of the notice at each location where employees perform work and where the notice must be readily observed and easily reviewed by all employees performing work;

(2) providing a paper or electronic copy of the notice to employees; or

(3) a conspicuous posting in a web-based or app-based platform through which an employee performs work.

The notice must contain all information required under paragraph (a).

(d) An employer that provides an employee handbook to its employees must include in the handbook notice of employee rights and remedies under this section.

(e) The Department of Labor and Industry shall prepare a uniform employee notice form for employers to use that provides the notice information required under this section. The commissioner shall prepare the uniform employee notice in the five most common languages spoken in Minnesota. Upon the written request of an employer who is subject to this section, the commissioner shall provide a copy of the uniform employee notice in any primary language spoken by an employee in the employer's place of business. If the commissioner does not provide the copy of the uniform employee notice in response to a request under this paragraph, the employer who makes the request is not subject to a penalty for failing to provide the required notice under this subdivision for violations that arise after the date of the request.

Subd. 10. **Employer records.** (a) Employers shall retain accurate records documenting hours worked by employees and earned sick and safe time taken and comply with all requirements under section 177.30.

(b) An employer must allow an employee to inspect records required by this section and relating to that employee at a reasonable time and place.

Subd. 11. **Confidentiality and nondisclosure.** (a) If, in conjunction with this section, an employer possesses:

(1) health or medical information regarding an employee or an employee's family member;

(2) information pertaining to domestic abuse, sexual assault, or stalking;

(3) information that the employee has requested or obtained leave under this section; or

(4) any written or oral statement, documentation, record, or corroborating evidence provided by the employee or an employee's family member, the employer must treat such information as confidential.

Information given by an employee may only be disclosed by an employer if the disclosure is requested or consented to by the employee, when ordered by a court or administrative agency, or when otherwise required by federal or state law.

(b) Records and documents relating to medical certifications, recertifications, or medical histories of employees or family members of employees created for purposes of section 177.50 or sections 181.9445 to 181.9448 must be maintained as confidential medical records separate from the usual personnel files. At the request of the employee, the employer must destroy or return the records required by sections 181.9445 to 181.9448 that are older than three years prior to the current calendar year.

(c) Employers may not discriminate against any employee based on records created for the purposes of section 177.50 or sections 181.9445 to 181.9448.

Sec. 7. **[181.9448] EFFECT ON OTHER LAW OR POLICY.**

Subdivision 1. **No effect on more generous sick and safe time policies.** (a) Nothing in sections 181.9445 to 181.9448 shall be construed to discourage employers from adopting or retaining earned sick and safe time policies that meet or exceed, and do not otherwise conflict with, the minimum standards and requirements provided in sections 181.9445 to 181.9448.

(b) Nothing in sections 181.9445 to 181.9448 shall be construed to limit the right of parties to a collective bargaining agreement to bargain and agree with respect to earned sick and safe time policies or to diminish the obligation of an employer to comply with any contract, collective bargaining agreement, or any employment benefit program or plan that meets or exceeds, and does not otherwise conflict with, the minimum standards and requirements provided in this section.

(c) Nothing in sections 181.9445 to 181.9448 shall be construed to preempt, limit, or otherwise affect the applicability of any other law, regulation, requirement, policy, or standard that provides for a greater amount, accrual, or use by employees of paid sick and safe time or that extends other protections to employees.

(d) Nothing in sections 181.9445 to 181.9448 shall be construed or applied so as to create any power or duty in conflict with federal law.

(e) Employers who provide earned sick and safe time to their employees under a paid time off policy or other paid leave policy that may be used for the same purposes and under the same conditions as earned sick and safe time, and that meets or exceeds, and does not otherwise conflict with, the minimum standards and requirements provided in sections 181.9445 to 181.9448 are not required to provide additional earned sick and safe time.

(f) The provisions of sections 181.9445 to 181.9448 may be waived by a collective bargaining agreement with a bona fide building and construction trades labor organization that has established itself as the collective bargaining representative for the affected building and construction industry employees, provided that for such waiver to be valid, it shall explicitly reference sections 181.9445 to 181.9448 and clearly and unambiguously waive application of those sections to such employees.

(g) Sections 181.9445 to 181.9448 do not prohibit an employer from establishing a policy whereby employees may donate unused accrued sick and safe time to another employee.

(h) Sections 181.9445 to 181.9448 do not prohibit an employer from advancing sick and safe time to an employee before accrual by the employee.

Subd. 2. **Termination; separation; transfer.** Sections 181.9445 to 181.9448 do not require financial or other reimbursement to an employee from an employer upon the employee's termination, resignation, retirement, or other separation from employment for accrued earned sick and safe time that has not been used. If an employee is transferred to a separate division, entity, or location, but remains employed by the same employer, the employee is entitled to all earned sick and safe time accrued at the prior division, entity, or location and is entitled to use all earned sick and safe time as provided in sections 181.9445 to 181.9448. When there is a separation from employment and the

employee is rehired within 180 days of separation by the same employer, previously accrued earned sick and safe time that had not been used must be reinstated. An employee is entitled to use accrued earned sick and safe time and accrue additional earned sick and safe time at the commencement of reemployment.

Subd. 3. **Employer succession.** (a) When a different employer succeeds or takes the place of an existing employer, all employees of the original employer who remain employed by the successor employer are entitled to all earned sick and safe time accrued but not used when employed by the original employer, and are entitled to use all earned sick and safe time previously accrued but not used.

(b) If, at the time of transfer of the business, employees are terminated by the original employer and hired within 30 days by the successor employer following the transfer, those employees are entitled to all earned sick and safe time accrued but not used when employed by the original employer, and are entitled to use all earned sick and safe time previously accrued but not used.

Section 1. Minnesota Statutes 2022, section 177.27, subdivision 2, is amended to read:

Subd. 2. **Submission of records; penalty.** The commissioner may require the employer of employees working in the state to submit to the commissioner photocopies, certified copies, or, if necessary, the originals of employment records which the commissioner deems necessary or appropriate. The records which may be required include full and correct statements in writing, including sworn statements by the employer, containing information relating to wages, hours, names, addresses, and any other information pertaining to the employer's employees and the conditions of their employment as the commissioner deems necessary or appropriate.

The commissioner may require the records to be submitted by certified mail delivery or, if necessary, by personal delivery by the employer or a representative of the employer, as authorized by the employer in writing.

The commissioner may fine the employer up to ~~\$1,000~~ \$10,000 for each failure to submit or deliver records as required by this section, ~~and up to \$5,000 for each repeated failure.~~ This penalty is in addition to any penalties provided under section 177.32, subdivision 1. In determining the amount of a civil penalty under this subdivision, the appropriateness of such penalty to the size of the employer's business and the gravity of the violation shall be considered.

Sec. 2. Minnesota Statutes 2022, section 177.27, subdivision 4, as amended by Laws 2023, chapter 30, section 1, is amended to read:

Subd. 4. **Compliance orders.** The commissioner may issue an order requiring an employer to comply with sections 177.21 to 177.435, 181.02, 181.03, 181.031, 181.032, 181.101, 181.11, 181.13, 181.14, 181.145, 181.15, 181.172, paragraph (a) or (d), 181.275, subdivision 2a, 181.722, 181.79, 181.939 to 181.943, 181.9445 to 181.9448, and 181.987, or with any rule promulgated under section 177.28. The commissioner shall issue an order requiring an employer to comply with sections 177.41 to 177.435 or 181.987 if the violation is repeated. For purposes of this subdivision only, a violation is repeated if at any time during the two years that preceded the date of violation, the commissioner issued an order to the employer for violation of sections 177.41 to 177.435 or 181.987 and the order is final or the commissioner and the employer have entered into a settlement agreement that required the employer to pay back wages that were required by sections 177.41 to 177.435. The department shall serve the order upon the employer or the employer's authorized representative in person or by certified mail at the employer's place of business. An employer who wishes to contest the order must file written notice of objection to the order with the commissioner within 15 calendar days after being served with the order. A contested case proceeding must then be held in accordance with sections 14.57 to 14.69. If, within 15 calendar days after being served with the order, the employer fails to file a written notice of objection with the commissioner, the order becomes a final order of the commissioner.

EFFECTIVE DATE. This section is effective January 1, 2024.

Sec. 3. Minnesota Statutes 2022, section 177.27, subdivision 7, is amended to read:

Subd. 7. **Employer liability.** If an employer is found by the commissioner to have violated a section identified in subdivision 4, or any rule adopted under section 177.28, and the commissioner issues an order to comply, the commissioner shall order the employer to cease and desist from engaging in the violative practice and to take such affirmative steps that in the judgment of the commissioner will effectuate the purposes of the section or rule violated. The commissioner shall order the employer to pay to the aggrieved parties back pay, gratuities, and compensatory damages, less any amount actually paid to the employee by the employer, and for an additional equal amount as liquidated damages. Any employer who is found by the commissioner to have repeatedly or willfully violated a section or sections identified in subdivision 4 shall be subject to a civil penalty of up to ~~\$1,000~~ \$10,000 for each violation for each employee. In determining the amount of a civil penalty under this subdivision, the appropriateness of such penalty to the size of the employer's business and the gravity of the violation shall be considered. In addition, the commissioner may order the employer to reimburse the department and the attorney general for all appropriate litigation and hearing costs expended in preparation for and in conducting the contested case proceeding, unless payment of costs would impose extreme financial hardship on the employer. If the employer is able to establish extreme financial hardship, then the commissioner may order the employer to pay a percentage of the total costs that will not cause extreme financial hardship. Costs include but are not limited to the costs of services rendered by the attorney general, private attorneys if engaged by the department, administrative law judges, court reporters, and expert witnesses as well as the cost of transcripts. Interest shall accrue on, and be added to, the unpaid balance of a commissioner's order from the date the order is signed by the commissioner until it is paid, at an annual rate provided in section 549.09, subdivision 1, paragraph (c). The commissioner may establish escrow accounts for purposes of distributing damages.

The community-based organizations must be selected based on their experience, capacity, and relationships in high-violation industries. The work under such a grant may include the creation and administration of a statewide worker hotline.

Subd. 5. **Report to legislature.** (a) The commissioner must submit an annual report to the legislature, including to the chairs and ranking minority members of any relevant legislative committee. The report must include but is not limited to:

(1) a list of all violations of sections 181.9445 to 181.9448, including the employer involved, and the nature of any violations; and

For purposes of this subdivision, "actual knowledge" means information obtained by the employer that the contractor has violated this section within the past two years and has failed to present the employer with credible evidence that such noncompliance has been cured going forward.

EFFECTIVE DATE. This section is effective January 1, 2024, except that the commissioner is authorized to begin rulemaking the day following final enactment, and the commissioner is authorized to begin the grant-making process under subdivision 4 the day following final enactment.
